Charlottetown lost an estimable citizen yesterday in the death of Alexander McKenzie, the well-known confectioner, who passed away after a short illness. He had reached the advanced age of four score years and two and during a long and active lifetime, enjoyed the highest respect of those who knew him and was regarded by all as an upright man whose integrity none could doubt. For many years he carried on a large confectionery business on the lower part of Queen Street in the building where the Telephone Office now is. In later life, he was engaged at Carter's confectionery store, where he remained until his demise. He was an industrious citizen and his activity was such that those who knew him could scarcely realize that he carried with him such a burden of years. He was a prominent Mason and was Worshipful Master of Victoria Lodge in 1870, 2 years ago. His funeral will be under Masonic auspices and his death is the second break in Victoria Lodge ranks for nearly two years. Two sons, Thomas J. and Alexander R. and three daughters, Florence D. and Mrs. S. T. Gardiner, all of whom reside in the United States, are left to mourn their loss. They were present at the end. The Guardian tenders sincere sympathy to the bereaved. The funeral will take place on Friday morning at 11 a. m., instead of Thursday as announced, from the residence of Mrs. W. F. Carter, Queen Street. Rev. T. F. Fullerton will officiate.

WOULD START AT THE LEAST NOISE.

Wherever there are people who are troubled with deranged nerves they will find that Milburn's Heart and Nerve Pills will restore the equilibrium of these deranged centres, and bring back the shattered nervous system to a perfect condition. About a year ago I was very badly run down and could hardly do my work. I tried different medicines but none of them did me any good. I was terribly nervous, and would start at the least noise, and even start in my sleep, which made me very weak. I used two boxes of your pills and I am now well and strong again." Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25. For sale at all dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The congregation of Alberton, P. E. I., rejoices to look back on the year 1911 as one of the most successful in its history. The old church, endeared to so many, by the sacred memories of Rev. Allan Fraser and Dr. Arthur Carr, has been completely renovated. A new cement foundation has been built, a new furnace installed, and the whole building has been tastefully painted. The amount raised for congregational expenses, including these improvements, was \$2250. True to its old record, the congregation, while caring for its own church, did not forget the wider interests of Christ's cause. The sum of \$550 was raised for the schemes of the church. When it is remembered that the congregation only numbers 70 families, these figures are abundant evidence of their loyalty to the Master and of the grace of liberality in their hearts. The work of the pastor, Rev. Geo. Miller and his wife was generously recognized. Mrs. Miller received from the ladies of the congregation a very handsome mahogany bureau and chair, while the choir presented Mr. Miller with a Persian lamb collar. Both pastor and people rejoice in the blessing which has rested upon their work, and look hopefully forward to the year 1912, as a day of larger vision and richer manifestation of the Master's presence.—Presby. Witness.

The deep regret and general sympathy felt on the death of Harry Lowe, Charlottetown, was evidenced plainly yesterday afternoon when the remains were laid to rest in the Peoples Cemetery. A very large number followed the remains and the floral tributes were in numbers and beauty large and magnificent. Rev. Mr. Murphy conducted the service at St. Paul's Church and the grave and the following were the pallbearers:—H. D. Waller, A. White, Ed. McKie, J. W. Stanley, Parker Ritchie and Robert Nicholson.

The closing of the weekly whist club of the Ladies' Auxiliary of the League of the Cross, Charlottetown, was held on Tuesday evening. The attendance was large and an enjoyable time was spent. At the close of the evening fruit and confectionery were passed around and a social half hour spent. An impromptu program was pleasingly given consisting of vocal solos by Mr. Desmond and Wm. McDonald, accompanied by Miss Dolly Desmond, speeches, etc. The ladies' prize, a beautiful jewel case, was won by Mrs. Desmond and the gentleman's prize, an inkwell, by Mr. Desmond.

The marriage of Frederick Blake, son of Maurice Blake of Charlottetown, to Miss Rita Farquharson, youngest daughter of the late Hon. Donald Farquharson, Charlottetown, took place at High River, Alta., on February 20th. The ceremony was performed at the home of the bride's brother, Charles Farquharson, at six o'clock in the evening, in the presence of a few immediate relatives and friends. After the ceremony Mr. and Mrs. Blake left on a honeymoon trip to the coast. They will be absent about two weeks and on their return will make their home in High River, Alta.

