I HAVE GAINED FIFTEEN POUNDS

Since Taking "Fruit-a-tives" And Feel Like A New Person

DRYSDALE, ONT., June 15th, 1913. "I am a general storekeeper at the above address and, on account of the great good I have experienced from using "Fruit-a-tives", I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a most terrific pain at the base of my skull. This pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain, but I took "Fruit-a-tives" steadily until I was cured. I have gained fifteen pounds since taking "Fruit-a-tives" and I verily believe they saved me from a disastrous illness."

THE PROBABILITIES.—At noon today the following weather bulletin came through from Toronto. "Heavy easterly gales, snow; Sunday—gales shifting to west and north, becoming colder again."

RUNAWAY.—Another runaway accident occurred at Victoria, on Wednesday which caused considerable excitement. The horse was owned by Mr. Fred Inman. The sleigh was badly damaged, otherwise no serious damage was done.

CONTINUOUS TO IMPROVE.—It is pleasing to learn that Mrs. Augustus McCuan, 1888 Broad Street, who is ill in the P. E. Island Hospital, still continues to improve and is making rapid strides towards complete recovery.

TRAFFIC RESUMED.—The P. E. J. R. line, which became blocked owing to the recent wreck, has again been opened. The English train went through to its destination on Friday evening and traffic has again been resumed as usual. The engine has not yet been put on the track and is lying at the side of the road bed being repaired by the wrecking crew.

EXAMINATIONS.—The following is the standing of the pupils of St. George's School for the month of January. Grade VI.—1, James J. Farrell. Grade V.—1, Georgina McDonald, 2, Sarah A. McCormac; 3, Margaret G. McCormac. Grade IV.—1, John D. McCormac; 2, Theresa McLellan; 3, Eddie McDonald. Grade III.—1, Alired Callow; 2, Joseph J. McCormac; 3, Wm. A. Farrell. Grade II.—1, Helen Farrell; 2, Jerome McCormac. Grade I.—1, Margaret J. McCormac; 2, George McCormac; 3, McCormac, Teacher.

FORTUNE COMES TO HIM.—Friday morning Mr. William McLaren, Whim Road, while going to his fox ranca was agreeably surprised to find a wild silver black female fox in his ranch. The snow being somewhat drifted up against the outside guard fence, made it an easy road for Miss Reynard to jump into the ranch, she, no doubt, being allured there by the domesticated foxes, but once inside the wire enclosure it was not so easy to get out again. Mr. McLaren is the proud owner of one of the Island's best silver black foxes, as was pronounced by some of Montague's expert foxmen yesterday.

EDUCATIONAL MEETING.—A meeting of the ratepayers of the Brudenell school district was held in the school house on Wednesday evening, Feb. 11. A program for the raising of the status of education in this district was outlined by Inspector Crockett. A very interesting and profitable discussion, in which the secretary, the trustees and a number of ratepayers participated, followed. A spirit of optimism pervaded the meeting and the people of this community are determined that their school shall rank as one of the best primary schools in the country. This week Inspector Crockett visited Valleyfield West, Valleyfield East, Brudenell, Victoria Cross, Lower Montague, Albion, Springfield, Dalrancy, and Lyndale. Too little attention is being paid to the comfort of the pupils during the winter months. Very few schools have any adequate systems of ventilation. A number of class-rooms were decidedly cold. The amount of actual suffering endured by the young scholars in cold, smoky, insanitary buildings is innumerable and should not be tolerated at which work was being carried on was dangerously near the freezing point. Victoria Cross, and Springfield buildings were clean, bright and decidedly comfortable.

CHANGES HANDS.—Mr. Duncan R. Robertson, North River, has sold his last pacer hexight to Mr. L. J. Simpson of Amherst. This fast pacer showed much speed as a four year old last year and is expected to be one of the fastest horses of his class in the Maritime Provinces this year.

FUNERAL MONDAY.—The funeral of the late George Alexander, who died on Tuesday morning, Feb. 10, 1914, will take place from the home of his son-in-law, Mr. C. E. Hughes, Covehead, on Monday, Feb. 16th. Two of his sons are now on the way home to attend the funeral.

ENJOYING A HOLIDAY.—Mr. H. W. Binning, manager of the Bank of Nova Scotia at Charlottetown, was in Windsor for a few days last week, a guest at the home of Mr. and Mrs. A. F. Armstrong. Mr. Binning was on his way to Toronto, where he intends spending his vacation.

ACCIDENT.—Mr. E. H. Wright, Victoria, had a runaway on Wednesday. His sleigh overturned throwing him out and the horse got clean of him. After running a short distance she was caught, not before she threw herself, however, badly cutting one of her forelegs. Mr. Wright escaped unhurt.

PLAYER HUET.—In the hockey game in Summerside on Friday night between the Crystals and the Abegweits, the latter's goal-keeper, Mr. Chester VanIderstone, received an injury, which, although thought to be slight at first, became more troublesome after the game. It then began to look as if one of the injured player's ribs were broken as he began to feel severe pain and expectorate blood. He was able to be about his work as usual, however on Saturday morning.

EXAMINATION.—The following are the results of the White Sand's school for the month of January.—Grade V.—1, Nelson Bell; 2, Wilkie Glover; 3, Mildred White.
