

The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the hard coughing, heals the torn membranes. We have no secret! We publish the formulas of all our medicines. J. C. Ayer & Co., Lowell, Mass.

WHAT DO YOU CARE? YOU'VE GOT YOUR HEALTH

Great Natures Do Not Despair at Disappointment—They Look for Something Else to Do.

The broad-gauged man of to-day does not get blue just because things don't always come his way unless there is something the matter with him. If he "falls down" on one proposition he immediately starts to look up another. He always looks forward and keeps on hustling. A man with his health and faculties has plenty of opportunities and the man who gives up or even feels like it has either a small nature or some physical weakness.

Dyspepsia certainly puts the best of men out of condition for work of any kind. You cannot blame the dyspeptic for getting blue. The very nature of his disease is most depressing and calculated to deprive him of ambition, energy and hope. There is hope for him, however, certain and sure.

Stuart's Dyspepsia Tablets are recognized throughout the length and breadth of the land as the one cure that's safe and sure. Their unbounded popularity—resulting from the thousands and thousands of cures they have effected, prove beyond the shadow of a doubt their greatness as a cure. Wherein lies their greatness? In the very fact that they are Nature's own simple remedy. They do the exact work in exactly the same way do because they are composed of exactly the same elements and possess the same properties. They relieve the weak and worn out stomach of its burden of digestion and permit it without let or hindrance to rest and grow sound and well. The stomach will get well quick enough in its own natural way if it is let alone. That is what Stuart's Dyspepsia Tablets do. They not only let it alone themselves but make the food taken into the stomach do the same.

You can satisfy yourself of the truth of this statement by putting the food you would eat into a glass jar with sufficient water and one of Stuart's Dyspepsia Tablets. The process of digestion will be taken up and carried out just as the gastric juice and other digestive fluids would do it. Their action is natural and they cause no disturbance in the digestive organs. In fact you forget you have a stomach when they begin to do their work; so mild and natural is the operation. Stuart's Dyspepsia Tablets are for sale by all druggists at 50c a box.

Not how CHEAPLY but how SAFELY and EFFECTUALLY can I be fitted with glasses?
THIS is the QUESTION which every THOUGHTFUL person SHOULD ask. Cheap or ill-fitting glasses CAUSE more trouble than they RELIEVE. It takes TIME to CAREFULLY and ACCURATELY fit glasses. This is VALUABLE and cannot rightfully be given for nothing. THE FITTING tests which we make take TIME for which we ask FAIR remuneration. We give you the BEST POSSIBLE service and are CONSTANTLY on the alert to FURTHER improve our facilities. We therefore do NOT test eyes FREE and we feel that no RESPONSIBLE customer expects us to do so.
We invite those interested to see us about their eyes.
