ELMSDALE NOTES

Mr. O'Connor and Messrs. George, Albert and John Wallace motored to St. Peters to attend the races there on the 17th.

Mr. and Mrs. Edgar Williams of Summerville, Mass., after spending a pleasant holiday on the Island, have returned to the States taking with them Mr. Williams' parents, Mr. and Mrs. Henry Williams of Elmsdale.

Among the summer visitors here from the United States are Mr. and Mrs. David Proffitt, Mr. and Mrs. Suttlein and little daughter, and Miss Suttlein. While here they are the guests of Mr. and Mrs. A. L. Rennie and Mrs. John Gordon.

The members of the Nazarine church are working busily these days on the Nazarine Manse which they are enlarging and repairing.

The interior of the Elmsdale United Church is being redecorated by the capable painter and paperer, Mr. Reuben Bowness of Montrose. Mr. Bowness' work here has always given complete satisfaction and it looks as though his present work will fully measure up to past records.

The whitewash brush has been used extensively here during the spring and summer and many places are looking the better for a coat of whitewash.

Our general merchant, Mr. J. A. Callaghan, is doing a stirring business these days. The destruction by fire a short time ago of Mr. A. L. Rennie's large store has for the time being, placed the burden of serving the public here on Mr. Callaghan's shoulders.

Movies were brought here the night of the 16th, by Mr. Cecil Dennis of O'Leary. A large number of people from Elmsdale and surrounding districts were present and everyone seemed to enjoy the picture, "The Girl from Chicago."

The people of Elmsdale are appreciating the fact that the Alberton Hall is undergoing repairs this summer. It is otherwise the Elmsdale Hall might not be so popular.

A picnic in aid of the United Church of Elmsdale was held on the Hall grounds the afternoon and evening of July 17th. In spite of the fact that a tea was held in O'Leary the same day, many people from far and near came for ice-cream and to enjoy the luscious supper served by the ladies of the church. The sum of \$176.00 was realized, a small part of which will go toward expenses of picnic.

School closed here for the summer holidays the afternoon of June 30th, when the annual examination was held. The pupils were thoroughly examined by their teacher, Mr. William Wallace and showed by their quick and able replies that they had

been well taught during the year. School leaving certificates were obtained by Oran Wallace, James Currie, Clifford Currie, Winston Currie and George Murray.

TRAVELLERS REST SCHOOL

A large number of visitors were present at the closing exercises of Travellers Rest School on Thursday afternoon, June 27th. The teacher, Miss Ella McNeill, was assisted in the examination of classes by Mrs. Hubert McNeill and Miss Ernestine Marchbank. The children acquitted themselves in their usual intelligent manner, special comments being made on the beauty of their drawing and color work done during the last half year.

Recitations by Misses Hilda and Dolorena McDonald and Master Alfred Rayner, also the Flag Salute and Chorus by all pupils were much enjoyed. Prizes, Grade VIII, certificates and a first class Physical Training Certificate were awarded. Then the following address was read by Miss Miriam Montgomery while Miss Helen Walker presented a beautiful box of chocolates and little Miss Jennie Smallman a dainty individual gift to the teacher.

Miss Ella McNeill, Dear Teacher,

We who have been your pupils for three years regret very much losing such an excellent instructor. We look back over the period during which we have received instruction from you with sincere pleasure. In presenting this small token, we assure you on behalf of your pupils that you will be remembered by us with feelings of highest regard and esteem. In this little remembrance of us, please do not recollect the dullness which we have often shown and the disobedience we fear we have sometimes manifested.

And now, dear teacher, it may please you to know that we are better as well as wiser from the instruction we have received from you.

We are, Your Loving Pupils, Miss McNeill thanked her pupils most heartily for their generosity and also thanked the parents for their never failing co-operation during the past three years.

Mr. Daniel McDonald, trustee then tendered the teacher a vote of thanks for so carefully training the children and the visitors endorsed the motion by singing "For She's a Jolly Good Fellow."

Ice cream and cake were served by Miss McNeill and the programme was concluded by singing God Save the King.

ANNOUNCE HUGE GRAIN MERGER

WINNIPEG, Man., July 20.—Nine big grain companies with headquarters here today announce the merger of their interests. They include the Stewart, Gage and Sellers interests, with some country elevators and large terminals. Something approximating \$7,900,000 is involved in the combination which becomes effective today.

