The Most Desirable Residential Property In Charlottetown For Sale By Private Bargain

That new and valuable residential property at Brighton, known as 40 Greenfield Avenue, will be disposed of by private sale on or before June 1st.

This house was specially built to the order of Mr. J. M. Roop, and built by day's labour so that the best possible workmanship could be obtained for a residence intended to give every satisfaction and with all the best possible labour-saving contrivances.

The house is built of the finest materials and finished in B. C. fir and with hardwood floors throughout. The basement is all cemented, and so adapted to improved sanitary arrangements that it may be washed out every morning by hose without the least trouble or inconvenience.

The house which is heated by steam, consists of eight rooms and attic, in addition to commodious halls and pantries.

It is situated on a lot 120 ft. by 187 ft., has a double garage, and is suitable for the development of a profitable garden.

Terms moderate.

Apply Mr. J. M. Roop, 125 Grafton Street, whom permission will be granted for inspection.

4524-3-23-wsm61.

Hunter River And Vicinity

Mr. R. H. Perkins, representing Messrs Beatty Bros. Ltd. St. John was here the latter part of the week on business. He, and the local agent, Mr. D. M. MacLeod were in Cavendish and North Rustico Thursday and Friday.

Mr. J. A. Moore, Manager Sun Life Assurance Co., Charlottetown was here through the week on business.

Mr. John MacLeod Accountant with Messrs P. J. Noy & Co., was a recent visitor to the City.

Mr. and Mrs. William McDougall who have been spending the winter months in Charlottetown returned to their home here the latter part of the week and are being cordially welcomed.

His friends are delighted to know that Mr. Frank Bagnall who has been very ill at his home in Hazelgrove is much improved.

Mr. and Mrs. Rutherford Cotton whose marriage by Rev. Mr. Ryan took place in Charlottetown on Wednesday, were passengers by the afternoon train to Hunter River driving from here to their home in Clinton. Mrs. Cotton was Miss Kathryn Taylor, sister of Mr. William Taylor, Cheese and Butter Maker, New Glasgow.

The first carload of western horses to arrive at Hunter River were unloaded on Tuesday evening on arrival of the Borden train. The shipment, twenty-one horses in all, was consigned to Mr. Peter Martin and was in charge of Mr. Fred Toombs, North Rustico.

Excellent prices were realized at the sale in Bungay on Wednesday afternoon of the stock, crop and implements owned by Mr. Robert Wye. Mr. Alex. McRae, Wheatley River was the auctioneer. The Wye farm was bought some time ago by Mr. Robert Silliphant, Jr.

Mr. Chester Rackham and Miss Irene Rackham, Wheatley River were visitors in Charlottetown on Friday. Other passengers to the City recently included the Misses Janie Andrews and Reta Pickering, Mrs. J. S. MacLeod, Mrs. George Dixon, Mr. Robert Silliphant and Messrs. Alward Fyfe and Simpson Bell, Stanley Bridge.

Mr. Chas. Godfrey, North Wiltshire, was here on Friday visiting his sister Mrs. J. Rackham. His many friends here are delighted to see him about again as usual after a very serious illness.

Mrs. Robert Silliphant spent Friday in Fredericton visiting friends.

"Mother Graves" Worm Extremator will drive worms from the system without injury to the child, because its action while fully effective, is mild.

Black Knot Of Plums And Cherries

By R. R. Hurst

This striking disease of stone fruits is exceedingly destructive in localities where no efforts are made to control it. It is a disease peculiar to our native stone fruits and frequently injurious to the cultivated forms, particularly certain varieties of plums and sour cherries. It is not known to occur commonly outside of North America.

SYMPTOMS—The disease attacks only the woody parts of the tree, generally the twigs, although in severe cases it extends from the spurs to the larger limbs or trunk of the tree. The knots are first noticed early in the spring in the form of swellings which enlarge until the surface cracks and becomes covered with a greenish felt-like substance. These are the spores which spread the disease. The knot reaches full size by mid-summer.

THE CAUSE—The disease is caused by a fungus which invades the tissues of the twigs, growing there and producing minute spores or seeds which are carried by the wind to other trees where infection takes place. In late fall and winter another crop of spores develop in tiny black pimples on the knots. When the weather is mild these blow about, also causing infection.

PREVENTION—Prune off all knots in the fall and early spring taking care to cut well below the diseased area. Carefully burn all cuttings. It is also well to remove any new knots which appear during the summer. Destroy all wild plums and cherries in the neighborhood. In districts where the disease is a serious factor extra precautions are necessary. Spraying with Lime Sulphur is advisable, one application being made in late winter, another when the buds begin to swell, and a later one about the time the flower petals drop.

