Giants Score Easy Victory Over Reds

NEW YORK, June 23 (AP)—New York Giants outplayed their mastery over Cincinnati Reds today with an easy 7-0 National League shutout on the four-hit hurling of Bill Lohman.

It was New York's seventh triumph in nine games with the Reds this season and the third time Lohman has beaten them.

All of the Giants' runs were charged against Paul Derringer, who gave up seven of New York's nine hits before being relieved with none out in the fifth inning.

Cubs Whip Phils

At Philadelphia, Lou Novikoff's homer with two on in the fifth inning paved the way for Chicago Cubs to beat the Philadelphia Phillies 8-4.

Novikoff's grand slam gave the Cubs a 5-0 lead and a big enough margin to withstand a four-run uprising by the Phils in the seventh inning off southpaw Vern Olsen.

Red Sox Whip Detroit 6-2

NEW YORK, June 23 (AP)—Lanky Ted Williams returned today to his favorite park, Detroit's Briggs Stadium and belted a two-run homer, his 15th of the season and first since May 30, to help Boston Red Sox to a 6-2 American League victory over Detroit Tigers in the opener of a three-game series.

Jim Tabor and pitcher Oscar Judd, 31-year-old rookie southpaw from Ingersoll, Ont., also hit for the circuit in the 10-hit assault on Paul (Dizzy) Trout, who was charged with his seventh defeat against five victories.

Tribe Wins on Homers

At Cleveland, a flurry of home runs from the bats of Oris Hockett, Les Fleming and Ken Keltner gave Cleveland Indians a 7-5 victory over Philadelphia Athletics in the opener of a three-game American League series.

The fourth circuit smash of the contest, by Bob Johnson in the fifth, counted for three Philadelphia tallies.

French Wins Sixth Straight

BROOKLYN, June 23 (AP)—Lefty Larry French received credit for his sixth victory without a defeat tonight in a relief role as Brooklyn Dodgers downed the Pittsburgh Pirates 6-2.

The Dodgers broke a tie score by punching five hits for four runs after two were out in the fifth inning.

 Special train leaving Charlottetown 10.30 a. m.
 Returning leaving Summerside 10 p. m. Return fare \$2.05.
 WILLARD McDONALD, Secretary, Summerside.

Police Probe At North Bay

NORTH BAY, Ont., June 23 (CP)—Investigation into alleged lack of police action in connection with a tip an escaped prisoner was in North Bay last Tuesday is underway and will be discussed at a meeting of the police commission soon, Mayor Charles C. Harrison said today.

The mayor said he has requested chief constable William Clark to place facts of the incident before commission members.

Excerpts From Budget Speech

OTTAWA, June 23 (CP)—Following are excerpts from the budget speech delivered in the House of Commons tonight by Finance Minister Flaherty:

"As we approach the end of a third year of war we find ourselves in the midst of undertaking a task more important than we ever hoped to assume for the defence of the world's freedom."

"It has been clear these many months that our economy is in the zone of full employment, a condition in which it is still possible to expand our programs for production and the armed services, but only if we are prepared to make careful and wise choices as to what is urgent, what is more urgent, and what we can do without."

"Thought leaders' stocks are large, it simply will not be possible during the present fiscal year for consumers to obtain the quantities of goods which they have been purchasing during the past year."

"We need not anticipate severe hardship; the government will do all it can to ensure equitable distribution of essentials."

"I look forward with reasonable assurance to transactions under the Hyde Park agreement being sufficient to safeguard our exchange position (with the United States) during the present fiscal year."

"To obtain from the people of this country loans to the amount of \$1,888,000,000 (allowing for the redemption of securities in New York and London), to obtain from the people and corporations of this country such an amount after they had had contributed nearly \$1,500,000,000 in revenue is a great financial achievement."

"We must bear in mind that if it is easy for some of the people of this country to lend, easy for the government to borrow, there is the presumption, unless most of the opportunities for expenditures have been blocked, that we are falling short of our declared policy (avoiding inflation)."

Marchildon Receives Call From Army

PENETANGUISHENE, Ont., June 23 (CP)—Phil Marchildon, pitcher with Philadelphia Athletics of the American Baseball League, has received his call-up notice from the Canadian Active Army, relatives were advised here today.

Marchildon pitched for the Toronto Maple Leafs of the International League before joining the Athletics three seasons back.

REMEMBER WHEN

By The Canadian Press
 J. C. Parke, British tennis star, defeated Bill Tilden of Philadelphia in straight sets at Wimbledon 22 years ago today and it wasn't an upset. Tilden hadn't reached his peak then. Since, the Philadelphia has won every major title in tennis. He turned pro in 1931.

Orioles club Syracuse 6-3

SYRACUSE, N.Y., June 23 (AP)—Baltimore Orioles edged a six-game winning streak of Syracuse Chiefs by scoring a 6-3 victory here tonight. After Lefty Smoltz's wildness had presented the Chiefs with a 3-1 lead in the second inning, Tom Dwyer gave the Orioles three runs in the third to sew up the victory.

