SISTERS DEAD.—The bodies of two sisters, Miss Pearle Lawless and Mrs. Mary Mitchell, recently were taken through here on their way from Cambridge, Mass., to their former home, at Emerald Junction, (P. S. A. CAMPAIGN.—Answering the call of humanity our boys faced the German guns; answering the call of humanity the Salvation Army was up into the firing line ministering to the soldiers; it is our turn now to answer the same call and contribute to the "Soldiers Home-Coming Campaign" of the Salvation Army. 3613.

SAD BEREAVEMENT.—Many friends in this province will sympathize deeply with Rev. H. L. Haslam of Liverpool, N. S. in the death of his beloved wife which occurred yesterday after an illness of several months. Of charming personality Mrs. Haslam made many friends in her husband's parish and during her visits to "Stone Cottage" Springfield, her husband's old home. Two children, besides her husband mourn their irreparable loss.

PATRIOTIC FUNDS.—During the service in Cornwall church last Sunday evening an offering was taken for the Armenian and Syrian Relief Fund which is being raised by the Sunday Schools in Canada and United States. The amount contributed was liberal and there is more to follow. The Salvation Army Red Shield Fund was also commended by the minister and a few men met at the close of the service to arrange for collecting in the community.

MELVILLE.—There are a few bar colds reported in this district but nothing serious just now.—Deep sympathy is expressed generally over the death of Miss Katherine McPherson a beautiful young lady who passed away recently. She was deeply interested in war work always working for the Red Cross and sending boxes to the boys and was looking eagerly forward to the successful end when her boys would return, but in the midst of life we are in death.

BANKER'S PROMOTION.—The Fredericton Gleaner says: Mr. M. Daniel, who has been accountant at the Royal Bank of Canada's branch in Fredericton for the past two and a half years, has been promoted to the position of manager of the bank's recently opened branch at Mt. Stewart, Prince Edward Island. Mr. Daniel, whose home is at Shelburne, N. S., has made many friends in Fredericton who, while regretting his departure from this city, are congratulating him upon his well deserved promotion. He leaves here tomorrow evening for Prince Edward Island to take up his new duties.

FOX MEETING.—The Fox Caretakers Association met Thursday evening in the office of Mr. McLure and Mr. E. R. Brow. The chair was occupied by the Pres., Mr. J. C. McKendrick, Mr. H. Arbling, Sec. Treas. The question for the evening was the care and feeding of foxes in the breeding season. The speakers of the evening were Mr. John A. Webster, City Councilor, and Mr. E. R. Brow. Mr. Webster has found time as manager of a large company to take an unproductive ranch, besides adding another and making them a producing and dividend paying business. His address was well worth publishing and should be in every ranch in P. E. I. The aim of these meetings is to help educate all caretakers in the business, and to help make all companies dividend payers. There is still a lot to be learned in the fox business and it is the interest of all managers and caretakers to attend. Mr. F. L. Rogers, Alberton, has kindly consented to address a meeting on his return from Boston and due notice will be given of the date of the meeting. The question for next meeting, 30th inst., will be the same as last night and some prominent fox men are expected to address the meeting.

FATHER MAC HOME.—Among the officers returning was Honorary Captain Patrick McQuillan, formerly of St. Mary's parish, who went overseas as Chaplain with the 55th Battalion. "Father Mac" as he is known by thousands of Catholics in Halifax is looking quite well, and is glad to be back again. He reports that all the Halifax boys he saw in England just before leaving were well. After going overseas with the 64th Battalion, Captain McQuillan was transferred to the 50th Battalion, which was from Calgary, and went to the front with them. He was in France two years and three months, returning then to England, where he was stationed at one of the Camps. The last Nova Scotia unit that Captain Mc-

Father McQuillan said that the Hospital boys did not know when they were leaving for home. He was speaking to Colonel Stewart, who formerly commanded the Unit, and who is now attached to a staff in London. Several days before leaving England, Captain McQuillan reported the trip a pleasant one and stated that he heard of no complaints from any of the men says a Halifax exchange.

## Why Our Pianos Stand all Tests

Back of every piano that leaves our ware rooms is our unqualified guarantee and the guarantee of the makers. If every claim we make about the pianos we sell is not religiously right we will refund every cent paid.

We know, and have unlimited proof, that the pianos we sell are each unusual values at their prices—that each piano we sell is worth more than the purchase price. Our long experience has enabled us to form an accurate opinion of each piano made in Canada and our policy will not permit us to handle anything cheap or showy.

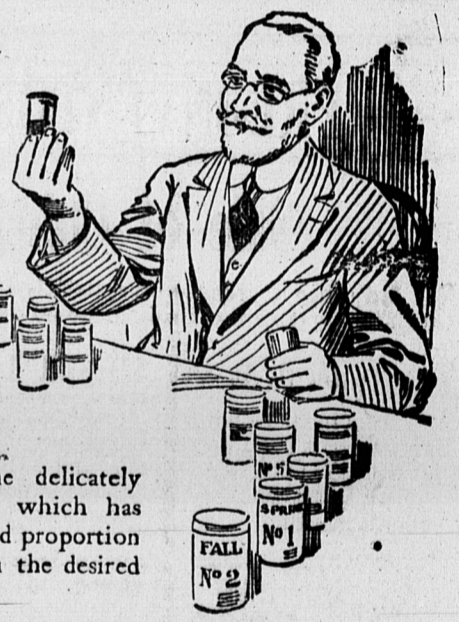

Our responsibility does not end when we sell an instrument—it must give perfect, permanent satisfaction before the sale is complete.

## Why You Should Use a Blended Flour

The big, out-standing reason why "Beaver" Flour makes such light, flaky Pies and Pastry, and such delicious homemade Bread, is because it is a blended flour.

It is a flour ground of the delicately flavored Ontario winter wheat, to which has been added a scientifically determined proportion of Western spring wheat to obtain the desired strength.

# BEAVER FLOUR

This is why "Beaver" Flour makes a good size loaf of Bread, with an appetizing, nutlike, "homey" flavour, impossible to obtain by using western wheat flour alone.

This is why "Beaver" Flour makes Pie Crusts and Doughnuts—Cakes and Cookies—Gingerbread and Tarts—that are revelations to the woman who has been struggling along with western spring wheat flours.

"Beaver" Flour is a Pastry Flour. Yes! It is also a Bread Flour—and a general purpose flour—unsurpassed for high quality and flavor.

Being blended in exact proportions every time, it is always the same in quality and strength—and always gives the same happy results with every baking.

Ask your grocer for "Beaver" Flour, and try it on your next baking day. The results you will get with "Beaver" Flour—compared with what you have been getting with western spring flours—will surprise and delight you.
