WOMAN RESCUED.

Ottawa, Ont.—Slavery is not dead. Daily, the traffic in human souls goes on. Only a short time ago, a number of Chinese were arrested as they attempted to smuggle young girls from Canada into the United States. In Eastern countries, the slave trader piles his vocation in the market place. Some go into another kind of slavery—unknowingly—yet make a valiant effort to escape. Ottawa is all agog over the wonderful escape of one of her charming matrons from that physical slavery, Rheumatism. Mrs. R. C. Small says, "I was a constant sufferer from rheumatism for over seven years. I used many treatments—consulted doctors—tried hot baths—used almost every known mineral water—but nothing did me any real good. The pains were in my joints and back, and I had frequent headaches and bad indigestion. About a year ago, I saw 'Fruit-a-tives' advertised and decided to try them. After I had taken two boxes, I was much better. Altogether I took seven boxes. I have had no rheumatism for over six months now and feel that I am quite cured. I have gained over ten pounds in weight."
"Fruit-a-tives" cure because the intensified fruit juices and tonics strengthen the kidneys—regulate the bowels—and invigorate the skin. This means pure blood, free of uric acid. Cure yourself. Take "Fruit-a-tives" now and be free of Rheumatism all winter. 50c a box; 6 for \$2.50. At druggists, or from Fruit-a-tives Limited, Ottawa, Ont.

Relatives and friends of the crew who mostly all belonged to Summerside, will rejoice to hear of their safety and that the boys will spend their Christmas in Naples, the land of flowers.

In Cameron & Co.'s ad on Saturday, the list of pocket knives did not show up clearly. It is very suggestive and should be looked at in today's issue.
