a most impressive one the proces-  
sion being preceded by the 82nd Reg-

by the buglers of the 105th.

**RED CROSS**—The Souris Red  
Cross Society about the first of De-  
cember sent Christmas boxes to each  
of the Souris' boys at the front, and  
it is gratifying to the society to know  
the boxes have reached their destina-  
tion in good order and have been ap-  
preciated by the boys. Thirteen boxes  
have been sent in all and nine letters  
were received telling that all the  
boxes arrived during Christmas week  
and the contents were very much  
enjoyed. One of the boys described  
how he and his chum received their  
boxes together on New Year's eve and  
what a "bully feed" they had despite  
the nearness of the German shells  
which were falling around.

A telegram was received by Mr. K. J.  
Martin, Stipendiary Magistrate, an-  
nouncing the death of his sister, Miss  
Maggie E. Martin. This sad announce-  
ment was as unexpected as it was sudden,  
as Miss Martin had, only two weeks  
ago today left her home in her usual  
health for a short visit to Boston  
where she was taking a holiday. Her  
death ensuing as above stated. The  
deceased was well known in Charlot-  
teton where she was a frequent visit-  
or at her brother's home and many  
warm friends here as well as at her  
native place, New Town, will sincere-  
ly mourn her death. There are four  
daughters and one son, the Misses  
Mary and Louise at home, Mr. John  
Martin on the homestead at New  
Town, Mr. Simon Martin, San Diego,  
Cal., and Mr. K. J. Martin, Stipendiary  
Magistrate, Charlottetown. The re-  
mains will be brought home for inter-  
ment, leaving Boston tonight and ar-  
riving here by the Car Ferry steamer  
Thursday. The bereaved relatives  
will have the sympathy of a large  
circle of friends in which the Guar-  
dian joins.

The sad news has been received  
of the death of Mr. Angus McDoug-  
all of Argyle Shore, which occurred  
on Saturday at the Copp Hospital,  
Cambridge, Mass., where he had been  
undergoing treatment for some  
time past. The deceased was a pro-  
minent and successful farmer, a man  
of more than ordinary intelligence  
and always taking a keen interest in  
public affairs. Some years ago he  
unsuccessfully contested the First  
District of Queen's in the interests  
of the Conservative party. In his  
native district he took an active part  
in church and school matters and  
was always foremost with his aid,  
financially and otherwise, where the  
best interests of the country were at  
stake. He leaves to mourn his wife  
and a family of sons and daughters,  
two, only, of whom are on the is-  
land, namely John A., on the home-  
stead, and Mrs. Campbell, Cornwall.  
The body left Boston for home on  
Sunday night and will arrive in  
Charlottetown Tuesday whence it  
will be taken to the late home at  
Argyle Shore. The funeral will take  
place Thursday at 2 p. m., Rev. James  
McDougall officiating.

**Regulate Kidneys  
AND  
Relieve Constipation**

Gin Pills are acknowledged to have the  
largest sale of any proprietary medicine in  
Canada—an achievement solely due to their  
remarkable virtue as a Kidney and Bladder  
remedy.

But users of Gin Pills have discovered that  
this valuable remedy also acts as a mild  
cathartic. The evidence of hundreds of letters  
we have received establishes the very logical  
fact that in compounding a medicine to treat  
one of the ailments of the Kidneys and Bladder  
and to use of the ingredients have a stimulating effect  
upon the other organs, especially the bowels.

It is important to know, in the case of con-  
stipated patients, that Gin Pills do not act  
harshly on the bowels; there is no griping,  
but a gradual and gentle restoration of the  
function of the bowels, you safeguard your-  
self against possible Kidney trouble.

Gin Pills are five, a box, or 6 boxes for \$2.50  
at your dealer's. A trial treatment will be  
sent upon request.

Feb. 4th, 1916. E. W. Johnston, Elms-  
dale: "Your son Thomas H. Johnston

Mrs. Leslie Bryenton of Winsloe en-  
tertained a number of their friends  
Friday evening. After a sumptuous  
supper a very pleasant time was spent  
in games, conversation and music, and  
after singing the National Anthem  
and thanking the host and hostess for  
their kind hospitality, the guests re-  
paired to their homes well pleased  
with the evening's enjoyment.

