The Still Alarm will give all an idea of the way the firemen work in the larger cities, their splendid equipment, beautiful horses, ever ready to respond to the call of the bell, and the way they fight a fire. All should see if they can beat our boys, at the People's Theatre tonight.

A Lewes correspondent writes:—The farmers in this vicinity are about done hauling their produce to market.—Will McKinnon has returned home from the golden west.—C. McArthur has returned home from Nova Scotia and reports times quite dull there at present.—John H. McKinnon paid a flying visit to town recently.—Kenneth McBeth of Bellevue paid a visit to his brother, J. McBeth recently.

The death of Wallace Stewart of Vernon River which occurred on December 15th., removed from that community a well known citizen. The late Mr. Stewart, who was ill for some months, sought renewed health from leading physicians even going to the Montreal General Hospital for treatment, but to no avail. He leaves to mourn a wife, two sons and two daughters.—Vernon, with Bruce Stewart & Co., city, Everett and Jean (Birdie) at home, and Lydie, Mrs. Gordon Webb of O'Leary. Mr. Orman and at the Cross Roads Cemetery by the Rev. Mr. Floyd.

A Hantsville correspondent writes we are delighted to see that our young friend, Miss Sadie McKenzie is home from Prince of Wales College for the Christmas holidays. About thirty or forty of the young folk gathered at the home of Miss Cassie McLeod, on Thursday evening of last week, to partake of an excellent goose supper, which was served by the young ladies in their usual splendid style. A pleasant hour was spent over the meal after which the young people proceeded to enjoy themselves. Music was provided by the organ and phonograph. Games were played and songs sung until the wee sma hours, when the party dispersed, each and every one delighted with the splendid time they had enjoyed. Our school is progressing very favorably under the efficient management of Miss Elizabeth MacKenzie. Some of the members of Highland Division spent a pleasant evening in Wiltshire last week. Much praise is due the staff of officers for the splendid way in which they have conducted the Division during the last three months. It is hoped that the staff to be elected for the coming quarter shall prove as capable. Our conductor was seen hurrying toward Hunter River to catch the seven o'clock train Thursday evening. It is reported that our worthy Associate is about to leave us to take a course in a Charlottetown Business College. The many friends of Neil and Mrs. Nicholson were pleased to see them in Division last Thursday night. Happy new year to all.

A political meeting was held at Peake's Station Wednesday night. Philip Mooney presided. The speakers were R. N. Cox, John McLean, A. E. Simpson AE A McDonald, J. J. Hughes and C.G. Duffy. All received a good hearing and the best of order prevailed.

The contribution on Christmas eve of over fifty dollars to Willie Gannum, messenger of the P. E. I. R. Railway, who has been ill for nearly two months with pneumonia, is another instance of the kind sympathy that the people of Charlottetown can express when trouble is prevalent. The Guardian joins with his friends in wishing him speedy recovery and a Happy New Year.

A Queen's County correspondent writes:—As two young ladies were driving along one of the country roads lately a young gentleman drove up behind them and challenged them for a race, which was promptly accepted. The lady driver pulled up the reins, they having an old campaigner of many years. He immediately struck a fast clip for about three quarters of a mile till they came to a cross road but there the young lady showed in reinmanship. It was the best race seen since the trot on Bertigan's Park.

At the police court in this city yesterday the prohibition cases against J. White and M. Murphy were continued. The case against the latter was dismissed while E. White's case will come again on Friday. Walter Munn and Thomas Doyle were charged with fighting on the streets Xmas eve but were discharged. Martin Power drunk, was fined five dollars or ten days and Peter Keenan, who arrived in the city on the Northumberland the previous night, got drunk and was promptly lodged in jail, got a similar sentence and took the lays.

A very pleasant time was spent by the children and workers of the Little Sands Presbyterian Sabbath school on Christmas night at their Christmas tree. Rev. A. J. McNeill presided and a fine program, consisting of singing, recitation, and readings was carried out. But what brought most joy to the hearts of the children was the visit from old Santa Claus, and very soon the tree, which was loaded with presents, began to get bare and the young folks were employed at being so well remembered. After being treated by their old friend to fruit and cake the children dispersed feeling happy, while the teachers and workers felt very thankful to the kind parents who had helped to make the affair the great success it was.

Practice for "Ye Deestrick Skule" this evening at half past seven o'clock in the Kindergarten.

The Rogers Hardware Company WE WISH The Rogers Hardware Company

To all our many customers and to the public generally we wish to express our sincere wishes for a bright and prosperous New Year for each and every one. The past year has been a good one for all of us in many cases but we want to make 1912 a bumper one and can do so only when we help each other. During 1912 we honestly believe you will save money and get better satisfaction if you buy your supplies in hardware from us, because, by actual comparison, our prices are much lower than you can get from any other house in Eastern Canada and, transportation charges considered, no other mail order house in Canada can beat our figures.

Since 1857 when this store was established up to today our policy has always been the same and that means "a square deal for each and every customer regardless of class, creed or color" and each of these 54 years has seen a marked increase in business, a sure proof that the policy has been a correct one.

Our right goods at the right prices and a superior store service are factors which claim your close attention and which should be carefully considered before you send your orders elsewhere.

Big Increase in Business

This present month has been a bumper one for us and we want to let the good work continue throughout the coming year. We want you to feel that this store is yours in every particular, that we are able to cater to your every requirement, that we have everything you could possibly want and that our prices mean a good saving in money for you.

We are out for a bigger business than we have ever had before and if highest quality goods, rock bottom prices and a courteous and prompt store service will bring it we are bound to have it. We are so sure that we can give you unequalled satisfaction that we invite you to compare our prices and goods with those that any other firm can offer you.

Again we wish to thank you for past patronage. We think we both have gained when you have done your shopping here.