A Montreal Star of recent date contains a photo of R. S. Lea, son of the late W. C. Lea, Tryon, and the following article in reference to him: "R. S. Lea returned last night from a two weeks' trip, during which he visited several of the principal cities of Canada and the United States. When asked by a reporter if he would accept the nomination of the Citizens' Association as their candidate for the position of controller, made vacant by the resignation of Mr. Wanklyn, Mr. Lea said: 'I only learned of the honor conferred upon me when I read the Star on my arrival last night. I cannot say anything until I receive official information.' Mr. Lea's most personal friend said: 'He won't accept.' F. L. Wanklyn and Dr. Lachapelle today said that they were acquainted with Mr. Lea and each expressed the opinion that he is fully qualified for the position. George Janin, the city's chief engineer, paid a tribute to Mr. Lea as being a man of sound judgment and a fine engineer."

The marriage of Miss Estelle McLean, third and youngest daughter of Robert McLean, proprietor of the Sureka Hotel at Alberton, and W. Ernest Lewis, station agent at Vernon on River, took place on Tuesday morning at five o'clock at the Sacred Heart Church, Alberton, Rev. F. L. Connolly performing the ceremony. The bride who was becomingly attired in a travelling suit of brown with hat to match was attended by Miss Jean Lewis, sister of the groom, while the groom was supported by Michael Cahill of Alberton. Immediately after the ceremony and breakfasting at the home of the bride the happy couple left by the early train on an extended trip; a large number of friends being at the station to wish them a bon voyage. Their itinerary will include Chatham, N. B., where the bride has many relatives, also Montreal and Toronto, returning to their future home in Vernon River in about three weeks.—A. dangerous prowlers.

WOMAN'S MOST SUCCESSFUL MEDICINE

Known All Over The World—Known Only For The Good It Has Done.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

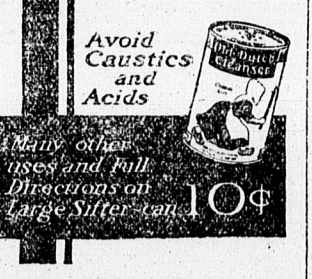

Fox Creek, N. B.—"I have always had pains in the abdomen and a weakness there and often after meals a soreness in my stomach. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better and I can work with ambition. I have encouraged many mothers of families to take it as it is the best remedy in the world. You can publish this in the papers."—Mrs. WILLIAM S. BOURQUE, Fox Creek, N. B.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, many of whom state that it has saved them from surgical operations.

will clean Pots & Pans Perfectly

Do away with the old-fashioned, arm-tiring method of scraping. Old Dutch Cleanser saves you both labor and time. The fine particles will immediately loosen and remove the grease and the hardest "burn-in" crusts which soap, soap powder and scouring brick only imperfectly wear off after long, hard scraping. An "old-fashioned" cleaner for every part of the "kitchen-sink" house. Strictly hygienic.

Mrs. John M. Rattenbury, and young son Nelson, Charlottetown, are visiting the former's mother, Mrs. Ephraim Bell, Cape Traverse.

Mrs. Miller who has been spending the winter with her daughter Mrs. Rev. G. P. Camp, Kingsboro, left St. John's yesterday morning en route to St. Louis.

John G. McDonald, a lineman of the C. P. R., who has been visiting at his former home in Cardigan for some time past, came to Charlottetown yesterday and left last night on the mail special to Cape Traverse en route to Winnipeg.

Mr. Sweeney, Chepstow, had a hauling frolic Tuesday from New Harmony. A goodly number of his friends were present and despite the bad condition of the roads enough excellent hardwood was landed at his home (to last as firewood) for many months to come.

Much regret is felt in Georgetown over the sudden death at Pasadena, Calif., of William Renton, eldest son of the late John Renton and nephew of respected Alex. Renton. The deceased was indeed a model young man and the sympathy of the whole town goes out to the mother, sisters and brothers, as well as to relatives here and elsewhere.

The young people of Cherry Grove and surrounding districts had a delightful dance at the residence of Frank McVarish, Cherry Valley, on Friday evening, the 16th. The affable manner and genial hospitality of Mr. McVarish is well known but on this occasion he excelled himself, and everything possible was done in the way of making everybody present enjoy themselves. At the close of the entertainment one of the young men present moved a vote of thanks to Mr. McVarish for the use of his residence for the occasion and for the numerous courtesies extended to each and every one present.

