Opening Of Big Match Series Sat. Afternoon

Thirty-Four Golfers Will Tee off In Quest Of MacKinnon—McLure Magnificent Trophy.

The Charlottetown Golf Course, one of the finest in Eastern Canada, is again in championship shape and ready for the legion of golfers who daily enjoy this vigorous and health giving pastime.

On Saturday, June 8th, the first of a series of matches for the MacKinnon and McLure Trophy is scheduled and a herculean battle is anticipated.

This magnificent trophy is to be awarded the golfer who succeeds in capturing the issue on two different occasions. The winner for 1927 was Mr. Charles MacKinnon, and for 1928, Mr. Victor Saunders. Should either of these gentlemen win the match this year, the trophy will be consequently awarded. However, there's always a slip 'twixt cup and lip, as neither may finish on the top side in this season's match. Rumor has it that several "dark horses" will cast threatening shadows on the course during the series, therefore Charlie and Vic had better look out or the "Goblins" will get 'em if they don't.

It may also be mentioned here that each and every member of the Club has an equal chance of winning, as this match is a handicap affair.

Following are the players in the draw:

Handicap	Player
12	E. D. Nicholson
11	M. W. Weeks
9	F. B. Conrad

Plays	Player
18	Geo. Nicholson
15	D. B. Stewart
13	H. W. Weeks
9	G. G. Hughes
20	Geo. Filler
9	W. K. Rogers

Plays	Player
20	A. Taylor
11	C. H. Beer
17	Dr. Heath McIntyre
20	C. C. Thompson

Mr. Tonks, professional golf coach, is due here on June 17th, and will be at the Course for a period of two weeks to give lessons to beginners and all others who wish to improve their play. Mr. Tonks comes here highly recommended, and his expert coaching will no doubt, be an invaluable asset to those affording themselves the opportunity of playing under his careful tutelage.

Interest in Golf has greatly increased in this Province within the past few years and the membership of the Charlottetown Golf Club has gradually gained in numbers until now there are three hundred and ten enrolled.

The club was organized in 1902, and during the first season the game was played on the grounds of the Prince Edward Island Exhibition. The present site at Belvedere was secured in 1903. It contains one hundred and ten acres of rolling ground overlooking the Hillsboro River, and is situated some two miles east of Charlottetown. A stream of water rising from a number of springs within the course and flowing through the land to the river is highly prized as it makes the course harder, providing a good hazard for the game.

The turf is very excellent for the purpose, the course being noted for the good quality of the green. The absence of stones elicits very favorable comments from visitors.

NOTICE TO BIG LEAGUE RIFLEMEN BALL RESULTS WITH THE HORSEMEN

Riflemen will be interested to learn that Col. Leigh, Secy. of the Provincial Rifle Association, received a wire yesterday stating that Armourer Sgt. Webb of Halifax, will arrive this evening by train, and will be available at the Drill Hall Saturday and Monday.

A TASK UNFINISHED

"Aw, pop. Do you really have to move next week?"
"Well, everything's arranged, son. Why?"

"Well, there's a new kid on this block and I haven't licked him yet."

so cleared twenty-seven acres of fairway; these have all been stumped and seeded down to grass with the exception of three acres, now being finished. The new course is most beautiful, a number of these new holes are right in the centre of groves of birch and maple.

The new fairways have all been seeded down with Prince Edward Island bent grass, now considered to be the best in the world for this purpose. The velvet bent grass seed is native to this Province and it is claimed that this variety does not exist in any other part of the world. It required several thousand pounds of seed for the course.

There are several very sporty holes in the local Golf Links. One of these is pronounced by a visiting "Pro." to be a ten thousand dollar hole. It is a short hole of one hundred and fifteen yards and the green is almost entirely surrounded by water. There are also three holes measuring respectively 410 yards, 445 yards and 425 yards. Two are over five hundred yards and the "long hole" five hundred and ninety-five yards is said to be the longest in the Maritime Provinces.

WAS NINE HOLES

The course was originally of nine holes, but there will be fifteen in operation this season. The course will be extended to eighteen holes within a short time.

The total length of the course is over six thousand yards with a par of seventy-one. The club house has been doubled in size within the last few years, and is very modern, containing open fire places, electric lights, running water and lavatories.

