A MEMORY SYSTEM.

Forget the praise that falls to you
The moment you have won it,
Forget the praise that falls to you
As soon as you have won it.
Forget the slander that you hear
Before you can repeat it.
Forget each slight, each spite, each sneer,
Wherever you may meet it.

Remember every kindness done
To you what'er its measure,
Remember praise by others won
And pass it on with pleasure;
Remember every promise made
And keep it to the letter,
Remember those who lead you all,
And be a grateful debtor.

Remember all the happiness
That comes your way in living;
Forget each worry and distress,
Be hopeful and forgiving,
Remember good, remember truth,
And you will find, through age and youth,
True joys, and hearts to love you.

Physician Tells How He Treats Rheumatic Patients

A Distinguished Specialist Gives Valuable Advice

In the first place I always impress upon the patients the importance of careful living and regular habits. Moderation in eating, keeping the feet dry, and wearing plenty of warm clothing are some of the precautions. No amount of medicine will cure, or even help, unless attention is paid to these few simple rules. I have had perfect results where patients followed these instructions, assisted by the following blood tonic and rheumatic specific:—
Fluid Extract Cascara 1/2 oz.
Garrana Compound 1 oz.
Compound Syrup Sarsaparilla 6 oz.
Dose: One teaspoonful after meals and at bedtime.
It is advisable to drink plenty of water during the treatment.
A prominent local merchant who has tried this treatment states that it relieves backache, bladder trouble, and urinary troubles almost immediately and has a gentle but thorough action on the kidneys.
All readers should keep this prescription. The instructions are valuable.