On the 16th inst. while John and Peter McInnis of Goose River were engaged in cutting trap rows in the vicinity of Fox River, on an elevated piece of ground near the river where they came near a hollow birch tree which proved to be the home of four wildcats. When nearing the place one of the infuriated beasts rushed out and seized Peter by the leg inflicting an ugly gash above the knee. John dispatched the animal with his axe while the other three escaped into the trees nearby. In the meantime the neighborhood was alarmed and Lang McCormack nearby a posse of men started out and shot the remaining three animals. The animal that John killed measured two feet from the top of his tail to his head but was so mutilated by the axe as to render its fur worthless.

The leap year dance held at the hospitable home of John O'Healey, Monticello, on the night of February 19th, under the auspices of the youth and beauty of the surrounding district, was a decided success. Excellent music was furnished by Ronnie McEhee, Leo Gillis, John J. McDonald, St. Margaret's, Angus McKinnon, Neil McCormack, and Laughlin McIntyre of Monticello, Hugh J. McIntyre, and Neil McPhee of Selkirk. Needless to say everyone enjoyed themselves to the utmost. The step dancing deserves special mention and good dancing masters have seldom seen such exhibitions. Any one who has ever attended an entertainment in that section need not be reminded of the good time they had.

Miss Ruth Ryan, Charlottetown, is visiting in Summerside the guest of Miss Irene Noonan-S.

The funeral of the late Andrew Doyle, Charlottetown, who passed away recently in New Waterford, C. B. took place yesterday and was very largely attended. Service was held in St. Dunstan's Cathedral and interment was made at the R. C. Cemetery.

The Women's Missionary Aid Society of the Charlottetown Baptist Church, had charge of the meeting in the Baptist School Room last night. There was a good attendance and the ladies gave a fine programme. Pastor Fash presided. W. B. Duffy sang a solo very pleasingly. Mrs. Dobbie and Mrs. R. H. Jenkins gave missionary readings with good effect. Miss and Mr. Acorn gave that favorite "Face to Face" as a piano and cornet duet. Miss Duckendorf gave a contralto solo in fine voice and Miss Blanche Boyver and W. B. Duffy closed the programme with a beautifully rendered duet. Pastor Fash spoke briefly on the importance of Missionary Work. A liberal offering was taken for missions at his really fine service.

The following has been sent to Janie and Robert Hill, Fredericton, P. E. I.—Since it has pleased Almighty God in His allwise providence to remove from you, your kind and loving mother, we on behalf of the members of Refuge Division, wish to extend to you our sympathy, on this sad occasion. We know you will miss the wise counsel of an affectionate mother. Kind words are of little avail in sorrow, but we would direct you to him who doeth all things well and hope that we may all meet in that City of Rest, where sorrow is never known and where love and harmony reign forever. Signed in behalf of the members of Refuge Division Minnie Weeks, Howard Rackham—Committee.

The annual banquet of Excelsior Institute was held at York last night and was a great success. The hall was tastefully decorated and the tables were set with the ribbons which the members had won at Exhibitions in 1911. On the walls were the following mottoes: "Conveyed to the stranger the spirit prevailing the people." "Prince Edward Island, the only place where poverty does not exist." "The farmer is the man who rules in Canada." "Farmers consider, why go West?" "Prince Edward Island farm products amount to \$1,000,000 annually." "Excelsior still exists." "Cooperation is good for the farmer." Excelsior Institute won in 1911 prizes to the value of \$1,913.00 at the Provincial Exhibition \$446.00, Halifax Exhibition, \$475.00, St. John, \$247.00, Amherst, \$500.00, P. E. I. Fair, \$50.00, Seed Fair, \$200.00. The banquet was a decided success and the institute is to be congratulated on its success on the progressive spirit exhibited alike by the officials and members.

P. E. Dench, Manager of the Canadian Bank of Commerce, Charlottetown, who leaves shortly for St. John's, Nfld., was entertained at luncheon, at the Blake Hotel, Charlottetown, Wednesday afternoon, by his fellow members of the Newstead Gun Club. F. W. Hyndman, President of the club was at the head of the table, and P. R. Heartz, Vice President, was at the opposite end. Other present were—R. B. Rossborough, H. S. Pethick, A. W. Hyndman, Thos. President Hyndman then read a complimentary address to Mr. Dench in which, the members of the club expressed their regret at the departure of Mr. and Mrs. Dench from Charlottetown, where they will be greatly missed in social circles. Mr. Dench had been three years a member of the Gun Club, and all members could testify to his geniality and gentlemanly qualities. They heartily congratulated him on his promotion, and wished him a generous measure of success in his new field of labour. On behalf of the Club Mr. Hyndman then presented Mr. Dench with a solid silver souvenir, beautifully engraved, and bearing his initials in monogram. Mr. Dench made a suitable reply to this tangible token of good will and esteem. Remarks were also made by Vice-President Heartz.