**WEDDING BELLS**—A pretty,  
though quiet wedding, took place at  
First Presbyterian Church, New Town,  
Feb. 4th, when Miss Margaret Jean  
Lavers, eldest daughter of Mr. W. W.  
Lavers, of Georgetown, P. E. I., was  
united in the holy bonds of matrimony  
to Private Thomas William Hindle, of  
Manchester, England, now of the  
106th Battalion. The bride looked  
very pretty in a blue velvet tailored  
suit trimmed with fur and large black  
velvet hat. Her many friends in New  
Glasgow join in wishing her every  
happiness in her married life. Mr. and  
Mrs. Hindle are spending a few days  
in Halifax before settling in Toronto  
where the 106th Batt. is at present  
stationed.

**SAD BEREAVEMENT**—On  
Wednesday, February second, the  
community of Annandale and vicin-  
ity was saddened when a young man  
known as Mr. Eddie Norton had  
passed away after a short illness.  
Although in failing health for some  
time it was not thought she would  
pass away so soon. She was a friend  
to everyone, a kind and obliging  
neighbor, and loved by all who knew  
her. Mrs. Norton was formerly Miss  
Jennie M. Robertson, daughter of  
Mr. and Mrs. Wm. Robertson, of  
Poplar Point. She was in the forty-  
second year of her age. She leaves  
to mourn besides her aged parents,  
a loving husband, three brothers and  
three sisters, namely, Elizabeth,  
Mrs. Daniel McLeod, of Goldfield,  
Nevada; Florence, Mrs. (Dr.) Law-  
lance, Lawrence, Mass.; Belle, Mrs.  
Irene I. Belcher, South Waltham.  
The brothers are: William, of Provi-  
dence, R. I.; Milford, of Poplar  
Point, P. E. I., and Hudson, of New  
Brunswick. The funeral services at the  
house and grave were conducted by  
her pastor, Rev. Wm. McLeod, interment  
taking place in cemetery adjoining  
the Presbyterian Church, Annandale.  
The pall-bearers were Messrs. Wm.  
Robertson, Mathew Yoston, Freeman  
Robertson, Herbert McLeod, Walter  
Richards, Joseph Morrison. The  
Guardian joins with a large con-  
course of friends in sincere sym-  
pathy.—J.

Weather conditions were unfavor-  
able for the opening of the Short  
Course at the Hillsborough School yes-  
terday but every man who attended  
was on business and assisted very  
much in making the discussions inter-  
esting. The most satisfactory fea-  
ture was that everyone was anxious  
to attend the rest of the week's  
course.

The cultivation of the clovers and  
grasses was taken up by Mr. Tenpant  
and by the use of samples many points  
were illustrated. The difficulties at-  
tending the buying of seeds are of  
great importance and a chart made  
these very plain.

Mr. Ross placed the seed cattle situa-  
tion clearly before the meeting and  
showed how it was possible to raise  
beef profitably under island condi-  
tions and threw out suggestions illus-  
trating why dairying must remain as  
an all important industry.

Swine raising as an important side-  
line was discussed by Mr. W. R. Reid,  
guments.

Wednesday will be "Women's Day"  
and "Dairy Day" Misses Sterns and  
MacFarlane and Messrs. MacRae In-  
chell, Reid and Morrow, will be the  
speakers. Dairy slides will be shown  
at night.

Judging of dairy cattle will be on  
Wednesday, Horses on Thursday and  
probably Friday.

A special train to carry the people  
to all stations between St. Herbert  
and Pothia including the loop will be  
arranged if sufficient people attend  
and wish to remain for the night meet-  
ing. The afternoon train will not  
leave until 3.45.

The ladies are prepared to serve  
lunch at noon and in the evening.  
Everyone welcome. The course is  
for the people.

**LEAVES THIS WEEK**—Lieut-  
enant L. N. Seaman, adjutant of the  
1st C. G. Coy., joined No. 11  
Overseas Field Artillery Ammu-  
nition Column has received notifi-

is now visiting him in Halifax.

