

# THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown

The latest news, first of all. S. W. and Mrs. Crabbe, City, are expected home from Halifax tonight.

The mail train arrived in this City at ten after ten Saturday night. Five persons were received into the membership of the First Methodist Church yesterday morning.

John McPherson, Glen Martin and Duncan Cameron, Sydney, were passengers to the City Saturday by the Murray Harbor train.

Any person desiring to purchase a bargain a fifty dollar Ladies' or Gents' Bicycle, never in use, should apply at Guardian office at once.

Miss Jennie Darrach of New Haven has returned home after spending several weeks at Argyle Shore the guest of John and Mrs. Ferguson.

Among the arrivals by the steamer Northumberland Saturday evening were J. M. Ellsworth, Woodstock, A. C. Short and D. Lawson, Halifax.

Miss Maud Gregory returned to Nova Scotia on Saturday morning after a pleasant visit to her parents Samuel and Mrs. Gregory, St. Peter's Road.

Rev. H. E. Thomas, Rev. Wm. Harrison, W. C. Turner and Henry Smith, City, leave this morning to attend the Methodist Conference which meets in Woodstock, N. B. They will be absent about ten days.

Among the passengers arriving in the city Saturday night by the mail train special was Ad. Cornish of the St. John's Salvation Army local corps. A goodly number of the city S. A. Soldiers were at the station to meet him.

Do not send communications to individual members of staff. Every thing should be addressed "The Charlottetown Guardian, Charlottetown, P. E. I.," and on the left hand corner at the bottom of the envelope should be "Advertising," "Subscription," "Editorial," or "News" according to the contents.

Charlottetown was visited about half past eight Saturday night by the first thunderstorm of this season. The lightning was exceptionally vivid, and a large number of non admirers of the electrical display were glad that it soon ceased, leaving a cleaner atmosphere than has been enjoyed for some days.

Watson C. Jacques of the Dominion Observatory, Ottawa, and Mrs. Jacques, are in the city en route to Charlottetown and other points in the Maritime Provinces where Mr. Jacques will make astronomical observations. Mr. Jacques spent a few weeks here last summer on similar departmental work.—Moncton Transcript.

The members of the Charlottetown Rifle Club will meet at Kensington range this afternoon to compete for the challenge cups and other prizes which have been so generously donated by H. H. Brown. This match will be the first of a series of three, the cups to be won on the aggregate scores. The other prizes will be won on right in each match. The match starts at two o'clock, and it is to be hoped the attendance will be large.

A large circle will receive with regret news of the death Thursday morning, at her residence "The Willows," of Mrs. Edna, widow of Frank Edna, who for several years represented Ward V. in the City Council. Mrs. Edna had not enjoyed good health for two years past, but the illness which proved fatal was of the grippe, and was of only three weeks' duration. She is survived by four daughters and one son—Rev. Sister S. Florine, of St. Paul; Mrs. Frank B. Scott, of Salt Lake City; Mrs. C. Gavin Duffy, of Charlottetown; P. E. I.; Miss Helen C. Edna and Fred F. Edna, at home. Mrs. Scott and Mrs. Duffy were with their mother during her illness. Mr. Duffy, Mrs. Edna's son-in-law, and Jos. McCarty, another, having also come on, owing to her illness. The family will have the sympathy of many in the loss which they have sustained.—Halifax Herald.

Considerable excitement was caused on the corner of Pownall and Euston St. last night, when several drunken men started to make things lively, one of them going so far as to threaten in language most profane to "fix some body this night," enforcing his threat by brandishing a large clasp knife, such as used by sailors. Some people passing were chased and received as head cases. As far as known there were no arrests made.

The Guardian regrets to learn of the serious illness of Miss Carrie, daughter of C. B. and Mrs. Chappell of this city. The young lady was at first thought to be suffering from kidney trouble, but eventually it was discovered that lung trouble was the cause of her ill health. Every effort is being made to combat the dread disease, and that Miss Chappell's recovery may be only a matter of time is the wish of her many friends.