THOUGHT COLD WOULD TURN INTO CONSUMPTION

LEFT LUNG GOT VERY SORE, HEART DID NOT FEEL ANY TOO GOOD.

Mr. Robert McLarron, Shawville, Que., writes: "I am writing to tell you an experience I had with a bad cold and a bottle of your valuable medicine. I was up in the lumber camps teaming horses, and I caught a very bad cold. I thought it was going to turn into consumption, for my left lung got very sore and my heart did not feel any too good. I came home and tried some different remedies but they did me no good. A friend told me about Dr. Wood's Norway Pine Syrup, so I tried it, and when I had taken two bottles my cold was gone. I think it is a great remedy, and I advise any one with a cold to use it. I can't praise it enough."

Dr. Wood's Norway Pine Syrup contains all the lung healing virtues of the Norway pine tree, which combined with Wild Cherry bark and other pectoral remedies, makes it one of the greatest known preparations for Coughs, Colds, Bronchitis, and all Throat and Lung Troubles.

Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Managers Rossborough, Coombs and others. A toast to Vice President Heartz, was then drunk, and references made to his valued services.

Conservative victories have lately been so rare in this province especially so in the second district of Queen's that conservatives there may well be pardoned for honoring such an event. It was for the purpose of celebrating the recent Provincial Conservative victory as well as doing honor to the successful candidates in the second district of Queen's that about sixty electors of New Haven and vicinity, with their wives, sisters, cousins and aunts, etc., assembled at the residence of Michael Devereux on the night of February 8th. The evening was fine, the accommodation at Mr. Devereux's was ample, and indeed everything seemed to contribute towards making this the most successful country banquet ever held in the Province. Music was in evidence in different rooms of the house.

One might hear the bag-pipes, which were played by Mr. McDonald, the organ, which was played by several members of the fair sex, or the violin and accordion, played by some of the young men. Various amusements were participated in to the delight of everyone present and all had an opportunity to tip the light fantastic toe. The large diningroom, too, was a scene of beauty and here, as elsewhere, all enjoyed themselves. Everything necessary to tempt the appetite was provided in abundance. A feature of the varied program was short speeches by T. Cass, M. McNeil, A. McLaughlin, Walter Shaw, Charles McNeil, Geo. McDonald and others. At an early hour on Feb'y 9th the party broke up with three cheers for the representatives and

three more for the rejected host. The efforts of the committee made the arrangement for the banquet and of the ladies who so kindly assisted were much appreciated by those present. Mr. Hazen goes to Washington in connection with this affair, his visit pending upon a voluminous correspondence with the subject. The present trip of the minister of marine and fisheries, indicates that the Canadian and United States governments have at last come close enough to a definite understanding in regard to the proposed regulations to warrant a personal interview between representatives of the two countries. At this interview, or at will take place next week in Washington, it is expected that a final and satisfactory arrangement will be made. Draft regulations as suggested by the Canadian government and have been exchanged through Right Hon. James Bryce, British ambassador at Washington, and the ambassador here arrived at something like a common ground. During his stay in the United States capital, the minister of marine and fisheries will likely go over with the ambassador such international fishery matters as still remain outstanding.

During three years I have used Herbageum regularly for my herd of hogs, and I find it excellent for the appetite and for keeping them in a healthy growing condition. At about five months I averaged good bacon hogs of from 140 to 180 lbs., live weight. I use it for my young pigs from the time they are weaned till after the shows; if not for show purposes, until they are three months old. For calves it has proven to be the best preparation I ever used. When fed regularly it keeps them in a healthy, hearty condition, is a positive preventive of scouring, and a perfect bowel regulator, and with its skim milk is equal to new. I have also used it for horses out of condition, especially if they had worms, for which I find it a certain remedy. It is positive death to intestinal worms. J. W. CALBRICK, Augustin Cove, P. E. I.

Herbageum is the very best thing that can be given milk cows. It is a great advantage both before and after coming in. It will help cows weak in the knees; it is a good preventive of scouring and as a preventive of constipation it is even better. It maintains a cow in flesh when milking heavy and for increasing quantity of milk there is nothing equal to it. I have had good results feeding it when pasture was poor. Crapaud, P. E. I. I have used Herbageum with cows at calving time, also found it satisfactory for horses, and customers speak well of it. Flat River, P. E. I. R. K. MCKENZIE.
