Something New For Spring

This is the cry we hear about this time of the year, and it is only right. When nature is renewing itself, why should not man renew his apparel. If he wants to succeed in his line of business, (no matter what it may be) he must, look the part, because a man is judged by his appearance, if his attire is correct he will command the respect of his fellow man, and (women also).

Think the matter over and when you have decided come to us and see what we can do for you in the line of clothing, you will be more than repaid for your trouble, for we have the goods, and have a knack of putting them up that make their wearers look prosperous, and up to date.

Aquiri

40.051

Aquiri is a beautifully gaited, level-headed natural born trotter. The rich inheritance of speed and all other race-winning qualities that he has received from both Sire and Dam should enable him to become the most successful Sire of early and extreme race-winning speed in the Maritime Provinces. Most of the disappointments in breeding trotters are the results of foals throwing back as it istermed, and inheriting the characteristics of one no-account ancestor, three or four and sometimes even more generations away. Not a single no-account animal can be found among the ancestors of Aquiri, hence when a foal by him inherits the characteristics of some of his remote ancestors it cannot be otherwise than a good one at fatority.

You can get a living foal from Aquiri the coming Sire of futurity winners for only $15 $10.00 cash when mare is bred.
