Trading Starts Sure Shake-ups For Pro Hockey

Howie Morenz Talked Of For A Change Of Uniform While Other Prominent Players Discussed As Due For Move.

(By Elmer Dulmage, Canadian Press Staff Writer)

TORONTO, April 11.—When the hockey trade of spring carry the news that Montreal Canadiens do not shudder and otherwise express repugnance at talk of trading Howie Morenz, you begin to realize that plenty of business may be done over National League counters before next fall. Already a few money-tills are open.

Any trade involving Morenz, who is as much a part of the Flying Frenchmen as Babe Ruth is of the baseball New York Yankees, would naturally overshadow all other deals. Chicago Black Hawks want the aging comet and, if they will pay, perhaps Howie will finish his career with the Hawks. His entire career of 12 seasons has been spent with Canadiens.

Two or three years ago Dandurand, managing director of Canadiens, laughed at offers of \$50,000 for the great Morenz. But the Montreal Star is older and nearer the end of his trail now. The Hawks may get him for Mush March, a pint-sized winger and some cash.

Meanwhile there may be two strikes on the ivory highways—Lester seeking talent for his New York Rangers, Frank for Boston Bruins. Both clubs require strengthening and the indications are becoming clearer that Frank Patrick, managing director of the N. H. L., will resign his job and succeed Art Ross as manager of the Bruins.

If Frank takes over he will find himself with Tiny Thompson, Eddie Shore, Marty Barry, Dit Clapp and Nels Stewart forming the framework of a team that needs plenty of padding. The Bruins finished at the bottom of the United States section standing last season

Will Probe Baseball Situation

(C.P. By Guardian's Special Wire)

AMHERST, N. S., April 11.—Plans for the baseball season will be formulated at the annual meeting of the Maritime Provinces Branch, Amateur Athletic Union of Canada, here on Friday, May 11.

Secretary C. D. Shipley said today that the committee would soon announce the personnel of a special committee to present a report on the status of baseball in the Maritimes.

At present, he explained, there are groups which would like to see the Nova Scotia Baseball Association continue in operation while others favor organization of a Maritime Association on lines similar to the Maritime Amateur Hockey Association although there is no parent Dominion body with which to affiliate. The Canadian Amateur Baseball Association exists some years ago.

Trials for the British Empire games in England and the inter-scholastic games in Australia will be discussed at the meeting in addition to the awarding of the Maritime and field championships. The proposal for sending a boxing team to the Empire trials in Montreal also will be considered.

action, and three vice-presidents of the M. P. B. T. T. McDonald, Halifax; Byron Brown, Charlottetown, and A. A. Chisholm, Moncton.

NAVY WIN ROUT White Stars In Final Game Of Series 13-3

Dominion Champs Turn On Impressive Display Of Power To Defeat U. S. Titleholders.

(By Elmer Dulmage, Canadian Press Staff Writer)

(C. P. By Guardian's Special Wire)

MAPLE LEAF GARDENS, Toronto, April 11.—Moncton Hawks spread their tired wings for the first time in a couple of weeks here tonight and won the North American amateur hockey championship with a landslide victory over Detroit White Stars, United States title holders, 13-3.

Only 250 or so spectators sat in on the big killing as the Allan Cup champions went systematically to work to see how many goals they could score against a team they had previously outclassed twice on the form sheets but beaten only once on the score card.

Won First Game

The Stars won the first of the three game series here last Saturday night by 2-1 in overtime and the Hawks evened the count by winning 4-1 on Monday night. With the title at stake, the fleet brigade from the Maritimes went into high gear at the start tonight and were seeking goal no. 14 at the finish, as earnestly as they had sought no. 1 in the first stanza.

Everybody on the Moncton lineup except goaler Jimmy Foster took a hand in the scoring and everybody scored at least once with the exception of Foster and Bert Irvine, lean left winger who got his name in the scoring record with an assist.

Duke McDonald, Bill Miller, Bill Gill, Sammy McMahon and Aubrey Webster scored two apiece and Bert Connolly, Dud James and Len Burrage kicked in with the others. It was just the sort of high-powered scoring Toronto fandom had expected of the Hawks in the first series game.

If the Allan Cuppers took it easy in the first two games, they worked hard tonight. There was little body checking—the idea was goals. The Hawks raced down three and four abreast in the hope of plugging the total even when they were short handed through penalties.

QUEBEC HOOP SQUAD WINS CLOSE GAME

(C. P. By Guardian's Special Wire)

MONTREAL, April 11.—Assumption College of Windsor, Ont., Ontario senior basketball champions tonight lost the first game of the Ontario-Quebec Dominion play-downs by the narrowest of margins defeated by Nationales, Province of Quebec champions, 29-28.

