A telegram was received in the city during the past week, announcing the death on the 25th ult of Francis M, Lannan, of Edmonton, Alta. Deceased whose former home was at Summerville, moved west about two years ago and started to earn a livelihood, as a house carpenter. After some speculation he started contracting in company with another young man from Montague. This was mutually dissolved some time after, and he continued the business alone. His efforts were crowned with success, and it seemed that fortune was yielding its golden crown to his untiring energy, when he was stricken down by the bursting of a blood-vessel in the 22nd year of his age. He was conveyed to the Sisters Hospital Edmonton, where all that human skill and kindness could do was done, but in vain. His early demise, following so quickly on that of his mother has cast the deepest gloom over the family; and indeed the entire district, in which he was popularly known and highly respected, because of his modest, retiring desposition. Much symyathy is felt for those bereft.

A very pleasant evening was spent at Hampton hall on Dec 4th, when Steadfast Division, S. O. T., was again called to meet for business. Shortly after 8 o'clock the W. P., Fraser McDonald took the chair, and called the meeting to order. Communications from the head of the order through G. W. P., Rev. E. S. Weeks were reported and adopted. The general routine business was duly transacted. Quite a number of visitors were present from the different neighbouring settlements, as well as the city. The systematic enthusiastic and unanimous way the business was conducted was a lesson to the visitors and favorably commented on. The officers were elected as follows: W. P. Jemima McPhail; R. T. Maria McDonald; F. S, Calvin McDonald; Chap., Annie McFarlane; A. C, Millie McKinnon O. T, David Ferguson; W. A., Hector McKay; A. R. T., Mack Shaw; Treas. E. Cameron; Con. Samuel Cameron; I. S., John Dixon; P. W. P. Fraser McDonald. On motion P. G, W. A., A. W. Tanton installed the officers, Sister Annie McLean North Wiltshire, acting Grand Conductor. The W. P. then appointed the divisional Committee. Delegates to the Grand Division were then elected. After speeches by Bros. S. F. Tarbush, H. McNevin, S. Cameron, W. N. Tanton, F. McDonald and others a vote of thanks was unanimously passed and tendered to the visiting members for their kind help and sympathy, being acknowledged, the Division adjourned. The members then repaired to the lower hall where a most excellent dinner with all the delicacies of the season was provided in honor of the occasion by the good ladies of Hampton.

The Mission Band of the Cavendish Baptist Church will hold a public Missionary and Thank-offering service in their Church, on Monday, Dec. 9th, at which Rev. W. B. and Mrs Crowell of Summerside will be present. All are cordially invited.

The enterprising firm of A. Horne & Co. of this City takes no second place in their line of business in this Province, and at this season their display of sleighs is most attractive. The styles are the very latest, and this year more than ever have the manufacturers set out to give the public just what they desire. Particular attention has been paid to the bend of the runners, it being made more graduel and graceful thus ensuring comfort to the occupants on rough roads and even in pitches. For country driving where warmth and special safety are desired, the sleighs are low with lots of room, high backs, and thickly upholstered. For City driving the firm's half speeders are greatly in demand, while the special speeder now on exhibition in the show rooms of Kent Street has but to be seen to be admired. A. Horne & Co's pung sleighs have an enviable reputation as they give such universal satisfaction. A few double sleighs will be sold at a bargain to clear. Those who cannot be fitted out at "Prince Edward Island's Mammoth Sleigh Emporium" must be hard to please, as in addition to such a large variety of sleighs a beautiful display of fur robes, light driving harness, and horse blankets can be bought right. In Grain Crushers, Grinders, Root and Straw Cutters those handled a manufactured by the celebrated firm of J. Fleury's Sons, which is a sufficient guarantee of the satisfaction they give. Another department of A. Horne & Co's. large business is that of flour and feed, and to give an idea of its enormity it may be mentioned that there are in stock one thousand barrels of flour and seven hundred bags of bran and shorts. The half page announcement in this issue will be found interesting.
