

The Rosy Bloom On a Woman's Cheek

is the most alluring beauty in the world. It is a prize within reach of almost every woman, if she will but give proper attention to her skin and her general health.

The evil effects of raw winds, dust, extreme cold, working in overheated and steamy rooms or in bad air, can be counteracted by using

NA-DRU-CO Ruby Rose Cold Cream

This is a snowy-white preparation with a delicate rose perfume. It cleanses the skin, nourishes and fills out the deeper tissues, smoothes out wrinkles and imparts a velvety softness, free from roughness, redness or chaps. It keeps the skin healthy, and Nature supplies the rosy bloom.

NA-DRU-CO Witch Hazel Cream

is a delightfully soothing preparation of Witch Hazel, presenting all its wonderful cooling and healing properties in a most agreeable form.

For the skin irritation which winter brings—chaps, wind-burn, cracked lips, frost-bites or chilblain—it is a remedy as pleasant as it is effective.

family and after forty days the fountains of the deep and the windows of heaven were stopped. Noah sent out from the ark a raven and a dove and when the dove on its second trip returned with an olive leaf, Noah knew that the deluge was over, and that it had done its work. Noah and his family left the ark and his first act was to erect an altar of thanksgiving to God for their deliverance. This is the first altar spoken of in the Scriptures. Noah was reassured by the divine voice that never again would the earth be destroyed by water. Seed-time, and harvest, cold and heat, summer and winter, day and night shall not cease. The rainbow was the token of God's covenant of friendship with the earth, the sign of his Grace and favor. In times when contracts were not made in writing, when solemn vows and promises were made it was customary to appoint a sign that the parties to the covenant might be reminded at the proper time of its terms and a breach of its observance be averted. See Gen. xxi. 30.

Life was to begin anew, God's blessing upon faithfulness was promised, and dominion given to man over the lower animals much the same as was given to Adam. The Babylonian account gives the place of the stopping of the ark at Mount Nisir which has been identified with Mount Judi near Lake Van. Possibly the Armenians pushing the ark out of their original home and forcing them onward until they were scattered and their identity lost, they settled in Southeastern Europe under the name of the Goths. When they emigrated to Armenia the location of the mountain of the ark travelled with them and was located in one of the mountain ranges near Lake Van now known as Mount Ararat.

The relationships between God and man is explained throughout the Bible, by the idea of a covenant. We are not to understand that the bow was set in the sky as a symbol of the covenant, but that it was singled out as the sign of God's promise. Ancient Jewish rabbis declared that in an age when righteousness abounded the rainbow did not appear. The life of the virtuous being sufficient sign that God remembers his covenant.

There was a new beginning, yet the world had learned two very important lessons since the time of Adam—the knowledge that God ruled by fixed people, saith your God. Isa. xl. 1.

And the knowledge that wickedness cannot go unchecked and unpunished.