The teams met again here on Friday night and if a third game is necessary it will be played here Saturday. The winners will tackle Dalhousie University of Halifax, Maritime titleists, in the Eastern Canada semi-finals.

It was regarded as the finest exhibition of the cage game seen here in years. Nationales ran into a style of game unknown here, scientific to a degree but, in the end, the sustained speed of the Montreal team was just a little bit too much. Observers were predicting a great series, probably going three games.

The issue was in doubt to the last whistle. Murray Patrick scored the winning point with only seconds to go. He had been fouled by Desjardis of Windsor as he pivoted to shoot and was awarded two free shots. He missed the first but dropped the second through the hoop, breaking a 28-28 tie. As the remaining seconds ticked off, Nationales warded off every thrust of the Ontario team.

Assumption floored a well-balanced team that made the most of its opportunities. Every man was a deadly shot and in this department they held a big edge. Nationales scored a much smaller percentage of shots on the basket than its rival and Atchison whose fame had preceded him, found the hoop for 10 points.

First Man—How is business? Second Man—Er—if you will give me your promise not to borrow, very good.

PLAY BY PLAY AS HAWKS WIN SERIES

First Period

About 200 spectators were scattered through the Arena when the Detroit defense in the second minute of play and missed an open net. The White Stars opened the scoring when David Crossman and Red rushed together. Crossman sent up a forward pass to David, and David slipped it past Foster.

The Stars almost got another when Sullivan, Bigham and Hunt sifted through. Sullivan's shot was wide. Gill tied the score with a goal for the Hawks. He shot on McMahon's defence and then skated around behind the net. When he got back in front of the net, he found the defence still fumbling with the puck and batted the loose rubber into the cage.

McDonald made it 2-1 for Moncton. He picked up Connolly's pass at centre and went through the defence alone, easily beating McMahon on close range. McMahon, Detroit defenceman, was penalized for tripping and the Hawks promptly got a third goal. McMahon drove in a goal mouth pass from Miller. In quick succession Reed, David, and McMahon followed each other to the penalty box for minor offences. All three were off when Miller coasted down and scored with a terrific shot from 15 feet out. A minute later Connolly made it 5-1 for Moncton on a pass from James.

Irvine and Burrage received successive penalties near the end of the period, but the White Stars were unable to break through for another goal.

Summary First Period
1—Detroit, David (Crossman, Reed) 4-3.
2—Moncton, Gill 8-1.
3—Moncton, McDonald (Connolly) 11-4.
4—Moncton, McMahon (Miller) 14-2.
5—Moncton, Miller 15-2.
6—Moncton, Connolly (James) 16-3.
Penalties—Robson, Reed, David, McMahon, Irvine, Burrage.

Second Period

The White Stars got their second goal while they were short handed. Sullivan was in the penalty box when Bigham and Hunt broke away and neatly passed their way in close, Bigham scoring. A few seconds later Webster scored for Moncton on James' pass to make the score 6-2.

Irvine missed an easy goal, shooting wide after pulling McMahon out of his net.

Summary Second Period
7—Detroit, Bigham (Hunt) 2-2.
8—Moncton, Webster (James) 3-10.
9—Moncton, Miller 10-55.
10—Moncton, Webster (Miller) 14-15.
11—Detroit, Sullivan (Hunt) 16-5.
Penalties—Sullivan (2), James.

Third Period

They played slowly until Burrage was banished for tripping. Then the Hawks, not the Stars, scored. On a breakaway, McMahon passed to James who skated right up to McMahon before shooting. The Hawks kept trying for goals, but they were unable to get going, and their shooting was bad.

Finally Wright and Irvine were penalized together for roughing and Burrage and Gill combined for another goal. Burrage was on the shooting end.

Gill made the score 11-3 when he took a forward pass from McDonald and poked the rubber into the Detroit cage from a few feet out. Irvine also got an assist on the goal. Then McDonald laced a low shot past McMahon on outside side the defence for the twelfth goal.

McMahon bagged the next on a wing shot and for the next three minutes the play moved quietly from end to end without any sign of a goal. A James to Webster play almost clicked and Sullivan nearly beat Foster at the other end. The Hawks battled right up to the final goal for more goals.

Summary Third Period
12—Moncton, James (McMahon) 3-60.
13—Moncton, Burrage (Gill) 7-5.
14—Moncton, Gill (McDonald, Irvine) 10-34.
15—Moncton, McDonald 11-46.
16—Moncton, McMahon 13-21.
Penalties—Burrage, Wright, Irvine.

