The Eastern Guardian

.. *IT PAYS to buy in this Province
.. *MR. T. G. IVES is Guardian agent in Montague.

.. *NOW IN BARRACKS.—The King's Co. Siege Artillery Draft went into barracks on Saturday, Feb. 17th, after a protracted wait, and the soldiers are by no means sorry. They enter upon the real soldier life. Bombardier Gallant, Gunnery Sergeant Paquet, and Tpr. Stewart are going to Halifax Tuesday to take a course

.. *GIFT APPRECIATED.—Mrs. Michael Burke of Georgetown recently received a letter from her husband, Private Burke of the 105th Regiment in which the writer desired through the medium of the Guardian to thank the ladies of the Georgetown Red Cross Society for a nice Christmas box he received from them containing many comforts much appreciated by the boys so far from home. Mr. Burke and the other members of the 105th with whom he is stationed are enjoying good health and are delighted with the part of the country in which they are quartered.

.. *PAINFUL ACCIDENT.—Another most painful accident also happened a few days ago in Fortune when Mr. Daniel Burke had his leg broken by a kick, he fell under the horses' feet and was badly tramped before he managed to crawl away from the seemingly infuriated animal. His wife—the only one at home—on hearing the commotion immediately ran to the stable and was greatly shocked to find her husband so seriously injured. With great difficulty she managed to get him into the house. As she was alone with the suffering man, medical aid could not be summoned till the next day. It is sincerely hoped his severe injuries may not prove fatal.

.. *LORNE VALLEY.—Hon. James D. McInnis, M.L.A., St. Peter's and Mr. Allan Shaw of Cardigan were to Lorne Valley on Thursday last on a business trip. Mr. J. A. Howatt representing Carvell Bros., Charlottetown was to Lorne Valley last week on business connected with his firm. Several of the thrifty farmers of Lorne Valley are preparing for mussel mud digging on St. Peter's Bay and all are busily engaged taking advantage of the fine weather and good roads to get home their firewood and fencing material for the ensuing spring. The reputation of Lorne Valley horses for speed was ably sustained by Mr. William McPhee who with his Progress mare carried off first prize in the fast race on Cardigan ice on Wednesday last. Though Mr. McPhee's mare had no previous race against keen competitors proves training the fact that she won this that she will give a good account of herself in any race in which she may be entered.

.. *KING'S COUNTY SIEGE ARTILLERY DRAFT FUNDS.—The Regimental Fund of the King's County Siege Artillery Draft has been increased by private subscriptions to over eighty dollars, and the first call on the funds was made by the men on going into barracks Saturday, for the purpose of obtaining necessities not supplied by the Department of Militia.

.. *SOURIS.—Tuesday, February 13, was nomination day in Souris for the three councilors who are to take the place of the three that retire automatically. Mr. Charles Stiers, W. Leard and Donald Lavie were the nominees. The dramatic club of Souris under the efficient direction of Mr. F. Scully are having tri-weekly practices for an interesting military play to be staged on March 17th or about that time. The weather man—"Any complaints?" "None this week, sir."—X.

.. *SERIOUS ACCIDENT.—Mr. James Dingwell, Fortune, was the victim of a very serious and painful accident a few days ago. He and his wife were driving to Mrs. Webster's with a spirited horse when something happened to the sleigh, so that it pitched out the animal by some means knocked him down and then to add to his injuries tramped on him. He is now suffering with a badly fractured hip and as he is well advanced in years, such a severe injury is almost incurable. His wife, an elderly lady who was with him at the time fortunately escaped injury. Much sympathy is felt for Mr. Dingwell by his many friends.

.. *Mr. Allan McLeod of Forest Hill was a visitor to Georgetown on Saturday.

.. *Mr. James McIsaac, Editor of the Charlottetown Herald and Conservative Candidate for Kings County spent Saturday in Georgetown.

