GENERAL JOFFRE VISITS MONTREAL

Is Welcomed with Unbounded Enthusiasm by Hundreds of Thousands of Citizens. Reviews 5,000 Troops and Wounded Soldiers Who Had Fought Under Him in France.

MONTREAL.—Joseph Joffre, marshal of France, popularly called "The Hero of the Marne," paid a visit to Montreal Monday that will rank as one of the great events in local history and probably no man ever received such a spontaneous and general welcome in this city as "Papa Joffre."

Practically everybody on the island of Montreal was able to get out of doors was out viewing the procession and cheering and waving flags in honor of the great French general. He was the guest of both the city and the state, and paid in such a wholehearted manner that must have impressed the visitor with its cordiality and sincerity.

After a brief reception at Windsor station from Mayor Martin and other civic rulers and representatives of the Dominion and Quebec governments the parade started. It consisted of the local military units and many civilians as could be comfortably carried in practically all the automobiles in Montreal, and it led through numerous streets beflagged with Union Jacks, the French tricolor and the Stars and Stripes up to Fletcher's field, on the mountain side, an open space capable of accommodating several hundred thousand people.

Here the civic address was presented to Marshal Joffre by the Mayor, and the marshal briefly replied. The address expressed the hope that Canada would do more in the war.

Marshal Joffre said: "What the soldiers of Montreal, of Canada, have accomplished will always be appreciated in France. The soldiers of Canada are courageous. They despise death and their bravery reaches the level of the bravery of the French troops."

Following the civic function Marshal Joffre reviewed about 5,000 troops on Fletcher's field, and on his way down town he stopped at McGill University campus and inspected returned soldiers, many of them badly crippled, who had fought in France while he was head of the armies there.

The state reception to Marshal Joffre was in the form of a luncheon at the Ritz-Carlton Hotel. Hon. P. E. Blomch presented.

"I thank you, with all my heart, Mr. chairman, for the kind words you said to me," said Marshal Joffre in French, "and I thank you, gentlemen, with all my heart, for the warmth of the reception you have given me, and I can assure you that the acclamation with which you have greeted me will be heard in France."

I know the services rendered by Canada in France. Your soldiers have fought beside our soldiers, and many have died in the fight we are waging. They have always shown indomitable courage, and in them Canada has done her duty.

Marshal Joffre announced that he had just received a despatch from the French government informing him that France has bestowed the Legion D'honneur on Major-General Fiset, deputy minister of militia, and on Bigardier A. E. Labelle, a member of the harbor commission.

Two Mothers Tell

How Their Sickly Children Were Made Strong and Well

"For six years our little girl suffered from a bronchial trouble, she had no appetite, could not sleep and was so nervous we had to keep her out of school. The doctors said nothing but a change of climate would help her. We were discouraged, when one day a friend asked us to try Vinol, and after taking six bottles she does not look like the same child. She has a fine appetite, is lively, healthy and well, and Vinol did it all." Mrs. F. E. Hufford, Iola, Kas.

Another child made strong:—"The measles left my little girl thin and delicate, and the doctor's medicine did not seem to build her up. I read about Vinol and got a bottle, and her improvement was rapid, her strength returned and she is now as well as ever." Mrs. E. Linot, Pittsburg, Pa.

We ask every Charlottetown mother of a frail, sickly, ailing child to try Vinol on our guarantee to return their money if it does not restore her child's normal health.

a week or so, so its great pleasure to have three brothers in France. But I get a pair of dry socks once in a while. We are having some awful weather for France. All of March and April it has been snowing and raining most all the time. The ground is covered with snow now. Well I suppose you would like to know where I came from. I came from Cumberland County, Nova Scotia. I have been on the Island with my uncle buying horses before the war. I have been in France nineteen months and believe me I am about ready to go home now. I also

I haven't heard from two of them for a long time. I don't know whether they are still on top or not. Well I must close as news is very scarce here. What is news we can't write.

I remain yours sincerely,
FRED.

Home Industry!

In order to facilitate the exchange between farmers having

Young Pigs for Sale

and those by whom such may be

WANTED,

we respectfully tender our services free of charge, and invite correspondence from all interested.

It is not our intention to deal in those at all, but if farmers having any for sale will write us full particulars of number, age, breed and price, we will pass the information along in reply to any inquiries we may have from farmers desiring to purchase.

The finished pork will all be needed, and at good prices, and co-operation in this way, to keep as many hogs as possible for feeding within the province, instead of being exported, should tend very materially to our mutual benefit.
