The following extract from a Vancouver paper has been sent by a Provincialist to this city. With cooking eggs at from 65 to 70 cents a dozen, and new lakls at 75 to 80, Vancouver is beginning to realize that she is in the midst of an egg famine. Farmers dealing in poultry are selling all their hens will lay. There are no case eggs whatever and unless eggs come from the east and south the situation will doubtless be serious.

At the church Alexandra on Sunday afternoon Rev. Mr. Erb took for his text, part of the 175th and 6th verses of the 119th Psalm. "Let my soul live and I will praise thee" and "I recorded confession people don't take time to confess their sins to God or one another, a good thing is to look back, to reflect, David looked back with his eyes open, and saw a great many defects, and exclaims, I have gone astray like a lost sheep. A good many people keep their eyes shut to their own defects, but will open to the faults of others. David had been a shepherd and knew how sheep go astray, how foolish and ungratefully they wander away from their good kind and loving Shepherd. Confession is necessary, but his expression a longing desire, "I long for thy Salvation O Lord." Physical life is so the spiritual, David's spiritual life response of the physical life about us, responded to the Divine in his youth. There is a desire for a fuller expression "let my soul live that I may show forth thy praise." The tongue is a hard thing to manage, may the words of our mouth and the meditation of our hearts be acceptable in thy sight O God our strength and our redeemer." This sermon was an earnest appeal for better living and made a deep impression on the large and attentive congregation.—Com.

SUNDAY SCHOOL LESSON

Any other persons who, desire to join the Bible Study Contest will be promptly furnished with full particulars of conditions &c. upon application at the Guardian Office.

The Gospel in Samaria.—Acts viii: 4-25. Golden Text.—The people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracle which he did. Acts. viii:6.

Verse 4.—What caused the "scattering abroad" of the Christian community?

Was the persecution of the church, headed by Saul, a blessing or a curse? Was this prescription according to God's first best plan?

When God's first, or original, plan is upset by an evil, is there any evidence to show that he uses that very evil to bring about that which he had planned to accomplish another way? (See case of Joseph also of Jesus.)

Verse 5.—Who was Philip?

Should the church, to-day, utilize laymen more in preaching the gospel?

What did Philip preach at Samaria?

What do you understand by Philip preaching Christ?

For it, that the people turned to God with such unanimity?

Does the Holy Spirit always accompany the preaching of the gospel?

If Philip's congregation had been made up of 1909 ex-Sunday school scholars, would the result of his preaching have been different?

Verse 8.—What is the proof that Philip's converts were real, and what the proof of the reality of every conversion?

Is joy a necessary accompaniment of conversion?

Verse 9-11.—What is or what was sorcery?

Is there any evidence to believe, that there are, or even have been, persons with the power claimed by itches, conjurers, fortune tellers and similar fakirs?

Verse 12.—Is it reasonable to believe that all who were baptized were genuine converts?

Verse 13.—What ever change may have come over him after, do you think Simon was really converted at this time?

What were then, and what are now, the conditions for the forgiveness of our sins, or conversion?

Verse 14.—At the time of the "scattering abroad" did all the Apostles remain at Jerusalem?

What was the purpose of sending Peter and John to Samaria, seeing they had just had a great revival?

Did Peter and John pray that these men should receive the Holy Spirit? Holy Spirit?

Did all the converts in Apostolic days, receive the Holy Spirit after their conversion?

Why was not the Holy Spirit given to the converts at Samaria when they were converted?

Is it the duty and privilege of every Christian to be conscious that he Holy Spirit dwells in him, and that he is Divinely guided in all things? (This question must be answered in writing by members of the club.)

Verse 15-24.—Are deceivers and tricksters apt to think that all others are like themselves?

Is it possible to obtain spiritual power with the purpose of making money out of it?

Is it possible that this Simon had been converted and that his love of fame, and of money, had led him to this evil?

Verse 25.—What is the only hope of getting the world converted? Lesson for Sunday March 7th 1909.—Philip and the Ethiopian. Acts iii:26-40.