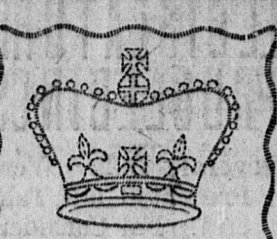

For further information on this subject, write to the Field Laboratory of Plant Pathology, Charlottetown, Prince Edward Island, where investigations are being carried on to arrive at improved measures.

Mt. Stewart Notes

Mr. James Atkins, proprietor of the Savoy Hotel had a new pump bored last week. Mr. James Loheran of Charlottetown doing the work.

On Monday night the 15th Mr. Joseph F. Doyle, school inspector, visited our night school and after the examination he highly praised the teacher, Mr. Ray Hughes on the good judgment he had shown in the choice of subjects he taught and of his method of conducting the school, after which he gave a very interesting and instructive talk to those attending. In part he said "that when we were of school age and attending school, we did not really realize what education meant and others did not have the chance to attend school. But now we have come to the age when we can appreciate and know the value of an education." These words coming from Inspector Doyle seemed to be much appreciated by all.

We learn that Mr. John Devine, Grand Tracade has bought the grocery store of Mr. Walter Currie, Peakes, and has moved there and taken charge. Mr. Devine should do well there as it is a good business stand.

Mrs. Owen McKeane is the proud owner of a sow which had a litter of eight pigs a few days ago. This is the first we have heard of so far and it certainly is a good start in the competition of hog raising.

Mr. Neil Munn, Cherry Hill, while going home on the ice from Mt. Stewart to St. Andrews last Friday evening had his horse break through. But luckily the water was not deep just there and he succeeded in getting out in a short time.

Miss Mabel Jardine, Hd. of Hillsboro returned from spending a few days at the home of her aunt, Mr. and Mrs. Will McKenzie.

Miss Dorothy Coffin our genial and obliging post mistress spent Sunday in Charlottetown.

Mr. and Mrs. Arthur Coffin, Georgetown, spent Sunday in Mount Stewart.

We learn that Mr. Fred Leard, Leard's Mills, is installing a new electric power plant, to be driven by his water mills, with which he intends to light Mount Stewart and the adjoining places. This is certainly a step in the right direction and we hope Mr. Leard will meet with success.

A meeting of the Y. P. S. C. E. was held at the home of Mr. and Mrs. Wm. McKenzie Sunday evening last and although the roads were detrimental to a large attendance, the attendance was very good. The meeting opened by singing the doxology followed by the Lord's Prayer repeated in unison, then responsive reading, after which a number of nicely chosen readings were given, some present speaking on the topics. All took an active part

Topic for the Week

"SPIRITUAL DISCERNMENT"

Wednesday

"We Should Cultivate Spiritual Sensitiveness"

SCRIPTURE: Read—I Corinthians 12:1-13.

"Follow after love: yet desire earnestly spiritual gifts" (I Cor. 14:1.) "Open thou mine eyes, that I may behold wondrous things out of thy law" (Ps. 119:18). "A new heart also I will give you, and a new spirit will I put within you" (Eze. 36:26). "And ye shall know the truth, and the truth shall make you free" (Jn. 8:32).

See—John 9:39; Psalms 39:3.

MEDITATION: It is possible for our souls to remain stationary and never come to clear understanding of spiritual experience, just as an infant sometimes grows physically to adult life retaining the mind of the babe. On the other hand there are growing souls. In the world of spiritual experience they come to distinguish the great realities with at least glimmerings of clearness. There are laws of growth in the spiritual world; they are the laws of growth in the material world. Life must receive impression; life must give expression. In the practice of conversation with God we become more and more proficient.

"Teach . . . me that there are portals more golden than the eye, or the ear."

HYMN:

Beneath the cross of Jesus, I fain would take my stand,— The shadow of a mighty rock Within a weary land, A home within the wilderness, A rest upon the way, From the burning of the noon-tide heat,—

I take, O cross, thy shadow For my abiding place; I ask no other sunshine than The sunshine of His face,— Content to let the world go by, To know no gain nor loss, My sinful self my only shame, My glory all the cross.

—Elizabeth C. Clephane, 1830-1868.

PRAYER:—Pray for—sensitive spirits; success of worthy undertakings; prisoners; the profane.

