“LORIE WATCHES.” — C. R. Boehner, Jeweller, Montague.

Messrs. Alex Hutcheson and Sandy Reynolds, Montague, have returned from a trip to New Glasgow, on gushness.

Miss Ruth Clements, Staff of Maritime Electric Co., spent the week-end at the home of her parents in Montague.

Miss Helen Annear, Lower Montague, spent the week-end in Bridgetown where she visited her many friends.

Mr. Kingsley Shaw, Charlottetown, spent the week-end at his home in Martinville, guest of his parents Mr and Mrs. Neil Shaw.

The many friends of Mr. William Moore, Abillon, extended their heartfelt sympathy on the passing away of his wife on Saturday June 26th.

Mr and Mrs. Hurman Martin, Souris, accompanied by their two children, spent the week-end in Montague, guests of Mrs. Martin's mother, Mrs. Isaac Burden.

Mr and Mrs. George Hadlock, Whitman, Mass., arrived in Lower Montague, where they will spend the summer visiting at the home of Mrs. Hadlock's brother, Mr. William Aitken.

A very unfortunate accident occurred at the corner of the Montague-Murray road and Murray Harbour North road when a car driven by Mr. Glen MacKinnon, Murray River, collided with a truck. Mr. MacKinnon's 14-month-old son suffered lacerations about the head but is recovering satisfactorily in the King's County Hospital. Both Mr. and Mrs. MacKinnon were fortunate enough not to suffer any injuries.

During the past two weeks, fishermen from everywhere have assembled along the Montague River to try their hand at catching the big trout which are running in the river. It would be impossible to describe all the various types of tackle which are used, but the best luck so far has been obtained with shrimp. During the past week Mr. B.C. MacLure landed one weighing three pounds 9 ounces which is a considerably fair sized trout.

However, some fishermen who scorn bait, are taking them on the Silver Montreal and Par Belle. Evening fishing during the past week has been perfect with low tides at the right time, giving enthusiastic fishermen all their desired pleasure.

The first section of the Southern Kings Baseball League is now drawing to a close with a few games remaining to be played. Many of the games between Montague, Peaks and Cardigan showed some excellent baseball, featuring batting and fielding. Up to the present Montague is leading the league with nine points and one game to play. Peaks is second with five points and two games to play and Cardigan has three points with one game to play. Should the first two teams tie for first place, a sudden death game will be played to decide the first place berth. In the second section it is expected that Georgetown will enter a team, making a four-loop schedule which should provide baseball fans with many a pleasant evening. The winner of the first section will automatically hold a playoff berth in the semi-finals which are scheduled to take place during the month of August.

Her many friends will regret to learn that Mrs. Francis Fraser has entered the King's County Hospital where she underwent a serious operation. She is reported to be convalescing satisfactorily.

Mr. John Gordon, of Matthews Wells and Co., spent the day in Montague on business. While here Mr. Gordon gave the contract to Mr. James MacLeod, Whim Road for the hauling of cucumbers from the surrounding district to the Matthews-Wells plant. This is the second year that Mr. MacLeod has been awarded the contract for this purpose.

The Tanker "M. V. Elkhound" arrived in port Monday, and discharged 100,000 gallons of gas in the five 20,000 gallon tanks of the Irving Oil Company which were erected on the south side of the Montague River. This new large plant will provide gasoline for all dealers in the district. The plant is under the charge of Mr. MacClear, Montague. After completing its work here, the Elkhound left at 11 A. M. to discharge the remainder of its cargo elsewhere.

Much sympathy is being extended to Mr. and Mrs. Eddy MacDougall and family on the death of their son, Francis who was accidentally killed last week.

Many friends of Mr. Lenard Andrews are sorry to hear that he is confined to his home through illness, and they all wish him a speedy recovery.—C.

DEATH REMOVES MRS. LOUIS MCKAY

Friends heard with a deep sense of sorrow, of the death in the Prince County Hospital, on Monday morning, of Mrs. Louis McKay, of Summerside. She had been ill for several months. The deceased was the former Bessie McEwen, daughter of Mr. and Mrs. Edward McEwen, of New London.

Her passing at the comparatively early age of 42 years came as a shock to her many friends in Summerside and vicinity.

There are left to cherish her memory, besides her husband, two children, Gordon and Betty, also an aged mother and the following sisters and brothers, Mrs. J. M. Campbell, Grahams Road, Mrs. Duncan MacGowan, Malpeque, Walford P. and Herbert S. of Campbellton, New London.

The funeral took place from her late home, 178 Belmont Street, to the United Church, where service was conducted by Rev. K. G. Sullivan, who was assisted by Rev. Gordon Stevens of Margate. The hymns sung were: "The Lord's My Shepherd" and "Abide With Me." A solo "Some Time We'll Understand" was sung by Mrs. John Hogg. Burial took place in New
