DOLLY OF THE DAILIES will be shown at the People's to-day. 9922.

CRUISER CANADA.—The cruiser Canada "put" into Georgetown on Friday and has lain there since. She leaves that port this morning at 4 o'clock for Pictou.

THE WINTER STEAMERS.—The Stanley docked in Charlottetown yesterday at 11 a. m. and the Minto reached Pictou at 10.40 a. m. They both leave this morning. The steamers met only a little loose ice in crossing.

SCARLET FEVER.—One of the members of the crew of the cruiser Canada became ill with scarlet fever and was taken to Charlottetown from Georgetown on Friday and removed to the Marine Hospital at Keppoch. Yesterday he was doing so well as could be expected.

THE NORTUMBERLAND.—The s. s. Northumberland arrived in Charlottetown from Pictou, with a full cargo at 8.50 o'clock yesterday morning. She leaves here early this morning for Pictou, with cargo, and if conditions are favorable, will make a return trip.

THE BRANT.—The C. G. S. Brant left Georgetown Monday morning for Georgetown, but near Wood Islands she got stuck in the ice and had to turn back. Considerable ice drifted into Georgetown harbour yesterday, but the Brant will try again to-day for Charlottetown.

MAGDALEN ISLANDS.—The D. G. S. Princess, of the Fisheries service, which has been in Charlottetown harbour for the past week, leaves this morning for the Magdalen Islands. She will go round by way of North Cape being unable to get through on the Southern side on account of the ice.

SUCCESSFUL VOCALISTS.—Their friends in Charlottetown will be glad to hear of the success of Messrs. De Witt Cairns and Arthur Huskins in Halifax at L. A. Acker's Theatre. They sing both in duet and solo and on each appearance get an enthusiastic reception. Both these gentlemen became quite popular here during their engagements at the Prince Edward Theatre.

ANOTHER ISLANDER.—Among those enlisting for the front abroad is Mr. Robert Small, who is aboard the Boyl's Yukon Contingent, Hastings Park, Vancouver, B. C. Mr. Small formerly belonged to Prince Edward Island and is a son of Mrs. Jane Small. "Bob" as he is known among his friends, left here about thirteen years ago for the Yukon where he served his time with the Canadian Northwest Mounted Police.

ANOTHER TOURISTS GUIDE.—The province is under a deep debt of gratitude to the present management of the Intercolonial Railway for the amount of attention it has given to advertising the island as a tourist and summer resort. The latest "fold" is an elaborate affair, brightly written and attractively illustrated with maps, and reproductions of photographs supplied by that prince of island amateur photographers, Mr. W. S. Louison. It will not be for want of literature on the subject that the province is not a popular health resort this coming season.

HOME GUARDS.—No. 2 Company Home Guard had an excellent drill and last night at the Drill Hall under command of Captain Landrigan and Lieutenant Baird. About 30 responded to the roll call. After an hour and a half of company drill Colonel Moore, who was present, addressed the men, congratulating them on their drill and their patriotism. In the defenceless condition of Charlottetown at the present time, he said, there was need of a larger response to the Home Guard movement and he was in hopes that at least 300 or 400 men would respond to the call for service. He regretted that the men who had signed the service roll had not been more faithful in turning out, and hoped that next Thursday and Tuesday the men would all turn out to the parade. An effort will be made to have the use of rifles in the future, and the militia authorities will be asked to grant this request. It is hoped that all the men who have signed the roll will realise their duty and attend to the drills Thursday and Tuesday next.

**CHICAGO MARKETS**

(Special to The Guardian)  
CHICAGO, May 11.—Wheat, No. 2 red, \$1.53 at \$1.55; Half No. 2 hard, \$1.54½ at \$1.57¼. Corn, No. 2, yellow, 76½c; No. 4, yellow, 77½c; No. 4, nominal. Oats, No. 3, white, 53c; No. 2, 53½c. Standard, 53½c. Barley, No. 2, 78c. Timothy, \$5 at \$6. Clover, \$8.50 at \$12.75. Pork, \$17.95. Lard, \$9.85. Ribs, \$9.87 at \$10.35.

CHICAGO, May 7.—There was a sharp decline in the grain markets to-day. Wheat dropped about 2c. after news came of the torpedoing of the Lusitania. Corn also dropped about 1c., while oats remained comparatively firm.

