The home of W. W. Judson, Pownal was the scene of a more than ordinarily interesting event Wednesday evening at seven o'clock, when his daughter Miss Janie was united in the holy bonds of matrimony to Ambrose Wood, one of the most popular young men of Hazelbrook. The marriage ceremony was performed by Rev. J. C. Spurr in the presence of a large number of invited guests. The bridesmaids were Miss Viola Judson, sister of the bride and Miss Myrtle Wood sister of the groom. The bride was attired in pale blue cashmere with trimmings to match, and the bridesmaids each wore cream cashmere. The groom was supported by George Mutch of Earncliffe. The wedding march was played by Miss Lina Smith, Pownal and the flower girls were little Misses Lilla, Boswell and Cassie Wood. Thursday morning Mr. and Mrs. Wood left by the express via Summerside on a wedding trip which will include Boston and Portland. The Guardian joins with many other friends in extending sincere best wishes.

THE Tyne Valley Sunday School Convention met in Bideford Methodist Church Monday Oct. 12th, at 3 o'clock. In spite of a disagreeable day there were delegates present from the Victoria West, Enmore River, Springhill, Freeland, and Bideford schools. Five schools were not represented. Reports were received from these schools represented. After receiving the reports the Field Secretary who was present addressed the meeting emphasizing such points as the necessity of keeping schools open all the year, and the importance of the pledge and temperance Sunday. He then gave a black board lesson upon the art of questioning. This was very interesting and profitable. Such a lesson would be of value to any teacher. The following officers were then elected:—D McKenzie, President; A E Chapman, Vice President, Bertha Hayes, Secretary Treasurer. This brought the convention to a close. Though the day was stormy and the attendance therefore small the convention was of value to those present, and through them we hope to their schools.—Bertha Hayes, Secretary.

"JIMMIE" Humphrey, Moncton's speedy sprinter, announces his retirement from foot-racing. The Moncton man was disgusted with the treatment he received in St. John and feels badly over the charge made by the press that the race was a fake. The treatment accorded the St. John runner here was vastly different. Here Estman gained considerable of an advantage over Humphrey at the start, and it was due to this fact that a second match with Estman was made, the backers of the Moncton runner believing that if he got away with his man, he could defeat him. Humphrey's decision to retire from foot-racing, will be heard with some regret by his many admirers, as it is believed he is the fastest hundred yards sprinter in Canada. He has done some very fast work in practice this season, doing the hundred in ten seconds and once or twice slightly under. Any one who knows "Jimmie" Humphrey will take little stock in the report that he was a party to a race that was not square. Estman has also retired.—Moncton Times.

**You Will Be All Smiles Again**

Forget Your Stomach and You'll Have a Santa Claus Face.

HOW TO DO IT.

If there is one thing more than all others that will give a man a forlorn and friendless appearance and make him morbid and 'cranky' and disagreeable, that thing is dyspepsia. It makes one forget his friends and become morose and irritable. He is so wrapped up in his own misery that he is inconsiderate of every one else. Relieved of this terrible and depressing ailment, he again becomes a good fellow and a man among men.

Stuart's Dyspepsia Tablets are beyond question the most effective and popular remedy ever offered to the sufferers of this terrible disease. Tens of thousands and thousands of cures they have brought about and the enormous increase of their sales fully attest the truth of this statement.

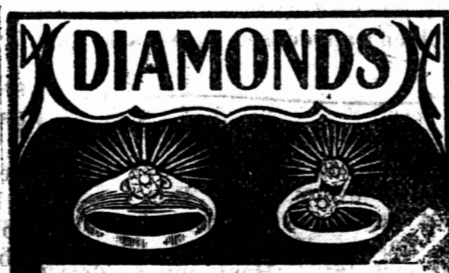

They are, above all, a natural remedy. They possess exactly the same properties that the gastric juices and other digestive fluids of the stomach possess, and they actually do the digestive work of the stomach and enable that organ to rest and recuperate and become sound and well. They act in a mild, natural manner and cause no disturbance in the digestive organs. They prevent any fermentation of the food which causes sour stomach. In fact, under their influence the subject forgets that he has a stomach and his resulting cheerfulness presents a great contrast to his former dejection.

Millions of boxes of Stuart's Dyspepsia Tablets are sold annually and they are but in the dawn of their popularity. Every mail brings letters of thanksgiving from grateful ones who have been cured of this terrible disease. The following is one of hundreds received each week:

Rev. J. R. Hoag of Wymore, Neb., writes: "For six years I have been troubled with dyspepsia. Last fall I became very much alarmed at some symptoms of heart trouble and came to believe there was a sympathetic relation between the two diseases, or rather, that the stomach trouble was the cause of the heart disturbances. I hit upon Stuart's Dyspepsia Tablets for a remedy and invested a dollar and a half for three boxes which lasted me three months, and I can eat any kind of food I want and have a good, vigorous appetite. Although I am 77 years old, I now feel perfectly well and without being requested by anyone I make this statement as a compliment to the virtues of Stuart's Dyspepsia Tablets."

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cts. a box.
