LAMBS FOR MARKET—The Agricultural Gazette of Canada says: "One year ago a campaign was inaugurated in New Brunswick for the better fitting of lambs for market and this was followed up by co-operative shipments to Montreal. This movement proved so satisfactory that a large number of requests were immediately registered and a much wider territory was touched than was originally intended last year. This year, at the request of the people, a man is already at work in Prince Edward Island. Three extra men have been placed under Mr. J. K. King to work for the Moncton office in New Brunswick, and arrangements are being made to immediately place a permanent official in Nova Scotia to carry on similar work. The underlying idea is to place live stock on the market in the best condition and in the best possible manner, in order to bring the most satisfactory prices available.

WEDDING BELLS.—A very pretty wedding was solemnized in Patrick's Church, Providence, R. I. at 8 o'clock, Tuesday morning, June 29th by the Rev. Father Roddy, when May E. The solos Salva Regina and Ave Maria, were sung during the nuptial Mass by Mr. Brennan, a friend of the bride party. The attendants were the bride's sister and her husband, Mr. and Mrs. Wm. E. Corless. After the ceremony the bridal party drove to the "Hotel Dreyfus" where breakfast was served to about twenty immediate friends and relatives of the happy couple. After the breakfast the happy couple left on a wedding tour to Buffalo, N. Y., etc. The Guardian joins in happiest congratulations.

An Always Ready Pill—To those of regular habit medicine is of little concern, but the great majority of men are not of regular habit. The worry and cares of business prevent it, and out of the irregularity of life comes dyspepsia, indigestion, liver and kidney troubles as a protest. The run-down system demands a corrective and there is none better than Parmelee's Vegetable Pills. They are simple in their composition and can be taken by the most delicately constituted.