WINNIPEG, May 7.—Trading in wheat here to-day was light. The cash demand was poor. There was in oats a fair inquiry for feed oats and a better demand for low grades of barley. The total inspections on Thursday were 125 cars as against 352 last year.

TORONTO, May 7.—The wheat market suffered another weak spell to-day, going off 1½c to 2c. on cash news. Continued favourable crop prospects account largely for the present weakness. Other grains remained unchanged.

MONTREAL, May 7.—The foreign demand for wheat to-day was poor and business in consequence was much quieter than it has been for the past few days. There was no new development in the local market for coarse grains to-day, but the market was much quieter with only sales of a few cars of oats at steady prices. No. 3 Canadian Western sold at 67c., while local No. 2 white oats changed hands at 66½c.

The tone of the market for baled hay is firm under a steady demand for car lots for local consumption, and a fairly active trade is doing with sales of No. 1 hay at \$21 to \$21.50, and No. 2 hay at \$19 to \$19.50.

A feature of the hog situation was the stronger feeling in the Toronto market yesterday for live hogs, and prices advanced 10c. to 15c. per 100 lbs. with sales of selected lots at \$9.15 to \$9.25 per 100 lbs. The demand for dressed stock continues fair for small lots to fill immediate wants.

The trade in potatoes continues quiet, but the tone of the market is about steady, with car lots of Green Mountains quoted at 45c. per bag ex-track.

CHICAGO, May 6.—Wheat averaged lower in price to-day owing chiefly to the continued generally excellent outlook for the domestic crop. Corn also showed a decline of about ½c. Good rains and the absence of any important shipping call made oats recede with corn and wheat.

WINNIPEG, May 6.—Wheat dropped about one-half cent per bushel and oats one quarter cent, while flax advanced in price about 1c. per bushel. The enquiry for low grade oats continues, and a marked improvement is apparent in barley and flax.

**Food for Workers**

**Grape-Nuts**

"There's a Reason"

TORONTO, May 6.—The extremely favorable crop outlook seemed to be against the markets to-day. Cash prices at bay ports are weaker, going off 1½c to 2c. Corn is a cent lower and oats unchanged.

MONTREAL, May 6.—A weak feeling developed in the grain market to-day. A feature of the local market to-day for coarse grains was the easier feeling in spot cash prices for oats ex-store and they declined a half cent a bushel. The demand for supplies was much quieter to-day and the only sales reported were 30,000 bushels of No. 1 feed. The trade in car lots was also rather slow with sales of No. 3 Canadian Western at 67c., while local No. 2 white oats sold at 66½c. per bushel.

The condition of the market for baled hay was unchanged to-day, prices being firm at the advance with a fair amount of business doing, and sales of car lots of No. 1 hay were made at \$21 to \$21.50 per ton and No. 2 hay at \$19 to \$19.50 per ton, ex-track.

There were no new developments in the hog situation to-day, supplies coming forward are ample to fill all requirements, and the uncertainty to the market remains firm. The trade for dressed hogs continues fair, there being a steady demand for small lots, and sales of abattoir fresh-killed Ontario stock were made at \$11.50 to \$12.00 and Northwest hogs at \$11.50 to \$12.00 per hundred pounds.

Owing to a light run of cattle, combined with a keen demand, prices for butcher cattle advanced fifteen cents per hundred pounds at the Union Stock Yards to-day. The gains made by butchers is from 25c. to 40c. per hundred for stockers as the demands are large.

NORTH SYDNEY, C. B., May 6.—The body of fourteen year old Joseph Pooler, son of Joseph Pooler of Washburn, Me., was found in a pig pen in the basement of his father's barn Wednesday literally devoured by the swine. The flesh had been torn away and consumed by the animals and nothing but the skeleton remained.

Because of a domestic disagreement Saturday young Pooler left his home. He did not go far away, however, and remained about the neighborhood until Saturday night. He is then supposed to have taken a blanket and climbed the scaffolding to the hay-mow to sleep. According to indications the lad fell through the loose poles in the scaffolding to the basement. He may have been killed by the fall, or at least rendered unconscious. While laying there the swine attacked the prostrate body and commenced tearing the flesh.
