FUNERAL TODAY—The funeral of the late William Walsh will take place from the residence of his son, William, 74 Bayfield St., this morning at 8.45 to St. Dunstan's Basilica, thence to the Roman Catholic Cemetery.

FIRE ALARM—The firemen responded to a second alarm yesterday morning at 11.20, for a blaze at 58 Sydney Street, occupied by Edwin Byers. A line of hose from the kitchen faucet was used to extinguish the blaze which did not cause much damage.

SUNDAY AFTERNOON Dec. 26, from three to four o'clock, the Charlottetown Male Chorus will repeat their program of Christmas Carols over C. F. C. Y. This program is sponsored by the Pure Milk Co. Ltd. L-258-12-23-31.

ILLNESS REGRETTED—Mr. William T. Wellner, 48 Winchester Street, Brookline, Mass., formerly of Charlottetown, has been under treatment in the New England Deaconess Hospital, Boston, since October last. First he had an operation on his leg and the ankle amputated. A few days ago the leg was amputated. However, he is getting along well and hopes to be able to return home in two or three weeks time.

WILLIS-ACKLAND NUPTIALS—A pretty mid-December wedding took place at Hampshire on Friday evening, the tenth, at the home of Mr. and Mrs. Stephen Ackland, when their daughter Gertrude Caroline was united in marriage to Mr. Samuel Wilbur Willis (son of Mrs. Willis and the late Hubert Willis of Kingston). Rev. Byron G. Manzer performed the ceremony. The bride who was given away by her father, was attired in a blue Deje gown with collar and cuffs of white. She wore a coronet of sunset roses and carried a bouquet of similar beautiful blooms. Miss Annie Watson of Charlottetown played Mendelssohn's Wedding March as the bridal party took their places under a blue and silver crescent arch illuminated by the light of blue candles. Forty guests were banquetted in the dining room which was decorated to suit the festive season. During the evening Miss Watson and Mrs. Frank Willis entertained the guests with musical selections. Mr. and Mrs. Willis will make their new home in Kingston.

Many Assured A Happy Christmas, Will These Be?

The names of the needy children without Santa Pals are listed below. Why not select one or more and make them happy this Christmas? It may not seem much to you but can you realize just what your contribution might mean to some forlorn little boy or girl? Did Santa Claus ever forget you in those happy bygone days? Then remember the homes that are dreary—and bring joy there at least for a short time.

REMEMBER WHEN

(By The Canadian Press)
James (Tod) Sloan, regarded as the world's greatest hockey in the 90's, died at Los Angeles four years ago today. Fifty-nine years old and originator of the "monkey crouch," he is said to have gone through a fortune. He died a pauper.

THE ART

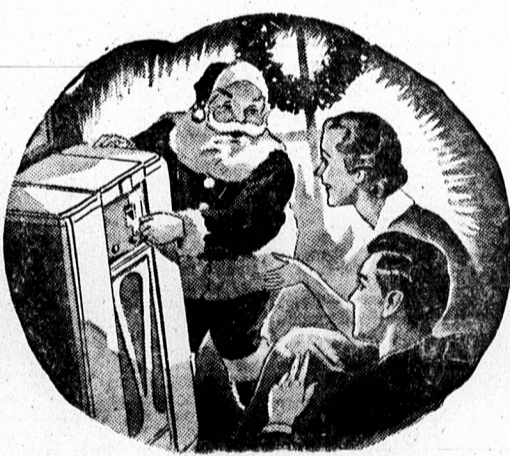

Playwright (explaining new script)—Now for the end of the second act I've got a really swell idea. The hero has been captured by bandits . . . they are trying to hang him on a tree-trunk, but nobody can find a rope. At this stage the orchestra begins to play The Lost Chord.

PERSONALS

Mrs. Harry Winchester, 17 Green to friends.
Mr. and Mrs. James H. Monaghan left yesterday morning for Boston where they will reside for the winter.
Mr. Artie Wright is home from Mt. Allison, Sackville, to spend the holidays with his parents, Mr. and Mrs. Wilfred Wright, Souris.
Hon. J. A. Matheson, C.J., K.C., who underwent a successful operation in the Royal Victoria Hospital, Montreal, is making satisfactory progress towards convalescence.
Miss Nora (Babs) McLean, daughter of Mr. and Mrs. Roy McLean, Souris, who was injured while diving on Sept. 4th, and has not been receiving treatment in Montreal, arrived in the city by Monday evening's train, and left for her home in Souris yesterday afternoon.

Observing Boxing Day

From coast to coast, the employees of The T. Eaton Company, Limited, will enjoy an extra holiday next Monday, in recognition of their fine services during the busy Christmas season.
The need for such a holiday long has been recognized in England, were Boxing Day in widely observed. The day after Christmas was so named in an era when December 26th was observed largely as a religious festival and the exchange of Christmas boxes took place on the following day.
In these days, when business pressure is much greater, the need for the holiday has become more urgent. There have been isolated cases of its observance in Canada, but the decision of The T. Eaton Company makes this the first instance of its introduction on a nation-wide scale.
Congratulations are due the Company for this additional evidence of consideration for the members of its staff. It is the more notable because that great Canadian enterprise annually sacrifices the prospect of substantial additional business by declining to keep its stores open on Christmas Eve and in many cases, any nights at all. This humane policy has been made possible by the co-operation of the buying public who have shown their approval by doing their shopping earlier in the day.