HOLSTEIN

(Continued from page 1)

pose from the parent association this year.

The meeting was assured that the Provincial Exhibition would be held this year.

Mr. H. J. Kennedy, Southport, suggested that, as there was a small amount of money to spare, the prizes for the show be increased.

Mr. Walter Buntain, Rustico, was of the opinion that the amount paid in prizes was sufficient.

The matter of holding a field day in addition to the exhibition was left in the hands of the directors.

The grant for R.O.P. bulls of 25 per cent of the purchase price up to \$125 or \$30 bonus which was paid last year will be continued this year, it was decided and also the same policy in respect to females will be carried out.

The encouraging news that Prince Edward Island had made greater gains, Ontario excepted, than any other province of Canada, in the Dominion Association, was given by Secretary Cecil Stewart.

The meeting voted the same grants to the county exhibitions as were in effect last year.

Mr. Walter Dickie, Truro, N. S., was named first choice for a judge at the exhibition. Mr. Allison Profit, Freetown, was accepted as second choice or alternate.

It was stated there is more than one claim for a bonus each year by the Board of Directors will have to investigate and satisfy themselves that it will be a legitimate application. An amendment asking that this time limit be extended to two years was lost.

A report on the Tryon Calf Club revealed that there were ten members with seven pure bred calves.

The meeting then adjourned and the present went to the Blue Room of the Old Span where luncheon was held. The presentation of certificates to those winners of the various awards was a feature of the luncheon.

Hon. W. H. Dennis, Minister of Agriculture, congratulated the members of the association on their achievements and referred to the growth of the organization.

Although the war may divert from the necessary work of the farm the work is important as following it the farms will have to be rebuilt on pure bred stock.

He assured those present that the department was always ready to foster the livestock industry in the province.

Mr. S. G. Wright, Fieldman for

Queen's County, with the Department of Agriculture, added his congratulations to those receiving prizes. He referred to the Holstein records, which the winners were supplying.

The presentation of awards was then made by Mr. Stewart and Mr. Jardine.

Mr. Wilfred Boyer, Bunbury, was awarded the gold seal certificate for long time production of "Jean Abbecker Pontiac". This cow's record still stands second for fat in the Dominion. Mr. J. W. Jones, M.L.A., Bunbury, was awarded the red seal certificate for long time production with "Abegweit Pauline", also nine superior production certificates. These were received by Mr. J. Lincoln Dewar, New Perth in the absence of Mr. Jones.

Walter Buntain and Son, Rustico, received one red seal long time production certificate for "Seaside Jewel Echo."

The afternoon session at Prince of Wales College opened shortly after two o'clock.

It was moved by Mr. J. Lincoln Dewar that the meeting vote to decide whether or not the members wanted to purchase a community bull. This was seconded by Mr. H. J. Kennedy. Ten voted in favor of the idea but nobody voted against it.

The following committee was appointed to interview the government in this connection: Messrs. R. A. Profit, Freetown and J. Lincoln Dewar. This bull would be used by the breeders of the province and the government at Falconwood Farm.

The matter of the ruling on hauling cream three times every two weeks was brought up for discussion. Mr. S. C. Wright explained that this was being done in the interests of conservation of gasoline and rubber. He stated that first grade butter would be difficult to manufacture in this province when this order becomes effective. He pointed to the difficulty of keeping the cream in a cool place and the scarcity of tin cans. If the order goes into effect farmers will be up against a different problem. Also it is possible individuals will be prevented from taking their cream to the factory. It would be hauled by public conveyances.

Mr. Granville Buntain, Rustico, moved that those receiving bonuses should become members of the association. It was seconded by Mr. Douglas Aitken, Fortune, and adopted.

The lady in the picture is Mistinguette who must be in her sixties. She is the French singing and dancing star who was in her prime right after the last war. She is being escorted to a night club in the Montmartre district of Paris by Max Schmeling on her right, and Georges Carpentier on her left. Carpentier has gone collaborationist, and Schmeling who was once heavyweight champion of the world which he won on a foul; is of course rounding up such Nazi propaganda material and making use of it. Carpentier once fought Dempsey, and was more popular than Jack at the time. Now the roles are reversed and Carpentier as this picture shows has been "invailed," while Dempsey has gone into the American Army service.

PLEBISCITE VOTE

(Continued from page 1)

been in effect for two years with the restriction, now to be removed, barring conscription for service outside Canada.

He would always prefer to see the army overseas a voluntary army but if the time came when that army could not be maintained without conscription then conscription would have to be imposed.

"We cannot let the army down and what is more important, we cannot let Canada down," he added.

The necessity for the government having power to impose overseas conscription was more obvious now that the Japanese had shelled Vancouver Island and taken the first step along the Aleutians, the bridge from Asia to America.

"Canada has three fronts," he said, "and I contend that for us in the long run the English Channel is the most vital of all."

There the Canadian army, with British and United States troops, stood ready to beat off an invasion and also ready to launch "an offensive which must succeed if the cause of the United Nations is not to fail."