Collect—O God who dwellest in the beauty of holiness, we praise Thee for the beauty of the earth, for loveliness embodied in noble men and for the revelation of Thyself in Jesus Christ the incarnation of Thy conquering love. We are covered with shame at the thought of Thy faithfulness for we have not been ever true to Thee. Keep us from infidelity to Thy friendship. Save us from treachery of soul. From the choice of evil and from the enthrone of the lesser things deliver us. Awaken in us a living sense of Thy spirit. Give us hunger and thirst for righteousness. May our hearts burn with the presence of Christ in us. So would we enthroned Thee, trust Thee, love Thee, obey Thee; all by the grace of Christ. Amen.

In the singing of the psalms and hymns. Mr. Geddie Douglas was leader.

Services in the United Church were held at the usual hours of 11 a. m. here. Lot 40 at 3 p. m. and Donaldson at 7 p. m. Rev. M. K. Charman, pastor.

Mr. John Feehan has had his wood (about seven cords) sawn by Mr. Ernest McEachern with his sawing outfit—F.

St. Eleonors Win Close Game From Sherbrooke

About 300 Fans See One Team Get Advantage Then The Other At The Crystal Ring Summerside. At Final bell Score Read St. Eleonors 5, Sherbrooke 4.

The excitement at a Canadian-Maroon game in Montreal was nothing compared to the interest evidenced at the Sherbrooke—St. Eleonors game in the Crystal Ring, Summerside, Saturday night. After Sherbrooke had defeated St. Eleonors 5-0 and 1-0 in games in the open air rinks a game had been arranged for last Tuesday night but St. Eleonors failed to put in an appearance. When it was intimated to some of the St. Eleonors players that they were afraid to meet Sherbrooke in the Crystal Ring rink they, St. Eleonors, stated their willingness to put up a side bet of \$50 which was soon taken up and covered by Sherbrooke. Thus the game Saturday night had quite a background and meant a lot to the players and their supporters.

Sherbrooke secured the first score in the first period, young Jim Chappell doing the trick. Lippy followed shortly after with the second goal for Sherbrooke. The score stood at 2-0 for some minutes before Art Holland, St. Eleonors, tower of strength went through for a nice run and shot. His shot went wild but he recovered the puck and scored number two for St. Eleonors. The period ended 2-1 in favor of Sherbrooke. Shortly after the second period opened Art Holland made a splendid run and scored number two for St. Eleonors evening the count. Holland followed immediately after with number 3 for St. Eleonors, making the sign board read 3-2 in favor of St. Eleonors. The Sherbrooke boys got busy and slammed several hot shots at Tanton. The St. Eleonors goalies who turned them all with marvelous stopping. Art Carr, then going and with an end to end run made the score 3 all. Young Jim Chappell, Sherbrooke star, got the puck in front of the St. Eleonors net and scored number 4 putting his team in the lead. The second period ended with the score 4-3 for Sherbrooke.

For the first 15 minutes of the third period it looked as if the game was going to end in favor of Sherbrooke. With just 4 minutes to go St. Eleonors combined and scored their fourth goal, again evening the count. At this point for some reason not clear to the spectators the judge of play started to heat up St. Eleonors star player and interrupted the hockey for a demonstration of boxing. Fortunately the St. Eleonors boy maintained his good sense and refused to be drawn into any disgraceful exhibition.

The game was resumed and hadn't been going a minute when St. Eleonors secured the 5th and final score of the game. The period and game ended 5-4 in favor of St. Eleonors. Mr. Clifford Montgomery and Mr. C. Gallant judge of play.

While St. Eleonors deserve every credit for their win it was anybody's game until the final bell rang. The teams were very evenly matched and Sherbrooke played without subs.

The following was the line up:

St. Eleonors	Sherbrooke
Roy Tanton	Jas. MacDonald
S. Tanton	Fred Harris
J. Squarebriggs	Ray Harris
C. Arsenault	Art Carr
Art Holland	J. Chappell
Fred Mills	Lippy
	Subs
Percy Crosby	Howatt
Harry Arsenault	

Gleanings From Tryon And Vicinity

Mrs May Dawson and Mr. Neill Dawson made a flying visit to Victoria on Wednesday of last week.—D.

Mr. Howard Callbeck of North Tryon made a business trip to Summerside last week.

Mr. Kenneth MacDonald of Tryon purchased a valuable horse recently.

Mrs Abner Howatt and Mrs. Vern MacLeod of Victoria were the guests of Mrs. Steford Mullins of Tryon on Wednesday of last week.

Mr. Harold Mabe, teacher at Borden spent last week end at his home in Tryon accompanying him was Miss Margaret Dawson of Albany, P. E. I.

The numerous friends of Rev. E. Duggitt were very much shocked to learn of his early death which took place very recently. He was Baptist pastor at Tryon for several years, where he won great hosts of friends and was beloved by his congregation. Last fall he left for his new pastorate at Kingsport, Kings County, Nova Scotia. He leaves a sorrowing widow and one son, Eldon, to mourn his death.

