## Guardian Correspondents Everywhere.

REV. O. B. EMORY, will preach at Heartz Hall on Sunday afternoon at 3 o'clock.

THE schooner Beatrice arrived yesterday morning with a cargo of Sydney round coal for C. Lyons & Co. This is the first cargo from Cape Breton this season.

THE Steamer Polino which arrived in port Wednesday afternoon sailed at 9 o'clock in the evening with a cargo of cattle and sheep on deck and oars between decks. The principal shippers were B. Henderson, Allan McPhee and N. Rattenbury.

STIPENDIARY HAZARD yesterday morning delivered a written judgement in the case of George Essory who was charged with using abusive language towards the police. His Honor held that interference had been proved and consequently fined the defendant \$2. W. S. Stewart, K. C. for defendant.

AN Amherst despatch of May 1st, says:—Travellers of the Amherst Boot and Shoe Company are spending a few days with the Company preparatory to starting on regular trips. Three new men have been added. A. A. Alley, of Alley & Co., Charlottetown, will be the representative in the Island.

REV. C. W. COREY of Middleton, N. S. in writing the Messenger and Visitor says:—The church has met with a distinct loss in the death of Bro. E. G. Dodge who passed away April 18. The brother, however, has extended his services very materially. He left to us a bequest of (\$1000), one thousand dollars. The church makes grateful acknowledgment of this thoughtfulness of a worthy member. It will be of substantial assistance to us. But the moral victory of this gift is of more value to the church than the thousand dollars. Strangers cannot understand it. The clouds are breaking. "God moves in a mysterious way."

THE general annual meeting of the Charlottetown Lawn Tennis Club was held in the parlour of the Y. M. C. A. Wednesday evening. There was a large attendance of members of the club. The Secretary reported a good credit balance on hand. Miss Pippy, Miss Louise Pope, Miss Helen Hazard and Mr. Jones were balloted for and unanimously elected. The election of officers resulted as follows: President, L. E. Brecken; (re-elected) Vice do., D. B. Stewart; (do) Secretary-Treas., J. F. Owen; (do) Members of Executive, A. A. Bartlett and Dr. H. L. Dickey. The constitution was amended in respect to visitors, who henceforth will be required to contribute to the funds of the club when they play for upwards of fourteen days. A hearty vote of thanks was tendered last year's officers and the meeting adjourned sine die.

THE GUARDIAN has received a copy of the prospectus of the Prince Edward Oil Co's incorporated Jan. 16, 1901 under the laws of Arizona. Capital Stock \$50,000 shares. Par value \$1.00 each. On the board of directors are the well known names of L. W. Goff, H. N. Goff, Mr. L. W. Goff is the president of the company. The company recently purchased 10 acres of land in the very "cream" of the Kera River Oil District and it is proposed, in accordance with the general custom in that district to place an oil well on each acre of land, the estimated cost of which, including lands, oil wells, storage, tanks and pumping plant will be about \$150,000.

THE original organizers of the company wishing to make a more rapid development of the property than they could otherwise do, have placed 125,000 shares of stock for sale at fifty cents per share. It is said that nothing similar to it exists in California.

MARGATE ITEMS.—Mrs. Wm. Pound is suffering from a severe cold.—Mrs. (Rev.) W. A. Thomson has gone on a two weeks' visit to friends in Charlottetown.—A business meeting of the S. S. committee was held in the vestry on Tuesday evening April 30th. Rev. W. A. Thomson occupied the chair. The Treasurer's report showed the school to be in a good condition financially. The superintendent spoke of the good attendance during the year, the interest that was taken in the lessons, the good harmony that has prevailed, and the good work that has been done, as evidenced by the number from the school who have united with the church. The same officers were re-elected also the same teachers, Mr. H. B. Baker being superintendent.—Miss Ora B. Profit entertained a number of her schoolmates at the home of her father, Mr. David Profit, on Friday afternoon last. After a very pleasant time spent in plays and games, tea was served, to which ample justice was done, after which the following impromptu program was rendered: recitation, Ora Profit; reading, Blanche Howard; solo, Lulu Glydon; recitation, Willie Profit; duet, Lulu Glydon and Blanche Howard; recitation, Willie Profit; reading, Ora Profit; reading, Jennie Henderson; solo, Lucretia Durant; recitation, May Whitehead; solo, May Profit; solo, Carrie McArthur; chorus, God Save the King. It is needless to say that all enjoyed themselves, and a very social time was spent.

### Stomachs That Won't Work

That Retain the Food and Refuse to Digest it, Makes the Head Heavy and the Nerves Weak, Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble is dyspepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken.

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion, or with no exertion at all, disturbed sleep, nervousness, constipation depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produces strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation and they relieve the inflamed diseased condition of the membranous linings and the glands of the stomach and bowels. They help the digestive organs over the hard places and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever still it is well to have a box handy and take one at the first return of the trouble.

Perfectly well people are made sick by eating too much or unwholesome food but not if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package. Send to F. A. Stuart's Co., Marshall Mich for little book on stomach diseases mailed free.

### Millinery.

Models of British, French and American designing. Every mail order given special and distinct care, so that suitable style are studied out for each separate customer.

Ladies will please state price, style complexion, hair, and whether for young, middle-aged, or elderly person. Flame red is a new shade this season.
