WANTED—A case of headache that KUMFORT Powder will not cure from ten to twenty minutes.

THE SHRINKING PIG.

Sir,—For some time past there has been a discussion going on in our Provincial press, anent the dishonesty of our farmers, and The Island Farmer caps the climax in its issue of the 11th In an editorial reference to the matter based on the authority of Capt. Joseph Read who started this discussion, figures are given showing a shrinkage of from 20 to 25 lbs per hog in freighting from Summerside to Charlottetown a distance of 47 miles, A shortage of this extent to our mind is a perfect absurdity. There are other ways of accounting for this difference. Capt. Read's scales may be out of balance or again the scales upon which they were weighed in Charlottetown may be astray, or again Capt. Read may have struck upon a new breed of pigs having an immense capacity for swill. Evidently according to the Island Farmer and Capt. Read, the farmers in the vicinity of Summerside are a rather unregenerate race. Well, to meet those people, nearly any one would have quite a different opinion. While sympathising with Capt. Read for the loss he has made, we all must be sorry for the poor pig that found him or herself shrivelling up at the rate of 12 to 15 lbs in an hour.

In conclusion, Mr. Editor the farmers of Summerside and vicinity ought to be grateful to you for ventilating this matter and saying a word in their defence. You will likely hear more about the matter before long.

Yours,
A. F. LARKIN.

AT DEATH'S DOOR.

The Story of the Recovery of Miss Falford of St, Elie.

She Says "I am Confident that Dr. Williams' Pink Pills Saved My Life"—Hope for all Weak, Sickly Girls.

To be well, to be strong, to possess a clear complexion, bright eyes and an elastic step, the blood must be pure and filled with life-giving energy. When you see pale, sallow, sickly girls, easily tired, subject to headaches, backaches, and violent palpitation of the heart, it is the blood that is at fault, and unless the trouble is speedily corrected the patient passes into that condition known as "decline" and death follows. The one sure positive way to obtain rich, red health-giving blood is to take Dr. Williams' Pink Pills. This medicine has saved thousands of young girls from a premature grave. Strong proof of this is offered in the cure of Miss Zenaide Falford, of St. Elie, Quebec. Miss Falford tells the story of her sickness and recovery as follows: "Like many other Canadian girls, I went to the United States and found employment in a factory at Woonsocket. The close, indoor work proved too much for me and nearly ended in my death. At first I was taken with headaches would tire very easily, and had no appetite, and no energy. I tried to continue the work, but grew worse and worse, and finally was compelled to return to my home. I was so much changed and so emaciated that my friends hardly knew me. Two weeks after my return home I was forced to take my bed. I had a bad cough, was distressed by terrible dreams, and sometimes passed whole nights without sleep. Two doctors treated me, but without avail, as I was steadily growing weaker; in fact I could not hold my hand above my head for more than three or four seconds, and had to be turned in bed. No one expected I would get better, and I thought myself I was about to die. At this time my brother came from Montreal to see me, and urged me to try Dr. Williams' Pink Pills. A supply of Pills was procured, and I now bless the day I began taking them. It is enough to say that before three boxes were used I began to feel better, and from that on I grew stronger every day. By the time I had taken nine or ten boxes I was once more enjoying the blessing of perfect health. No symptoms of the old trouble remain and I am confident Dr Williams' Pink Pills saved my life."

Pure blood is the secret of health and it is because every dose of Dr. Williams' Pink Pills make new, rich blood, that they cure such desperate cases as that above related. These pills cure all the troubles that arise from poor blood—and that means most of the ailments that afflict mankind. Give these pills a fair trial and they will not disappoint you. Sold by medicine dealers everywhere, or sent by mail, post paid, at 50c. per box or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
