Best Liniment Of All Destroys Every pain But Never Burns

"How thankful we are to get hold of such a wonderful household remedy as *Nerviline*," writes Mrs. E. P. Lamontagne from her home near Wetaskawin, Alberta. "In this far-away section, far away from a doctor or druggist, every family needs a good supply of *Nerviline*. It is the best of all. It destroys every pain, but never burns. We use *Nerviline* in a score of ways. If its rheumatism, aching back, pain in the side, sciatica or stiff neck—you can laugh at them if you have lots of *Nerviline* handy. For earache, toothache or cramps, I don't think anything could act more quickly. For a general all-round pain remedy I can think of nothing more valuable and speedy to cure than *Nerviline*."

The above letter is convincing—it tells how reliable and trusty this old-time remedy is. *Nerviline* for forty years has been a household word in Canada. Scarcely a home in Canada you can find without *Nerviline*. Every community has its living examples of the wonderful curative properties of *Nerviline* which will cure pains and aches anywhere in the joints or muscles. It's penetrating, soothing, warming and safe for young and old to use. Get the large 60c. family size bottle; it's the most economical. Small size 25c. at any dealer's anywhere.

nexional fund raised in full and Missionary Fund shows increase. On motion of Brother George Cruwys, seconded by Brother Golding Smith, the pastor was cordially thanked for past services and many good wishes expressed for his future welfare and usefulness. To God be all the praise for the results achieved and thanks to the hearty, unanimous and continuous cooperation of all the workers, choir, Sunday School, Trustees and Quarterly Official Board. No pastor could wish for more loyal, sympathetic, cordial helpers. A few figures are appended: 1913-1916, Marriages 15, Baptisms 37, Burials 33, General Missionary Society 1913, \$237, 1916, \$349; Bible Society, 1913, \$108, 1916, \$153; Belgium Relief Fund, \$83; Membership, 1913, \$215, 1916, \$255.

RECRUITING.—A recruiting meeting was held at St. Phillip's hall, Egmont Bay on Wednesday evening, May 31st, for the purpose of securing new recruits for the 105th Battalion now stationed at Moncton, Rev. Father Baudreault presided and on the platform were Rev. Father Gaudet, formerly of Roseville now Chaplain, Mr. Legen an officer and Mr. Joseph G. Buote, editor of the *Impartial*, Tignish. Stinging appeals were made for men and the advantages for French Acadians to belong to the 105th were clearly set forth. The causes of the war were briefly dwelt upon and some of the speakers hinted that in a very short time conscription would be in existence here. The result of the meeting was satisfactory as three students made their way to the platform and gave their names. The following are their names: Bernard Gallant and Arsenault. This in addition to the large number already enlisted will certainly place Egmont Bay in van for loyalty to the Empire.—M.

AUTO TRIP TO RUSTICO.—Capt. J. G. Webb, recruiting officer for the 105th French-Canadian Regiment, in company with Mr. R. H. Sterns and Lieut. Morris of the 105th Battalion and Lieut. Murphy of No. 5 Siege Battery proceeded on "Special Military Service" by automobile yesterday to Rustico. An automobile was used because it was found impossible by Capt. Webb to secure a team at any of the livery stables Saturday. The object of the trip was to address the Acadian people on the subject of recruiting on their way home from church, but as a heavy rainstorm came on at the time this could not be done. The Captain however met many of the people and was most

heartily received. Arrangements were made to hold a meeting at Rustico on Wednesday night. Tonight the Captain will hold a meeting at Bloomfield in company with Capt. Legros of the 105th and Capt. Gallant and a meeting will be held tomorrow night at Miscouche. Capt. Webb states that some fifty horses were met coming and going and they showed not the least sign of alarm; the people in many cases allowing their horses to come up close to the auto and get acquainted with it. The Captain says the island roads are far better than those in Nova Scotia and much wider. There was only about a mile of what might be called bad road on the whole journey.

On Friday evening May 26th, about fifty friends gathered at the home of Austin L. Smith, Clinton, who has enlisted for military service overseas in the 105th P. E. I., regiment, and presented him with a beautiful wrist-watch and an address. Mr. Smith has shown the spirit of all brave Canadians and is anxious to do his "bit" against the common enemy, who would make slaves of all English speaking people. Although young, being only nineteen years old, Pte. Smith looks "every inch a soldier," and if occasion arises will take his part in the glorious deeds of valor, for which the Canadian soldiers have

He so highly commended by great French and British Generals. Patriotic songs were sung, and the spartan spirit shown by the people throughout all Canada was predominant in his father, brother and sister.

His schoolmates bounced him boisterously, just to show how much they liked him. Ice cream and cake were served. The gathering dispersed after singing God Save the King. The address read by Hugh McKay, Clinton, May 26th, 1916

A large number were present in uniform and some in full. The singing: the National Anthem, "O Canada Christian Soldiers," "Soldiers of Christ Arise," and "Stand up, Stand up for Jesus," was splendid. Miss Madge MacPhail ably rendered a patriotic solo. The pastor, Rev. George Orman in unveiling the roll pointed out that all denominational and creed distinctions had been ignored; it was thought that they were island patriots, eager and willing to respond to their country's call. The discourse delivered was in keeping with the object of the service. Text: "A Good Soldier of Jesus Christ." The names were written out by Mr. John E. Harris, who also read them out to the large congregation assembled.

Martin, a pupil in Grade 5 Eldon School has sent in the splendid sum of \$14.25 and as he had to collect from 57 persons to make up the amount, he is to be congratulated for the good work he has done. He well merits the certificate and also gets one for his classroom. In speaking of this however there is no intention to discourage other workers, because whatever they are successful in obtaining will all help. Perhaps even their 25cts, 30cts, or 40cts as the case may be will be of much value, and it requires the interest of all our school children, to secure another Kitchen.
