**SEAPLANE INSPECTOR**—Word in Prince Edward Island, particularly Summerside, will be with interest that Milton E. Crossman, a native of the western coast, and son of the late James Crossman, formerly of the Customs department, is now inspector of seaplanes in the seaplane division of the United States air service at Pearl Harbor, Honolulu, Hawaiian Islands. Mr. Crossman, having taken the present office, was instructor in military training at the Kamehameha Military Academy at Honolulu.

**POPULAR WEDDING**—One of the most interesting weddings in Summerside for some time was the marriage on Friday night of Miss Frances, daughter of Thomas and Catharine, to Ernest, son of George P. and Mrs. Walker, Summerside. The marriage was performed in the home of the bride by Rev. James Macdonnell, of Summerside, in the presence of numerous relatives and friends. The bride was accompanied by her father, and the groom by his father, Mr. Charles Walker, who will have long in the memory of those who participated.

**How do we chronicle a touching scene**—the wedding of James Byrne with his beloved and loving family. Deceased was keeper of the Provincial Jail for some years past. Six weeks ago the doctor advised him to take a rest as he was not feeling well and have his wife to look after him. Not wishing to recover Dr. Toombs advised him to go to the Charlottetown Hospital, which he did not do until December 9th, his wife and father, R. Mooney accompanying him, the latter leaving after his operation on Monday, his wife remaining with him, his wife taking place on Dec. 17th.

**MONTREAL DOCTOR DISCOVERS BEST REMEDY FOR COLDS**

**IN WAS A MONTREAL DOCTOR WHO DISCOVERED A REMEDY FOR COLDS, WHICH HAS GIVEN THE BEST RESULTS. WE REFER TO DR. J. O. LAMBERT, THE SALE OF WHOSE FORMULA HAS BEEN TREMENDOUS.**

It is perhaps not generally known that the sales of Dr. J. O. Lambert's Cough Syrup surpass not only those of any other similar preparation on the market, but that the total sales of all the other patented medicines for colds probably do not reach half of the sales of Dr. J. O. Lambert's Syrup. It is so, therefore, that the sales, even millions of people, who have used this remedy, all have gained marvellous results. The sales will not continue to increase if this remedy was not truly scientific. Besides, for the last ten years, we have challenged anyone to prove that Dr. J. O. Lambert's Syrup has not the largest sale of any similar product in Canada. The fact that our challenge has never been taken up amounts to a tacit admission of the superiority of Dr. J. O. Lambert's Syrup.

Let us be guided by the scientific experience in the past. Ever since 1891 Dr. J. O. Lambert's Syrup has been on the market, and has given proof of its merit. We know, then, the honor is due to a Montreal doctor, not to anyone else, for the discovery of a scientific remedy for all throat and lung troubles, Coughs, Colds, Bronchitis, Catarrh, Asthma, Croup, etc. This remedy is Dr. J. O. Lambert's Syrup on sale everywhere, and the largest sale without exception.

A deep gloom was cast over St. Patrick's Road on December 26th, when it lost one of its highly respected citizens in the person of John A. Rodgers, an aged man of sixty years, after an illness of only one week. He was a man of excellent character, a kind husband and father, a noble companion of his fellowmen and will be greatly missed in the community. The deceased was a successful contractor and builder in Boston for thirty years. He returned to the Island, his native province, seven years ago and settled on a farm in Souris. Then he remained five years. Then he removed to St. Patrick's Road, where he resided until his death.

The late Mr. Rodgers was twice married, first to Miss Mary McKinnon of St. Peter's Bay, whom he was married to and two daughters, namely, Mrs. Patrick Halpin, Portland, Elizabeth, John and Adrian of Boston, all of whom survive.

His second wife, Miss Mary Smith, of Grand River, with no daughters, survives. Also an aged mother, who was at his bedside when he passed away. Four brothers and two sisters, namely, Daniel and Henry of Boston; James of Maine; Thomas, Mr. Mellory, P. E. I.; Mrs. John Kneebone, Charlottetown; Mrs. James Gillan, St. Patrick's Road.

During his illness he was frequently visited by his pastor, Rev. I. R. A. McDonald, who administered the last rites of the Catholic Church.