.. *Mr. McEachern trackmaster of the P. E. I. Railway was to Georgetown last week on business connected with his Department.

.. *Among the passengers to Souris on Friday the 16th was Major Leigh, Paymaster of the Artillery Drafts. Needless to say, the boys were very glad to see him. The paymaster is always a welcome visitor to Souris.

.. *Prof. John A. Macdonald, B.A. formerly of Prince of Wales College was a passenger by the car ferry last week returning to the island to attend the funeral of his mother who died recently at Rockbarra, King's County.

.. *Many will regret to hear that Mr. J. J. Hughes, M. P. is in the hospital in Ottawa suffering from a serious attack of pleuro pneumonia. Though his condition was critical last week the latest word was that he was slightly better and it is hoped he may soon be out of danger.

.. *Mr. John Campbell, Fortune Bridge who has been in the employ of Matthew & McLean of Souris for the past three years, left a week ago for Seattle, Wash., where a good position awaits him. "Jack" made many friends in Souris, in business as well as in the social life and by these he will be greatly missed. All wish him every success in his new field of labor.

HOW TO GET RELIEF FROM CATARRH.

If you have catarrh, catarrhal deafness, or head noises go to your druggist and get 1 oz. of Parnin (double strength), take this home, add to it 1/4 pint of hot water and 4 oz. of granulated sugar. Take 1 tablespoonful 4 times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open breathing become easy and the mucous stop dropping into the throat.

It is easy to make, tastes pleasant, and costs little. Every one who has catarrh should give this treatment a trial. You will probably find it is just what you need.

Any druggist can supply you, or a bottle will be sent on receipt of 75c, postal note or money order. Address International Laboratories, 14 St. Antoine St., Montreal, Canada.

LORD ROBERT CECIL PAYS A HIGH TRIBUTE

LONDON, February 17.—On the occasion of the withdrawal of Americans of the Commission for Relief in Belgium from Belgium and Northern France, Lord Robert Cecil, who, in France, Lord Robert Cecil, who, in his capacity of Minister of Blockade, has been brought into intimate contact with the Belgian Relief operations declared in a statement to the Associated Press that Herbert C. Hoover, chairman of the Commission, and his colleagues would leave behind in Europe a reputation which the United States could count on as a national possession in future years.

"The withdrawal of the Americans from participation in the work of the Commission for Relief in Belgium, and the withdrawal of Walter Hines Page, the American Ambassador here, and Brand Whitlock, American Minister to Belgium, as patrons of the commission, will be very sincerely regretted by the entire Allied Government," said Lord Robert Cecil.

"The Commission still goes on in the hands of its other neutral members, but you know how the organization of the relief commission, both here and at Rotterdam and in Belgium and Northern France, was created by and practically directed by Mr. Hoover and his American colleagues who for more than two years have sacrificed every personal interest to this great humanitarian enterprise.

"Now I am not going to pay any tribute to their business organization or their efficiency, as wonderful as these things have been. The mere fact that for twenty-eight months they have kept alive 10,000,000 people without a single serious hitch in the machinery of purchase, transport and distribution show what their organization has been.

"What I do want to say is this: When the first proposals were made in October, 1914, for the importation of foodstuffs into Belgium after the fall of Antwerp, those proposals were directly counter to the very ordinary dictates of military prudence. The natural feeling of the people here was, and long continued to be, that the Germans were in complete control of Belgium and how could a dozen or two neutrals safeguard the supplies imported. It was only with the great anxieties and misgivings the we consented to allow the importations, and I sometimes doubt whether the proposal ever would have been made or our consent given if we had known how long the work would have to last or the extent to which it would grow. "Yet, in spite of this, the work has gone on uninterruptedly for twenty-eight months, and has grown from small beginnings into an undertaking which may literally be called gigantic.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If feverish, bilious, constipated, give fruit laxative at once.

Don't scold your fretful, peevish child. See if tongue is coated; this is sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhea, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet. Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages, and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