WIN CLEVELAND BIKE GRIND

(C. P. By Guardian's Special Wire)

CLEVELAND, April 11.—Canada's bike champion and his Swiss mate whirled around the oval at Public Hall in a furious hour of cycling to receive the floral horseshoe in token of victory in Cleveland's second six-day bicycle race since the snow began flying last fall.

William "Torchy" Peden of Victoria, B. C., and Freddie Zach of Switzerland wound up after 144 hours of work at the pedals about 200 points ahead of their rivals who made life miserable for them during the final sprint.

Second was the team of Alfred Letourneur, France, and Henri LePage, Montreal even on laps with Peden and Zach but at a disadvantage in points. With their total of 2452 miles and seven laps, the winners had 949 points, Letourneur and LePage also had seven laps but only 75 points.

Two teams dropped out toward the end of the gruelling race. Charles W. DeBaets of New York City and Gerard DeBaets of Belgium had to call it a day 30 minutes before the close of the race when DeBaets was carried from the track with stomach trouble.

Kentucky Derby Most Open Race For Many Years

LOUISVILLE, Ky., April 11.—Mati Hari, belonging to Charles T. Fisher of Detroit and Sir Thomas, owned by A. B. Gordon, of Louisville, are the early favorites for the 60th running of the Kentucky Derby, May 5. Between the present prospects and the actual race, however, many things may happen. On the whole the event looms up as one of the most open in this class for many years.

Another western horse, Riskulus, of the Northwest stable (Norman W. Church) of Los Angeles, Cal., is also well up on Chiclestraw, together with Cavalede, the property of Mrs. Isabel Dodge Sloane of New York.

Of the next dozen in order of favor 10 hail from the eastern section. In this band are Chiclestraw, owned by George D. Widener of Philadelphia; Jabot and Roustabout, in the barn of C. V. Whitney of New York; Singing Wood, owned by Mrs. John Hay Whitney of New York; Socon Over and Black Budd in the Greenbree Stable of Mrs. Payne Whitney of New York; Discovery and Red Wagon, owned by Alfred Gwynne Vanderbilt of New York; Sgt. Byrne, owned by John Simonetti of New York; Time Clock, which also belongs to Mrs. Sloane; and two western representatives, Basaar, owned by Col. E. R. Bradley of Lexington; and Dardle, the property of the Everglade Stable of F. A. Burton of Chicago.

It is recalled the Kentucky Derby was won in 1912 by a Canadian, Commander J. K. L. Ross of Montreal, with Sir Barton. The race was instituted in 1875, the first winner being Aristides. From that date till 1910 the West had practically all the winners. Then in 1911, R. F. Curman brought Meridian from the East to defeat Governor Gray and other western hopefuls. In the interval the Derby winners have been fairly evenly distributed between western and eastern owners.

Colonel E. R. Bradley of Lexington, has won the race four times, including 1932, with Burgo King, and 1933, with Broken Top.

Hockey Team Is Honored by W.I.

A most enjoyable evening was spent in the hall at Sea View on Friday evening, March 23rd, when the members of Sea View Women's Institute sponsored a banquet to the Maple Leaf Hockey Team of Sea View and their opponents the Daring team of Stanley in the final play off for the silver cup donated by Hon. Mr. McKenzie and Wigmore. The hall was tastefully decorated in green and yellow and two tables artistically arranged at either side of the hall made a pleasing picture. Places for eighty guests were arranged for the hockey fans and their friends. Mr. Edward Murphy capably presided and after all were placed. Rev. Mr. MacMillan of Malpeque, asked blessing after which all did ample justice to the delicious supper supplied by the ladies.

The first toast of the evening was to the King and all arose and joined in the National Anthem. An address of welcome was then given by Mrs. Colin Donald, Hon. president of the Women's Institute. This was followed by a toast to the winning team, given by Mr. Fred Donald and responded to by Mr. John Murphy one of the team. A toast to the visitors was next given by Mr. H. I. Donald and responded to by Rev. Mr. MacMillan. Rev. Mr. Williamson then gave a splendid talk to the hockey players along the lines of clean and true sport in all the walks of life which was much appreciated. Mr. Claude Adams read a letter from Mr. Wigmore besetting that he was unable to be present at the banquet.

Mr. Paul Fleming, on behalf of the Stanley team expressed his thanks to the W. I. for their kindly entertainment and Mr. Hugh Campbell, president of the League, expressed himself in an appropriate manner. Mr. John E. Campbell then proposed a toast to the ladies. This was responded to by Mrs. John Pickering, President of the W. I. Miss Margaret Blakeney then gave a humorous reading which was loudly applauded. The singing of O Canada brought this delightful evening to a close.