The funeral took place on December 28th from his late residence to St. Teresa's Church, where Requiem Mass was solemnized by the pastor, Rev. I. R. A. McDonald, after which his remains were laid to rest.

The pall bearers were—John W. Birt, Thomas Brazil, Francis Trainor, Charles Grant, Patrick Casey and Francis Donnelly.

**TUESDAY**

A very clever comedy, "Earl Have They Yet They Hear Not" was presented in the B. I. S. Hall, Souris, on the evening of Jan. 2, by the Dramatic Society. As the night turned out very stormy and only a small audience was able to enjoy the play, the performers have decided to repeat it in the near future.

**SUCCESSFUL AFFAIRS**—The annual Christmas Tree and Concert by the children of Souris Methodist Church, was held on Monday, Jan. 2. Though the evening proved very disagreeable, the program was well filled, and all enjoyed the well-rendered program and partook of the fruits of the two well-laden trees.

**CHARGED WITH COUNTERFEITING**—Henry McLeod, agent of Dunstaffnage, was arrested by an officer of the Dominion Police on Saturday afternoon charged with passing raised bank notes. He was brought to the Charlottetown Police Station where it is understood that he made a statement declaring that he had passed the raised notes, but that they had been given to him by two other young men. He did not know whether they were from the city or country. McLeod is reported to have passed four ten dollar Bank of Nova Scotia bills, which had been raised to \$20, by passing over the figure one to the 10, a 2 out from a \$2 note. With the one of the raised bills, it is said, he carried a pair of hockey boots, at Conroy's store, with another a package of Sen Sen for 5 cents at Johnson & Johnson's with another a bottle of ginger ale for ten cents from L. A. Hazard and the fourth bill had been changed at Jenkins & Sons. McLeod is also reported to have said that he gave these two men twenty dollars of his own good money for one of the raised bills, before he knew that the latter were passing with an effort was made to pass one of the raised twenties at Prowse Bros. but without success. McLeod is claimed to have said that all he got out of the transaction was \$9.50 and that the rest of the money went to the other two. Two of the \$2 bills from

Entered into rest at the home of his late wife, Mrs. Rook Grant, Bangor, P. E. Island, Wednesday morning, Dec. 21st, Percy E. Garrett, at the early age of twenty-six years. Mr. Garrett was a member of the 105th Battalion and was severely gassed while serving in France. Returning home he went through the different hospitals, until last June when he was discharged as cured. He seemed to be doing fine and complete recovery was hoped for, until two weeks previous to his death he suddenly became ill and gradually sank until the end came. He was a young man of rare sterling qualities, loved and respected by his many friends and acquaintances. There are left to mourn, besides his aunt, who so tenderly cared for him during his illness two brothers, Irlie in Mill View, P.E.I. and Elmer in Sask. The funeral services were attended by the Rev. J. M. Macleod and took place in St. Michael's Cemetery.

The news of the death of Mr. Lawrence MacCauley of Green Head caused a shock to his many friends and relatives. Although he was ailing for many months, all hopes were entertained for his recovery, but God willed otherwise and on the afternoon of Nov. 16th his soul peacefully passed away to its eternal reward. The Catholic Church, to which his remains were committed, was the last rites of the Catholic Church of which he was a very faithful member. Mr. MacCauley was in his 70th year and was a devoted and successful farmer. He is survived by a surviving wife and six children, one daughter and five sons, namely, Mrs. Raymond Ritchie, of Haverhill, Mass.; John of Boston, Mass.; Patrick of Haverhill, Mass.; James Lawrence and Charles at home, all so by five sister and one brother, namely, Mrs. J. **NOTES**

The Dorchester aggregation will play the Abegweits again tonight, Game starting at 8:30.

The players of both teams request that the spectators kindly refrain from smoking during the game.

The game was a very good exhibition for an opener.

The game tonight should be a good one, as the Dorchester boys are determined to take at least one victory home.

The Dorchester hockey team put up a plucky fight, despite the handicap of losing two of their star performers through illness.

A few words bearing the inscription **NO SMOKING** placed in some conspicuous places in the rink, might help the players along in their efforts towards getting the fans to refrain from using the "weed" during the game.

Of North Carleton on Nov. 25th, 1921, there passed to her eternal reward, Mrs. Sarah K. Allen in the 65th year of her age.

