New Cardinals Created by Pope

ROME, May 27.—Two new cardinals were created by Pope Pius at a secret consistory at the Vatican yesterday. They are Monsignor Luigi Sincero, assessor of the consistorial congregation, and Monsignor Giovanni Battista Haasalli Recca, archbishop of Bologna.

Pope Pius delivered an allocution in which he deplored the struggles of Ireland, the situation in the Ruhr, and events in Russia. He said he would continue to do everything possible to alleviate the sufferings of the world.

The Pontiff in addition to creating the cardinals and bishops, most of whom had already been appointed by brief.

The religious demonstrations that occurred in Italy and throughout the world on the occasion of the Eucharistic Congress had rejoiced him, the Pontiff said. He expressed satisfaction also at the reception of his first encyclical and over the effect produced by the encyclical in action which had developed by the clergy and the faithful in accordance with its teachings.
