LUNCH COUNTER

Everyone has to eat and the more we enjoy ourselves the better it is for our digestion and the better appetite we develop. That naturally suggests something to eat and Old Home Week and Provincial Exhibition management have equipped a Horse Shoe Lunch Counter next to our restaurant under the back of the grand stand. It will be prepared to serve you with hot tea and coffee, sandwiches of various kinds, pies, doughnuts, ice cream, etc. See for yourself what a nice little spot this is.

RESTAURANT

Our restaurant is prepared to cater to a larger number of guests this year than ever. It will serve meals exclusively, both dinners and suppers, and will be under the most capable management. For those who find it inconvenient to go to the city they will be well taken care of in this restaurant.