P. E. ISLANDER IN COMMAND—Capt. Geo. A. Tanton, of St. Eleanors, P.E.I., has taken command of the motor ship New Orleans, a new liner of the Roosevelt Steamship Co. The New Orleans is a vessel of 9,400 dead weight tons; is 411.8 feet long over all; has a beam of 55 ft. and moulded depth of 34.11 ft. at the side to the shelter deck. She is equipped with a Diesel engine and capable of developing 4,000 horsepower, that will drive her to a speed of 123 knots. The New Orleans sailed from New York on July 15th for Brisbane, Sydney, Melbourne and Adelaide carrying both passengers and freight. The list of officers is as follows: Capt. Geo. A. Tanton; 1st Officer, H. E. Saunders; 2nd Officer, G. H. Williams; 3rd Officer, D. B. McLean; Chief Steward, J. Heldt; Chief Engineer, Geo. Brown; 1st Assistant, J. P. Slawiche; 2nd Assistant, H. Weston; 3rd Assistant, W. A. Berry; 4th Assistant, R. B. Lea; Electrician, W. R. Curran; Radio Operator, C. P. Allewein, several of whom are Islanders. Capt. Tanton is the son of Mr. Albert W. and Julia A. Tanton, of St. Eleanors, and since his discharge from the Canadian Army he has been affiliated with the U. S. Shipping Board and has many friends in the shipping industry, having sailed the Californian, Yomachichi and other vessels. A large delegation of friends prominent in the New York shipping industry paid Capt. Tanton a wonderful tribute before his departure and a presentation was also made. He is classed as one of the smartest men who ever sailed the seas. Bon voyage, Captain George!—Summerside Pioneer.

They see many changes in the Island especially in Summerside, where they resided twenty-five (25) years ago. Their many friends and relatives welcome them back again.

IN MEMORIAM

MISS MILDRED ARSENAULT

Death cast its gloom over Mount Carmel on the morn of June 24, at the early hour of 1.30 a.m. and claimed for its victim Miss Mildred Arsenault, a respected resident, at the age of twenty four years. Although ailing for some months Miss Arsenault was never heard to complain, but by her cheerful disposition endeavored herself to all with whom she associated. Strengthened and consoled by the sacrament of the Church, of which she was a faithful and consistent member, she bore her sufferings with exemplary fortitude, until rest came on the above date, when her spirit

passed to its heavenly reward. Her aunt, Miss Annie Arsenault, a registered nurse, who was with her during her illness, was, with the other members of the family, with her till the end.

Floral wreaths were received from Mr. and Mrs. DeBlois and Mr. and Mrs. Wilson, both parties having visited her during her illness.

Besides her sorrowing parents she leaves two sisters, Demerise and Jacqueline; five brothers, Levi, Andrew, Augustine, Edmund and Theophile, all at home.

The funeral was held from her home on Tuesday, June 25, to Mount Carmel Church, where solemn requiem mass was sung and funeral service performed by Rev. N. Poirier, after which her body was tenderly laid to rest in the adjoining cemetery.

The pall bearers were the following: Messrs. Philip Arsenault, Andrew LeClair, Levi Arsenault, Albert Gallant, Augustin Gallant and Philip Wedge.

An Attic Salt-Shaker

in New York, and after the performance went round to Hart's dressing room. Not a word did he say about his friend's acting, and finally, in desperation, Hart said:

"Frank, what did you think of me as Messala?"

"Fine! Fine! Fine!" O'Donnell joyfully cried. "The horses were great."

YOU recall that in the chariot race went round Ben Hur and Messala first one leads then the other until Ben Hur finally draws ahead and Messala's chariot collapses. Every night and every matinee for a year the four horses driven by Messala—alias William S. Hart—were beaten by the four horses driven by Ben Hur—alias William Farnum. A mechanical stage device saw to that. But Hart's horses knew in their hearts (no pun) that they could win.

THEN at one performance it happened! The race was on. Neither chariot was gaining an inch. Slowly, inch by inch, foot by foot, the blacks and whites driven by Messala were forging ahead. They knew it. They ran like creatures possessed. They were out in front. They strained every muscle to the breaking point. Then a death-like dash, and—THEY WON!

Poor Bill Farnum who had a host of relatives in front at that particular performance—it was at the Colonial Theatre, Boston—was broken-hearted, chuckles Hart (in his memoirs "My Life—East and West").

PETERBORO, July 20.—A field of fall wheat on William Stewart's farm, west of Keene, has been attacked by some insect which may be the Hessian fly. This crop has been heavily damaged, at least 85 per cent of it having fallen as a result of the boring of the strange and destructive pest. The report that reached the examiner has been confirmed by J. B. Nelson, District Representative of the Department of Agriculture, who added that he was not certain of the identity of the insect. He had the field under observation.

One circumstance which tends to point away from the Hessian fly is the fact that no other field in the neighborhood has been attacked, nor was there any sign of it last year. Mr. Nelson intimated that Mr. Stewart's field of fall wheat might be a total loss.

Big Educational Campaign

The Shredded Wheat Company is Conducting House-to-House Educational Campaign to Make Housekeepers Better Acquainted with this Popular Cereal.