EFFICIENT OFFICERS

The organization is fortunate in having energetic and efficient officers:
President—Percy Pope.
Vice-President—D. B. Stewart.
Treasurer—George Nicholson.
Secretary—H. W. Weeks.
Directors—E. D. Nicholson, K. M. Martin, L. E. Wellner, Gordon G. Hughes.

Pat McKenna, youngest trainer and driver of race horses in Canada, still holds the limelight for speed shown on the oval at the Exhibition grounds. Tuesday last he reeled off the last half in 1.09. Dr. F. C. Dougan's Marge Direct, coming the final furlong in 32 seconds. Marge wasn't on "high" either.

Twenty-six horses are training at the Exhibition track and more are expected to enter training this week. One cannot wonder at the fondness horsemen display for training there. No more beautiful spot or no more better kept track can be found in all Canada.

Our good friend and horseman Mr. C. H. Chandler has decided to again train Captain Jackson, 2.15 1-2. It is hoped he will be as good for him this year as he was one day last summer, when he stepped a mile in 2.15 so easily that he looked like 2.12.

A new grandstand for the use of groom and horsemen has been erected by Colonel D. A. MacKinnon in front of the stables occupied by his horses at the Exhibition Grounds. No doubt it will be well filled and plenty of pleasure taken out of it the next few months.

Since the recent announcement that Matinee races would likely be held on or about June 19th, this department has received lots of enquiries as to classes, etc. It is understood that these races will be staged just for fun, and that the Victoria Driving Club will hold the function. Therefore take around the hat and whatever lucre is received, turn it over to the Firemen and Legion Band Fund.

Ernest McTague, manager of the MacKinnon Stables, with caretakers W. Ferguson and Teddy Weir, have a string of eight horses and are nicely located at the upper section of the race track. Caretaker Reg. McMillan will join them shortly.

Y. BOWLING

Last night "United" defeated "Trinity" by 347 pins.

Another Yankee Star?

Bill Dickey, left-handed hitting catcher of the N.Y. Yankees. Huggins has been looking for a bird like this since Schang departed.

Ever since Wally Schang departed from the New York Yankees, Miller Huggins has been questioning about here and there for a left-handed hitting catcher. He has sent his emissaries into the brushiest of the bushes, they have trilled over thistle-covered sand lots looking for the talent sought until they were almost convinced that the species was extinct.

But patience is always rewarded, and this year, Huggins has one of the sweetest left-handed catchers in the person of Bill Dickey. He's only a kid yet and hasn't his full growth, despite the fact that he stands six feet one and a half inches, and would therefore look funny in Rabbit Maraville's pants.

A. McEachern of "United" rolled both the high single and three string scores of 323 and 691 pins. The deciding match of Church League will be rolled next Monday evening at 7 p. m. Following are the line-ups and scores —

BRINGING UP FATHER

ISN'T IT LOVELY IN THIS APARTMENT BUILDING? IT'S SO EXCLUSIVE. I DO SO DETEST COMMON PEOPLE.

I JUST LOOKED OVER THE LIST OF TENANTS. DINTY MOORE AND HIS BRIDE LIVE HERE.

WHAT!

THAT HORRID CREATURE AND HIS WIFE LIVING IN THIS BUILDING? THEY'VE GOT TO MOVE OR ELSE WE WILL.

I'M GONNA MOVE NOW!

THAT COMMON PERSON, DINTY MOORE, IS COOKING CORNED BEEF AND CABBAGE IN HIS APARTMENT UPSTAIRS AND I'VE SENT THE AGENT UP TO FIND HIM AT IT.

POOR DINTY—I SUPPOSE THEY'LL CANCEL HIS LEASE NOW.

IT'S QUITE TRUE. MRS. JIGGS—HE AND HIS WIFE WERE EATING WHEN I CALLED.

WHAT DID HE SAY WHEN YOU TOLD HIM YOU KNEW HE WAS COOKING IN HIS APARTMENT?

HE INVITED ME IN TO HAVE SOME AND IT WAS DELICIOUS.

WHAT?

AN' HE DIDN'T ASK ME?
