 AND PATHE NOVELTY

"TWO ARABIAN KNIGHTS"

LAUGH RIOT OF
 TWO DOUGHBOYS
 MIXED UP WITH
 SHEIKS AND SHEBAS

Imagine two doughboys astray in hostile territory during the war, making holiday and love while fleeing through prison camps and darkest Arabia—danger and death on every side.

Imagine them—one a New York underworld character and the other an aristocrat from Fifth Avenue—hating yet aiding each other. And both smitten with the same girl! World's funniest Overseas Comedy.

THE LIFE TELLS—Even a child is known by his doings, whether his work be pure, and whether it be right.—Prov. 20:11.

PRAYER—The fruit of Thy Spirit, Lord, is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness and temperance.

SUCCESS

There is a ladder of Success And to all those who climb There is a page to be enrolled Within the Book of Time. And some there are who climb it low And some who climb it high— And some who slip between the rungs While others pass them by.

And there is set a Lifetime there, Within that murky haze, And in between each dazzling rung Are days, and days, and days. Just days, to gather Friendships in, Just days, to do and dare, Just days, to grope for that next rung And wonder if it's there.

So many days! all brimming full Of laughter and of strife, So many minutes ticking off The measure of a life. And does it really matter so To reach the top, or less? Isn't it more the way we climb That's "Failure" or "Success"? —(E. W. O.)

The Land We Love
 By Frank Yeigh

Non-Metallic Minerals

Q. What is the production of non-metallic minerals?

Save Money!
 Make your own hard or soft soap by using waste fats and —

GILLETT'S PURE FLAKE LYE

It costs less to make soap than to buy it!
FULL DIRECTIONS WITH EVERY CAN

ALSO USE GILLETT'S LYE FOR ALL CLEANING DISINFECTING SPRAYING ETC.

A. The production of non-metallic minerals in Canada, is steadily increasing. The total for 1927, from 951 plants was \$157,513,476 as against \$115,873,848 in 1925, an increase of \$41,639,628. The chief item was in petroleum products which accounted for half of the total, or \$83,472,465. The next item is alumina and fuel gas, representing \$18,301,368, followed by coke and its by products of \$15,367,425. There are nearly 200 more plants operating than in 1922.

A reliable antiseptic—Minard's.