The business of running a house and feeding a family is a big job. Most men would hesitate to tackle it. The burden is lightened by the selection of simple, nourishing foods that are easily prepared and easy to serve—foods that do not require a lot of kitchen work. That's the reason Shredded Wheat is such a boon to housekeepers. It is this drift toward simple, nourishing foods that accounts for the phenomenal increase in the sales of Shredded Wheat during the last twenty years. Many years ago the demand for Shredded Wheat was supplied by one big factory at Niagara Falls known as "The Home of Shredded Wheat." Now the Company has five beautiful, sanitary factories all running at full capacity to supply the demand for Shredded Wheat.

Most everybody knows that the whole wheat and whole milk are the most perfect foods given to men. Combine them in one dish and you have a delicious, nourishing food combination which supplies every element the human body needs. Shredded Wheat is the whole wheat. It is cooked in steam, shredded and baked—nothing added and nothing taken away. For thirty-five years The Shredded Wheat Company has been telling people about Shredded Wheat in newspapers and magazines. All its advertising has been educational. The Company is now conducting a house-to-house educational campaign in Charlottetown. The purpose of this campaign is to make the housewife better acquainted with Shredded Wheat, its high food value and its economy. People never seem to tire of Shredded Wheat—it is so satisfying and strengthening and can be served in so many tempting ways.

RED CROSS ACTIVITIES

Creelman and Miss Zinck have just finished a very successful series of chest clinics throughout Prince County. The places visited were Summerside, Malpeque, Wellington, Tyas Valley, O'Leary and Tignish. Owing to the absence of the doctor in one case and other important work of the doctors, attending medical conventions, etc., the clinics for Bedeque, Kensington, Cape Travers and Alberton have been postponed until later on. The number of cases examined at Summerside, O'Leary and Wellington have already appeared in The Guardian. Thirteen patients were examined at Malpeque; at Tyas Valley nine and at Tignish twenty-seven. Many of these were old patients and in some cases it was found that the patients had followed the advised treatment very carefully and now are cured or very nearly so. Dr. Creelman has now gone to Kings County to hold clinics there. Miss Zinck is continuing her good work visiting patients at their homes and has started two home nursing classes, one in Fernwood and the other in Middleton. Miss Zinck is very enthusiastic in her work and besides energetically carrying out her numerous Red Cross duties she is co-operating with the doctors in their efforts to have all the children vaccinated before the schools open.

WESTERN GUARDIAN

SADLY BEREAVED—The sympathy of a number of friends in Summerside, where they are well known, is extended to Mr. and Mrs. Angus Clements of Hebron, Lot 8, in the death of their daughter, Miss Dora, at the early age of seventeen years after a long illness. The deceased returned home only recently from the sanatorium in Boston, Mass., and passed away on Thursday last. The remains were laid to rest on Saturday, the funeral being very largely attended.—S

SHOULD BE VACCINATED NOW—There is a Provincial law to the effect that all children must be vaccinated before they are twelve months old, but quite a few parents neglect to have this done. The Summerside School Board have now decided that no children will be allowed to attend the Summerside High School after the holidays unless they can show a certificate of vaccination to the teacher. The doctors strongly advise that all unvaccinated children should be taken to them to be done as early as possible and not to leave it until the last few days of the holidays.—S

IMPROVEMENTS TO DOMINION SQUARE—Dominion Square, Summerside, has never been so nicely kept as this year, for which thanks are due to Councillor Grady, Chairman of the Parks Committee. The latest improvement is the grading of the plot surrounding the Soldiers Memorial, which has been planted with rows of geraniums which are now coming along into splendid foliage. The peonies which were donated by the Prince of Wales to the Daughters of the Empire are now bursting into flower. The work was done by Mr. George Williams of Summerside, to whom it does much credit. It is very nice to see this hallowed spot so carefully tended in remembrance of our boys who paid the supreme sacrifice.—S

DEATH OF MISS SOPHIE IVES

The death occurred at the home of her niece, Mrs. Harry Cotton, of Wellington, on Friday last of Miss Sophie F. Ives at the age of 72 years. The deceased was the youngest daughter of the late Mr. and Mrs. Joseph Ives of Ives Point. Her parents died when she was only a little girl and she resided in the States the greater part of her life, coming back to the Island through ill health only two years ago and had since resided with her niece, Mrs. Harry Cotton. There are left to mourn three brothers, namely:—Rev. John Ives, of Hampton, N. B.; Mr. Isaac Ives, of Minnesota. To them and to the niece with whom she resided and other Island relatives much sympathy is expressed. The funeral took place on Sunday with a service at the residence in Wellington. Rev. Mr. McQuinn officiating and was largely attended. Interment was in the cemetery at North Tryon.—S
