DR. A. A. MACDONALD'S BEHEAVEMENT.—Much sympathy will be extended to Dr. A. A. Macdonald, ex-Mr. L. A. Souris on the loss he has sustained in the death of his amiable partner, Mrs. Macdonald who passed away on Sunday. Mrs. Macdonald who belonged to Montreal had been in delicate health for some time and her death was due to heart trouble. The funeral takes place tomorrow, Wednesday at 3 p. m.

RE-ESTATE SALE.—The sale of the May property in Summerfield, Lot 67, brought a number of prospective buyers to the Court House on Thursday last. Among others were P. L. Cash, Harry W. Hughes, Robt. Andrews, James Maine, W. Lawless and M. Lambe. The bidding was keen, and the property realized the high price of \$6,870, being knocked down to Mr. Harry Hughes. Real estate is certainly soaring in some country districts.

DISILLUSIONED.—A young young chap taking advantage of the good street a few days ago was seen trying to run a race with his imaginary shadow which seemed to be gaining the advantage of him. Just when he thought he had won the race he gently connected with a passing horse and wagon with the result that he was thrown under the horses' feet but luckily escaped uninjured. As it happened there were a number of people who witnessed the accident and immediately the street was thronged ready to give assistance, but outside of a bad scare and a generous quantity of mud, this was not needed.

CALLED TO ENGLISH BAR.—Very recently at the Inns Court London, E. C. Mr. A. F. Harrison, B. A., was called to the Bar. He was proposed by Sir Hugh Fraser, LL.D., Benchet of the Inner Temple, and the eminent authority on libel laws. For some Mr. Harrison was a student, and finally a graduate of Queen's University, Oxford, England, in July 1915, he was given a Commission in the Border Regiment and went to India where he served close to three years, returning to England to complete his studies for the Bar. He is a grandson of the Reverend William Harrison of Moncton, formerly of Charlottetown.

DEATH OF STEWART HUME.—Much sympathy goes out to Joseph and Mrs. Hume, Elm Road, in the death of their son Stewart, which took place on April fourth. Called home at the early age of thirty years, he leaves behind him the ennobling influence of a life which was characterized by exemplary conduct, faithful friendship and the confidence and esteem of all who knew him. Surviving him are his father and mother, one brother, George, and two sisters, Mrs. Lester Henderson, and Christina, employed by the Montague Furnishing Company. On Tuesday, April sixth, a large concourse of people gathered to the funeral service which was conducted by Rev. Daniel MacLean of Cardigan, interment being in Dundas Cemetery.

Mrs. John Hogg, died at Kelvin on March 23rd after a gradual decline that lasted throughout the winter. In maidenhood she was Margaret Johnston, sister of the late William Johnston, Long River. About 48 years ago she was married to the late John Hogg and settled in Kelvin. The issue of the marriage was a family of two, Mary Janette and John Andrew both in the household. She was buried at Summerville, Lot 69, on April 25, and the concourse that followed the remains to the cemetery was large, when the almost impassable condition of the roads is considered. Rev. T. M. Goodwill performed the service at the house and at the grave.

The pallbearers were John A. Burrows, James A. Campbell, Robert McMurdo, J. M. Leard, John Stewart and James A. Stewart. She lived all her life in Kelvin and her neighbors and acquaintances speak in the highest terms of her integrity and virtuous life.

In Souris, P. E. I. on April 15th 1920, John McCreary passed peacefully to his eternal reward. The deceased who was in his ninety-ninth year retained his remarkable physical and mental vigor to within a short time of his death.

There are left to cherish the memory of a kind and loving father, three sons and three daughters, Peter, Joseph and Mrs. Clarke of Dunham, Minn.; John D. of Boston, Mass.; Margaret and Mrs. L. S. McInnis of Souris, P. E. I.; also his sisters Mary and Effie and brother-in-law, Mr. J. D. Stewart. The funeral to St. Mary's Cemetery was attended by a large number of relatives and friends.

FREE INFORMATION.—It seems to be a general rule of the present generation to give free information, especially when one is working on a difficult proposition. This was the case of a prominent Water Street business man who was trying to put his mental genius to work on a Yale lock that persisted in keeping the door open instead of shut. The time of our meeting him he told us, he had 68 experts telling him what to do and what not to do. We noticed on walking down street this morning a brand new Yale lock in said door.

STOCK NOTES.—Edwin Reid of Sunny Stope Farm, Tollo Bay recently purchased from Mr. Mathew Robertson Sussex, N. B., the well-known Percheron Stallion George's. It will be noted that this horse was formerly owned by Mr. Daniel Reid Montague, by whom he was imported direct from France as a three year old and where he stood for a number of seasons and has proven to the best sire ever brought to King's Co. Mr. Reid realized the great loss to the horse industry of the province by losing such a sire, decided to bring him back and now has him at his farm where he can be inspected at any time. Watch for his ad which will appear in a few days.

POPULAR YOUNG LADY HONORED.—A very pleasant evening in honor of Miss Mary Kinch was spent in the A. O. U. Hall, Tignish on the 22nd inst. Her friends regret that Miss Kinch intends leaving in a few days to take up the profession of nursing; and accordingly on Thursday evening her friends took the opportunity of expressing their regret at her departure and of extending to her their best wishes for the future. Mary, as is fondly known by her friends, is a deservedly popular girl. She has always taken an active part in matters of interest, and her executive ability will be greatly missed in Tignish. The evening opened with a duet, after which the L. A. O. H. presented her with an address and a nice traveling bag. Miss Kinch thanked her friends in a very graceful manner and assured them she is not leaving Tignish permanently—will be back soon. The remainder of the evening was very pleasantly spent in music and dancing.

OBLIVION VOTED.—A humorous incident occurred in the House yesterday afternoon during the discussion of the resolution to authorize the sinking of wells for oil or gas. Hon. G. E. Hughes, a member of the Government who evidently had little faith in the proposition, wound up his speech, in seconding the resolution moved by the Attorney General, with the remark that if the boring was productive of no other good it might disclose what became of last year's deficit. Hon. A. E. Arsenault remarked, that such boring might not serve the purpose indicated but he had hopes that those in charge might within the next four years succeed in boring a hole deep enough to bury Mr. Hughes' political career in oblivion forever. As Mr. Arsenault finished his remarks, the chair man, Mr. McArthur, said "All in favor of the motion please signify the same by saying 'Aye.'" The Government benches in a body cried "Aye" to the great amusement of the house and the gallery. And so his own friends voted Mr. Hughes into political oblivion.

GUN COMING.—Hurray! at last word has been received of the long lost German Gun which Summerside won in the recent Victory Loan Campaign. A letter was received Tuesday morning stating that we'll have the gun about the middle of May.

HORSE NOTES.—Among the many heavy draft horses which Summers Bros. took to St. John Newfoundland, was the noted pair of Percherons purchased from McLeod Bros., Darlington. They claimed they were the best matched pair which left the island for a long time. Its horses such as these which has made the island draft horses so much sought after by horse dealers from the Provinces.

THE FERRY STEAMER.—The Ferry Steamer Hillsboro was successfully launched on Saturday last. It is understood that the new boiler will not be ready for installation until the first of next week. MRS. ADAMS REMEMBERED.—After the show Oh' Oh' Cindy, Mrs. Harrington Adams, the popular director, was presented by the members of the cast with a pair of gold slippers and fancy hose, after three rousing cheers and a tiger had also been accorded her.