Mrs. Alfred E. McKinley, St. John,

sister-in-law, Mrs. Joseph Bradley of  
Red Mill Quebec. The deceased was  
the wife of Joseph Bradley, manager  
of the Canada Paint Company's plant  
at Red Mill and before her marriage  
was Miss Caroline Shaw of Prince  
Edward Island. Besides a sorrowing  
husband she leaves four small chil-  
dren. A few months ago the de-  
ceased's young son was killed in an  
automobile accident at Three Rivers,  
Que., and since that time Mrs. Brad-  
ley had been in poor health. Some  
days ago she was removed from Red  
Mill to a private hospital in Montreal  
in which institution she died. The  
funeral will take place on Saturday  
and interment will be in the Church  
of England cemetery in Three Rivers.—

**ISLANDER HONORED**—Mr. and  
Mrs. R. P. Stevenson of Sydney,

ing surprise on Friday night, when

choir and a large number of the  
congregation, including the Young  
Men's Bible class, met at the home  
of Mr. Stevenson's sister, Miss Ad-  
die Stevenson, Crescent street. Syd-  
die presented the young couple with  
a handsome mahogany  
table and an electric lamp. His  
worship Mayor Richardson was  
master of ceremonies. The presenta-  
tion was made by Rev. I. A. Cor-  
bett. A very good musical program  
was followed in which solos were  
sung by Mr. and H. G. Laidlaw, and  
Miss Greta Richardson. Prof. Jones  
contributed several piano selections.  
Mrs. D. P. MacDonald and Miss Jan-  
et Richardson were the accompan-  
ists. Sydney Exchange, Mr. Stev-

Glasgow join in wishing her every  
happiness in her married life. Mr. and  
Mrs. Hindle are spending a few days  
in Halifax before settling in Toronto  
where the 106th Batt. is at present  
stationed.

**A LETTER FROM ENGLAND**—  
A number of socks sent to soldiers at  
the front in England in which was  
a pair from Mrs. M. M. Stewart who

J. J. Thompson.

The classes yesterday, the second  
day of the Short Course at Mount  
Herbert, were well attended not-  
withstanding the cold weather, the  
attendance being larger than that of  
the previous day. In the morning  
Mr. Tennant gave a discourse on  
weed seeds, their prevalence in seed  
grain, identification and methods of  
eradication, throughout which many  
discussions were raised which added  
to the value of the session. In the  
afternoon Mr. Reid gave a talk on  
sheep raising which included general  
methods to be followed by flock  
owners, co-operation and its adapta-  
tion to wool marketing, the purchase  
and use of pure-bred sires, lamb sell-  
ing, dipping and other items of pro-  
cedure necessary for the care of a  
flock. The subject was interspersed  
with the judging of some excellent  
Lincoln ewes, supplied by Mr. Er-  
nest Lund of Bethel.

In the evening Mr. Morrow gave a  
valuable talk on the care of milk,  
emphasizing the importance of  
cleanliness in the standpoint of  
manufacturing cheese of high qual-  
ity, after which a series of lantern  
slides were shown, accompanying a  
talk on horse judging by Mr. W. J.  
Reid.

The classes to-day will be devoted  
to dairy herd improvement, cattle  
judging and dairy organization, with  
such speakers as Mr. Morrow, Mr.  
Mitchell, Mr. Andrew McRae and  
Mr. W. J. Reid, as well as subjects  
of interest to women, which will be  
taken up by Miss Sterns and  
MacFarlane. A special feature will  
be carried out in conjunction with  
the regular programme on Friday  
evening at the closing session, in the  
shape of a musical and literary addi-  
tion furnished largely by local tal-  
ent. All are cordially invited to at-  
tend.

**A little incident about "Beaver" Flour**

**M**RS.—(well, never mind her name)  
couldn't make good Pies with  
"Beaver" Flour. The crust was  
"always heavy", as she told her  
grocer.

He couldn't understand it, because he  
was selling "Beaver" Flour to all his customers.  
In fact, none of his customers would use western  
wheat flour after trying "Beaver" Flour.

The grocer asked Mrs.—how she made the  
dairy. The recipe seemed all right until she came  
to the water.

"What kind of water do you use?"  
"Why, WARM water, of course",  
exclaimed the poor young bride.

"Well, just try GOLD-water, ICED  
WATER, and you'll have the kind of Pies you  
read about."

"Beaver" Flour is a better pastry flour than  
even special pastry flours; because it contains  
the same choice Ontario wheat from which  
special pastry flours are made. In addition, it  
also has a little Manitoba wheat to increase its  
strength.

This means, more Cake and Pies and Pastry  
to the barrel, while retaining its whiteness,  
lightness and home-made flavor.

Being blended in exact proportions, it is  
always uniform in strength and quality—and you  
can depend on it to give you the best results  
every time.

Order a bag at your grocer's and try it when  
next you bake.
