## Annual Meeting of Live Stock Association of Canada

During the first week of February practically all of the pure bred live stock associations of Canada met at Toronto to hold their annual meetings. Hundreds of prominent stock men from every province of the Dominion met daily in consultation over the various problems that were of interest to their particular breeds. Brother breeders from the far east and west rubbed shoulders told stories exchanged experiences, and became acquainted with conditions in each other's land; a good spirit of fellowship maintained throughout the entire series of meetings, encouraging increases in membership and in registration and transfers of ownership of animals of nearly every breed was reported, showing the deep interest being taken in the breeding of improved stock. Demand for high class animals was never so great, showing that owners and feeders are producers of all classes of animal products are fully alive to the importance and economy of using only breeding animals that have been bred and raised for special purposes. These are the men who are doing big things for Canada. The value of the improved blood sent out into every part of the Dominion by these men each year is almost inestimable; these are the men who are largely responsible for the increasing yearly average of production of our dairy cows, of the increasing quality of our wool and mutton, of our improved bacon hogs and all other animals of our farm. Progressive programs were adopted for 1920, one of which was the voting by the Holstein and Shorthorn associations of one third as much money as was offered by any provincial exhibition to their breed; that is special prizes, equalling one dollar, for every two of the fair board

## WOMEN EVERYWHERE

PRaise LYDIA E. PINKHAM'S VEGETABLE COMPOUND AS THE GREATEST REMEDY FOR WOMEN'S ILLS

New Haven, Conn.—"For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does, others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, 37 Sea Street, New Haven, Conn.

The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of food old fashioned roots and herbs which act directly on the female organism.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound. Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years' experience is at your service.

for these breeds. Those men evidently believe that provincial agricultural shows are worth while. They are men who fully understand the benefit of breeders meeting in yearly competition and the encouragement given by such competition for the further improvement of stock owned by such men. This, they are fully aware, is the best possible means of keeping the breeders keyed right up to the limit in seeking still better sire. And when they as a body vote to yearly expend the greatest part of their surplus for such purposes, it should convince the few sceptics that there must be something of great value in connection with a provincial or inter-provincial exhibition. Pure bred and high grade stock are selling today as never before. Every intelligent farmer is either raising them or endeavoring to get into line. No scrub sire should be tolerated longer. If improved animals are more profitable why not raise them, and if a pure bred sire is half the cost of a scrub, why not by the purchase of one have them half pure at least.

## SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. At all druggists, 50c a box.

Look for the name Gold Medal on every box and accept no imitation.

W. M. LEA,  
Commissioner of Agriculture.

Some men don't care whether they ride in an automobile or a patrol wagon—just so they get a ride.
