A brief but very choice program was enjoyed by all. Mrs. J. A. Lawson gave two very lovely soprano solos, Miss Lillian McKenzie, contralto gave two charming numbers, and Dr. Green two readings which were much appreciated. Miss McKenzie supplied the accompaniment for the chorus singing. The appreciation of the church for the services of the choir was eloquently expressed by Mr. E. Sterns, while Dr. Yeo fittingly responded. A short address by Dr. Vincent, and the National Anthem closed an enjoyable occasion. Mr. J. A. Clark was the efficient presiding officer.

A social evening is being planned for this month. A guessing contest was part of the programme for the evening. Luncheon was served by the hostess Mrs. Wonnacott invited the members to her home for May meeting, when roll call will be answered with Gardening Hints. (Patriot please copy).

R. C. N. V. R. DANCE—The initiation of the Royal Canadian Naval Volunteer Reserve into the life of the community, and the official housewarming of the Navy League building under a new dispensation took place last evening in the form of a dance, the first which the unit has put on. The new headquarters, recently taken over by the Charlottetown half company of the R. C. N. V. R. was tastefully decorated and laid out for the occasion. The scheme adopted was most original and novel. The replica of the bridge of a man-of-war complete with port and starboard lights, steering wheel and search lights greeted the eye on entrance. The searchlight was operated as a novel departure during the function. Further forward was an alcove roped off for the orchestra, and the gun room rigged out as a "sitting out" room. If the preparations which the Charlottetown half company have made are an indication of their efficiency in drills a bright future is in prospect for the young organization. The function was well attended, and its success was made possible in no small part by the music of Freemando's Orchestra.

ANNUAL MEETING—The annual meeting of the Catholic Women's sub-division of St. Anne's parish was held on April 6, with a large attendance. There was also present the Honorary Chaplain, Rev. Leo. Herrell. The meeting opened with prayer. Then the president, Mrs. J. J. Murray gave a brief report of the various work that was done since the organization of the League. The Secretary Treasurer gave a report of the financial part of the work, showing that the sum of $5.00 had been raised by the sub-division during the short time of its organization, while $200 had been disbursed, leaving $300.00 as first payment towards our new altar. It was decided on account of the league being organized such a short time that all officers be re-elected, it being put to a vote of the house and carried unanimously. The third Vice-president, Mrs. James Coady resigned and Mrs. Patrick Murray was elected in her place. The following is the election of officers for the ensuing year: President, Mrs. James J. Murray, (re-elected); 1st Vice-president, Mrs. J. McManus (re-elected); 2nd Vice-president, Mrs. M. McManus, (re-elected); 3rd, Vice-president, Mrs. Patrick Murray, (re-elected); Secretary Treasurer, Miss Mary Trainor, (re-elected); Recording Secretary, Miss Mary Murray, (re-elected); Corresponding Secretary, Mrs. Patrick Clarkin, (re-elected). He congratulated the members on the splendid work that was done, and he was very pleased to see the friendliness and co-operation that existed among the members. Short speeches were given by several members. The meeting adjourned.

Aged Man's Thrilling Experience

On Wednesday at ten o'clock Mr. Angus Gillis, aged 91, of Junction Road near Hartsville, left his home for the woods intending to cut some wood.

As he did not return that evening his relatives became uneasy and a search was at once instituted, a large number of people from surrounding settlements taking part.

They scoured the woods for miles around without succes until Thursday at three o'clock in the afternoon when the missing man was found by Mr. Stirling MacLean of Junction Road.

Mr. Gillis fortunately was little the worse of his experience.

He had nothing to eat during two days and a night but he kept himself warm by cutting the brush and piling it over him as he slept.

Relating his experience Mr. Gillis said he became lost in the woods and wandered in a wide circle being found about two and a half miles from his home. Even when his rescuers reached him he said he was all right and wanted to walk home.

He must have wandered about five miles before he was finally located.

When found he was at work cutting brush to make a bed for himself for the night.

Mr. Gillis, although with a crippled knee, is remarkably active for his age and does his own farm work alone.

Last winter he cut all his own supply of firewood alone.

Acadia No Match For The Adanacs

New Westminster Hoopsters Again Clinch Dominion Basketball Title.

(Canadian Press)

WOLFVILLE, N. S., April 25.—For the second successive year New Westminster Adanacs are basketball champions of Canada. The far westerners won the title here tonight, when they defeated Acadia University, Eastern Canada champions for the second time. The score tonight was 34-16 and the Adanacs took the series by a total of 60 to 42, having won the first game played last night 26-23.

The 1929 champions were easily the masters of Acadia tonight and were never in danger of defeat. The winners took the lead right at the start and were never headed by the Acadians. At half time, New Westminster enjoyed a six point lead on the game and a nine point advantage for the series, the score being 15-9.

They increased their margin of victory in the second half by outscoring the collegians 19 to 10. Following the game George Nowlan, M. P., for Kings, presented the cup emblematic of the Canadian championship, to Captain Dug Fraser, of the Adanacs. Captain G. Fraser replied fittingly.

The entire New Westminster team played like the champions they are, but Wally Mayers again captured the individual scoring honors with a total of 15 points, including seven field baskets and one penalty. He was closely followed by his team mate McEwen, who droped the ball through the hoops for ten points, five field goals.

Matthews led the locals with seven counters, getting three field and one foul basket. Eville played a great game on the Acadian defensive and was outstanding for the losers. The "westerneres" changed their style of play slightly tonight and did not employ the bounce pass to the extent they did last night. The drove their passes hard and fast and did considerable faking with the ball. Acadia tried their best, but they were up against a better team tonight. They missed many golden opportunities to score and Matthews, MacKenzie and Trask had considerable hard luck with some of their shots. During the last few minutes of the game Acadia played a man to man game in an attempt to cut down the lead of the "westerners."

New Record

The management of the new rink at Kensington has been bragging very justifiably and to some extent over the fact that skating took place there on Thursday, April 17th; but the Victoria rink has gone Kensington one better. On Monday evening the 21st inst. the ice was in splendid condition and a large crowd enjoyed an excellent evening's skating. The Victoria boys say "try again Kensington, as you did in the McLean cup contest."—S.

Boxing

Sir:—Being one of the boxing promotors of the bouts held in Arena Rink on Wednesday April 23rd, in aid of the Anchor baseball team, I read with surprise a statement which appeared in the sport columns of the Patriot April 23rd., headed "Ivan Nicholson Not Boxing."

I take exception to some of the statements. Does Mr. Nicholson think you can stage boxing bouts without using names or advertising? Up to the evening of April 22nd., Mr. Nicholson had agreed to box Mr. Connolly, said bout to be main bout of the card. At 8.30 p. m., on April 22nd., word came over the radio that Nicholson, was not going to box. At 11 o'clock same evening Mr. Nicholson denied having any knowledge of the radio report, but hinted that some influence was being brought to have him withdraw. He said he would give us final word at 1.30 o'clock on 23rd, and I believe he did so. That did not give us much time to substitute. Now why should Mr. Nicholson not come out with the truth and tell us who was knocking these bouts. We have our suspicion but want facts. The last statement in the Patriot, states the promotors may be brought in touch with police. I never throw down a challenge like that. Knowing I was right. I say we had Hickey Nicholson's verbal agreement to box Jack Connolly on night of April 23rd, until his withdrawal at about 1.30 p. m. April 23rd., for reasons unknown to us.

I am Sir, etc.,
EDW. NICHOLSON,
One of Promotors.