One of our enterprising fellow-citizens, Mr. George Pratt of Tryon has purchased the lumber off Wood Bros. Rink and is busily engaged removing it these days before Old Man "Sol" decays the ice. It has been rumored that he intends going into the box industry. Good luck, Mr. Pratt.

Miss Kathryn Dobson of Augustine Cove spent Thursday evening with friends in North Tryon.

Mrs Jack MacKenna of Mount Tryon was removed to the Prince County Hospital on Wednesday of last week. Her friends sincerely hope for a complete recovery soon.

The snow is rapidly disappearing. No kick coming either! I wonder if all the ex-hockey players are anticipating a season of baseball soon! If Capt. Roary is as good as the last named as at "ice sliding." They sure will be an All team.

Mr and Mrs Elmer Dawson of Augustine Cove were visitors at Tryon on Friday.

An evening long to be remembered was Thursday evening, March 18th. A hockey match? Oh no! but something infinitely more satisfying to the inner man. The banquet was held in honor of the famed Tryon "Arrows," also several ladies were present in all about twenty-five. On account of a few than never. Tea was not served until almost 9 p. m. Finally the boys were seated and did ample justice to the sumptuous menu given them. Afterwards a delightful evening was whittled away only too quickly in various amusements. Special mention should be made of the mixed quartet, viz. the Misses Amy Lea, Kathryn Dobson and Messrs William Rogerson and Victor Howatt, who rendered many old time melodies. Ice cream and cake was served shortly before midnight after which a vote of thanks was tendered Dad and Mrs Lyman for all their trouble and expense also for the use of their spacious home, "Dad" responded in his usual pleasing manner on behalf of Mrs Lyman and himself. "Dad" Lyman and Capt. Roary had the honor of a good sound bounce administered them. After a hearty singing of "Auld Lang Syne" everyone dispersed for their respective homes in the very best of cheer.

At last we have the pleasure of saying that after many weeks of illness Mr. Brenton Howatt of Tryon has returned to his home in Tryon. His mother, Mrs Jack Howatt who helped to faithfully nurse him accompanied him also.

Richard Jack, R. A., with the portrait of H. R. H. King George on which he is working, the sittings taking place at Buckingham Palace on Wednesdays.

Alberton Regals vs. S'side Y. M. C. A

There was a large attendance at the Alberton Rink on Thursday, March 10th, to watch a hockey match between the Alberton Regals and the Summerside Y. M. C. A. The first game played between the Old Boys and the Tuxis was won by the Tuxis, the score being 6-1, the second game getting away at nine o'clock with Clifford Montgomery of Summerside handling the whistle and Percy Kinch acting as judge of play for the first period, until Jack Matthews arrived. The game throughout saw each team working hard and was a fairly good exhibition of hockey. After the face-off Jeffrey of Alberton scored the first goal, this was evened by a counter made by Daley for Summerside, on a long shot. Wilkie for Alberton was the next to score and the period ended soon after Schurman had again evened it on a pass from McDowell, score 2-2.

In the second period McDonald, the tricky left wing of the Alberton team got away with two goals in quick succession, which seemed to put the visiting team up in Dalhousie University, summing the home team were able to add three more to this before the period had gone very far. There was no further scoring in this period, the score being 7-2 in favor of the Regals.

In the third period however, the game settled down to the hard work of the first period, Mount-ain finally managed to annex a score for his team making it 7-3. McDonald again found the twine before the end of the period, and although the visiting team worked hard they were unable to make any additional score. The game ending 8-3 in favor of the Regals. The visiting team were at considerable disadvantage, because of the square corners of the rink which bothered them considerably. However, the game with the exception of a little while in the second period was as evenly matched and hard fought as the fans could have desired.

Many favorable comments of the them.

Acadia Crowned Champions Of The Sister Province

WOLFVILLE, March 22.—Acadia University basketball stars were crowned champions of Nova Scotia Saturday night in the momentous Dalhousie University, summing the score, Saturday's fixture was the second in the series of home and home games, Dalhousie having won the first in Halifax by a 31-26 score. Acadia now leads the series 65-52.

Much credit is due Prof. W. T. Osborne, physical instructor of Acadia, who since his arrival here four years ago, has taken a great interest in basketball. Mainly due to his efforts the Acadia team has been trained to its present championship form. In the game Saturday the Acadia team showed their best stuff. The game was spectacular and Dalhousie lost their championship hopes it was not because they did not play an excellent game but mostly because they were out-classed by their rivals.

Corn is painful growth, if Lowry's Corn Remover will remove them.
