GOOD NEWS TO CANDIDATES

In The $11,000 Prize Contest

---OF---

The Halifax Herald, The Evening Mail And The Charlottetown Guardian

Read carefully the change in district limitations and note what an excellent chance candidates have who enter the Contest from Prince Edward Island. If not a candidate, send in your name at once; if already entered, get busy and win one of these splendid prizes.

We beg to call your attention to the fact that Prince Edward Island has been added to the territory included in District No. 3. This has been done in order to equalize the division of territory as the mail service and delivery of papers was similar to that of Cape Breton and Newfoundland.

Then, too, so few have entered the Contest from this distict that the opportunity for a prize is so certain to those who spend a little time and effort in trying to win one.

Look over the list and see what good chances there are for you to interest your friends at once and win one of the prizes offered in this district. Understand there is no competition with Halifax or Darmouth or any of the other larger cities. You have a territory distinctly your own, less competition and can compete for prizes equal in value to those offered in the other districts. The number of entries in this district is less than one third and some of these will not remain in the race long, which means that those who work will win.

Get busy at once.

A. B. COPP, M.P.P., IS SERIOUSLY ILL.

SACKVILLE, N. B. Aug. 2—A. B. Copp, M. P. P., was taken ill with appendicitis Saturday night, and his condition this morning is serious.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed. Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free

Does Your Flour Get Sticky Or Musty

When you dig into your flour bin and find it soft and sticky, or lumpy, musty, softish — when your flour sifts sluggishly. — Then, Madam, be sure it *isn't* FIVE ROSES.

For FIVE ROSES is a *fine granular dust*, unlike any other flour you've ever known.

Being the driest, soundest, the sweetest flour of all,

And when *your* flour is driest, just see what happens.

It is granular and free in the sack — nothing remains in your sifter — *no waste*, you see.

Bright, particularly glistening, creamy.

A lively flour, each particle freely absorbs a surprising amount of water.

Easier to work, fermenting uniformly, working soundly in dough and oven.

And when your dough is done, it's wonderfully light and silky.

Being driest, it takes *less* FIVE ROSES to fill each recipe — you pay for flour, *not water*.

And because it *is* driest, FIVE ROSES never gets lumpy, nor mouldy, nor musty — never in "bad odour" with finicky folks.

Keeps sweet and sound — FIVE ROSES "keeps".

Madam, don't you be the *last* to use FIVE ROSES.

$30,000 BOSTON FIRE.

BOSTON, Aug. 2—Fire, starting from spontaneous combustion, in shed No. 37, at the Boston & Maine company's Rutherford avenue yards this afternoon, resulted in the destruction of the shed containing several thousand tons of hay and five freight cars. The flames spread to sheds No. 32 and 19, and a residence on the opposite side of Rutherford avenue and for a time the whole section was threatened. The combined loss is estimated at $30,000 partly covered by insurance.

AMERICAN SMALL TOWNS ARE GROWING FAST.

WASHINGTON, Aug 2—The thirteenth census is developing an unexpectedly large growth of the smaller cities of the counrty and it is now believed by the census officials that no fewer than sixty places will be added to the list containing a population of 25,000 and over. The last census showed 161 of such cities.

Of the new cities crossing the 25,000 mark, fully two thirds will be found in the middle west and the far west. Of the remainder the majority are in the New England States.

WAS COURT-MARTIALLED.

WASHINGTON, Aug. 2—Lieut. Commander Henry T. Baker, on duty at the Bremerton Navy Yard, Washington was today reduced fifty numbers and a public reprimand sent to him by the navy department as a result of a conviction by a courtmartial on a charge of uttering a falsehood.

ANOTHER NEW TESTIMONY

To those that are suffering with headaches and sore and blurred vision and a weak stomach I would advise them to consult Dr. Crossman at once. I also had a very bad stomach, I could scarcely retain any food on my stomach, I could not see to do my work clearly, my head was aching so bad and stomach so weak. Now I can truthfully say my headaches are all gone and my stomach is perfect. Well, I feel that I can safely recommend Dr. E. M. Crossman as an Expert Eye Specialist.

Onesime Richard,

I have many such letters as this. If your eyes are sore and weak and got a bad stomach, don't neglect them too long.

Nulife (Red Blood Tablets) is an Unexcelled Blood and Nerve Medicine

Good blood means good health and poor blood will lead to all the tortures of human existence. Bloodless people live in a state of indifference, always complaining of that tired run down feeling, headaches, backache, fainting fits, nervousness and lack of ambition their very existence is a prolonged state of misery.

It's all unnecessary, the battles of life demand a quick clear brain—a forceful reasoning power and a thorough grasp of the details in business life. In this day of keen competition it's the healthy men—the man with vim and vigor that reaches the top round in the ladder of success.

How is your blood? Ask yourself this question and answer it. The whole matter swings on this one point—"how's your blood?"

Good blood nourishes and rebuilds wasted tissues—it sends a ruddy glow of health through your system and gives you that "feeling of fight for the battles of business."

Nulife (Red Blood Tablets) is a remedy that is renowned for its curative properties and rebuilding qualities. It tones up the system, gives rich, red blood, abounding health and vitality in life.

Your blood needs a tonic frequently—a food that feeds the blood and nerves—that tones and stimulates the system. Every Nulife Red Blood Tablet means that much more and better blood—every grain that is absorbed by the system proves its superiority.

Now don't delay taking Nulife (Red Blood Tablets) while it is unexcelled for the blood the earlier it is taken the better, It will save money and start you on the road to better health quicker.

The cure begins with the first dose—its toning qualities are instantly felt—the ultimate cure depends entirely upon your case and the promptness with which you have commenced its use.

A box of Nulife Tablets should be in every home—a doctor that is ready to prescribe to your ailments promptly and efficiently.

The people of this Province are indeed fortunate in being able to procure such a celebrated remedy.

Price 50c a box—at all druggists or direct from Johnson and Johnson Wholesale Distributers, Charlottetown.