The deceased who had been an invalid for several years had her sufferings with Christian resignation. She trusted in Him who said, "When thou passest through the waters I will be with thee."

There are left to cherish her memory, Mr. Kier, Middleton, Rev. S. Halifax, N. S., Rev. W. North Carleton, Mrs. E. E. Hart, Liberty, Maine, and Miss Lilla who so tenderly cared for her during her long illness.

The funeral service was conducted by Rev. Geo. N. Somers, Bedeque.

The pall bearers were—Wilmot Large, Reuben Large, Urville Large, Harry Curtis, Bruce Curtis and George MacKay all relatives of the departed.

On New Year's morning there passed peacefully to her eternal reward, Mary Anastasia Bolger, beloved wife of the late John Whelan, Covehead, aged 60 years. Deceased had been in failing health for some time and through everything that medical science could do was done to combat her disease, united with the kind ministrations of a devoted family, her gentle spirit took its flight, consoled and strengthened by the last rites of the Catholic Church, of which she was always a faithful member.

Of her may be said, her life was well spent, and she has bequeathed to her sorrowing family, who but one year ago were bereaved of a loving father, an example of industry, loyalty to Christian principles, solicitude for the welfare of her family and all those virtues admired so much in a Christian wife and mother.

A Solemn High Mass of Requiem was celebrated at St. Dunstan's Cathedral on Wednesday morning.

**WEDNESDAY**

**SLIGHT FIRES**—A defective fuse caused a fire damage to the amount of \$1000 or more to the home of Matthew Richard, on Convent Street, Summerside, on Monday morning. The alarm was rung in about 9:15 and after a strenuous half hour of work, in which considerable damage was done to the roof of the building the fire was finally subdued. It is believed that the loss is protected by insurance.

The Abegweits made their debut last night in the N. B. P. E. I. hockey league, when they defeated the Dorchester aggregation by a decisive score of 11 to 4.

The game was an hour late in starting, owing to the boat having some trouble with lolly and ice in the strait, the train arriving in the city at nine o'clock.

The rink was well packed with anxious and enthusiastic spectators when Referee Herrill called the teams to the ice at 9:40. At the outset the pace set by both teams was very slow, as if each squad was waiting for the other to set the pace.

Although both teams had every chance to score, fully ten minutes elapsed before the Abegweits found the net, amid thunderous applause. This score was followed shortly by another, and before the period ended the home team piled in three more, making the score read 5 to 0.

The second period was similar to the first, the Abegweits outplaying their opponents nearly all through, and adding 4 more tallies to their count; Dorchester finding Morgan for 2. This period ending 7 to 2.

The last session was easily the best of the three, both squads at times showing splendid bursts of speed and stick-handling, but the locals were unbeatable, maintaining their lead to the end. Each team netting 2 netters in this session, with the Abegweits on the long end of an 11 to 4 score.

It is sad to have to chronicle the passing away of the pioneer men and women for they seemed to have possessed such strong characteristics, such robust health, such courage, such strong Catholic faith, such wit and intelligence (when the faculties for acquiring education are borne in mind); but a few more years, and the list of those who cleared off the primeval forests shall have been gathered to their fathers. These thoughts are recalled to us by the demise, on November 29th, of Mrs. Mary Trainor, relict of the late James Trainor of Maplewood, in the 82nd year of her age.

Deceased had been failing physically for some time, and she had retained an unusual keenness of mentality.

Her family at home, feeling soon the end was approaching, summoned her sons Reverend Thomas

An elaborate banquet was tendered the guests at 1 o'clock at which were present the clerical friends of Dr. Gauthier, who presented him with a fitting address accompanied by a magnificent cabinet of silverware, cut glass, etc. and French accompanied by various gifts, including a valuable fur coat and a purse of money. Solemn Te Deum brought the morning proceedings to a close.

**Winter Weather Hard On Little Ones**

Our Canadian winters are exceedingly hard on the health of little ones. The weather is often so severe that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheat, badly ventilated rooms, takes cold, and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They are a mild laxative which regulate the stomach and bowels, and thus prevent colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**MOTHER!**

**Move Child's Bowels with "California Fig Syrup"**

Harry, mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages, printed on bottle. Mother! You must say "California" or you may get an imitation Fig Syrup.
