STRAIN ON YOUR EYES

Eyes used for close work—particularly if lighting is not correct — are subject to a greater than normal strain. This brings the patient discomfort if there is present any appreciable refractive error and shows itself in headaches, sore eyes, etc. A person has no way of knowing the degree of strain on the eyes until they are examined.

Gives Report Of International Y's Men's Club

Y's Man Claude Smith, past president of the Charlottetown Y's Men's Club last night told of the conference of International Y's Men at Grand Rapids last August. Mr. Smith, accompanied by Mrs. Smith represented the local Club. The International organization was described vividly as a smooth running balance wheel of some great machine with each local club a cog. Delegates from many countries attended the gathering, Mr. Smith said.

Vice-president Fred Holman presided at last night's weekly session of the local club and reports were heard from committee chairmen. George Craig, games, Joe Curran, boy's work, Walter Wilson, attendance, Edwin Johnstone, visiting Jack MacNair, program, and Ernest Bell, stamps, all told briefly of the activities of their departments.

At the next meeting Club members would debate the resolution "that the automobile has been a benefit to Prince Edward Island." President William Massey and Edwin Johnstone would support the resolution and James MacFadyen and Jack MacNair would speak on the con side.

Mr. Ora MacCallum of the Saint John, N. B., Y's Men's Club was a guest.

Miss Sally Wood sang a solo and was heartily encored by Club members. Miss Lillian Earle, Club pianist was accompanist.

BISHOP'S WIFE DIES OF HURTS

Mrs. W. Burd Succumbs To Injuries Suffered In Crash.

PRINCE ALBERT, Sask., Dec. 2—Without regaining consciousness, Mrs. Walter Burd died Tuesday, Nov. 30 from head injuries received in an automobile accident Friday afternoon. Mrs. Burd, wife of the Bishop of the Anglican Diocese of Saskatchewan, lay in a coma for ninety hours in hospital here.

Bishop Burd was in a near-by ward when his wife died. He, too, was injured in the accident, but not critically His condition, however, was considered to be too serious to permit moving him to the side of his wife.

While travelling from Saskatoon, the Bishop's car collided with one driven by Earl Hardisty, Saskatoon traveller, about a mile north of Duck Lake. The cars crashed head on as each driver was following a single track in the snow-covered highway during the winter's first blizzard. Visibility was virtually nil. Mrs. Burd was knitting as her husband drove the car. The force of the impact threw her forward and upward against the top of the windshield.

Hardisty is still in a hospital at Rosthern. He may have suffered severe internal injuries, his physician said.

Swimming Star Is Sued For Divorce

LOS ANGELES, Dec. 2—(AP)—Art Jarrett, orchestra leader, filed suit today to divorce Eleanor Holm, the former Olympic swimming star who recently cast her romantic lot with showman Billy Rose.

The complaint covered the entire picture of Miss Holm's public activities from the time she was barred from the 1938 United States Olympic team after a champagne party en route to Berlin. Rose was not named.

THIS FISHERMAN NEEDS NO LINE

VICTORIA, Dec. 1—Diver P. T. Collins likes to tell fish stories, and this is one:

"On one diving job up north the rock cod were very plentiful, and so friendly that they followed me around like dogs.

"When I was ready to come up, I reached out and grabbed a couple of the fattest. They made a fine supper."

He says its a true story.

That Body of Yours

By James W. Barton, M.D.

NOT EATING THE RIGHT FOODS MAY CAUSE DISTURBANCES OF THE HEART

I have had the opportunity for a number of years of examining most of the heavyweight boxers and wrestlers—Dempsey, Carpentier, Sharkey, Bear, Schmeling, and Louis, Londos, O'Mahonney, George Casey, McCoy, and others. Every thing was "normal" about them—heart rate, blood pressure, temperature, reaction to exercise.

However on examining boxers in the lighter weights I often found that the pulse rate instead of 72 might be as low as 60 to 64, with temperature slightly below normal and also a lowered blood pressure. This lowered heart rate, temperature, and blood pressure, was due to the fact that these young boxers were trying to get down to a certain weight at an appointed time, usualy 2 P.M. the day of the bout, and had cut down on their food and water intake for the previous 12 to 24 hours.

Now these boxers reduced their food and liquid intake for a matter of one or two days only; in most cases they would be back practically to their normal weight —3 to 7 pounds heavier—eight hours later at the scheduled hour for their bout.

What about those who are not boxers, who are not trying to "make" a certain weight at a certain hour, but are not eating enough food to keep them up to normal weight? Will lack of sufficient food affect heart rate and blood pressure?

Drs. Soma Weiss and Robert W. W. Wilkins in a clinical lecture at the Atlantic City Session of the American Medical Association this year stated that, "Fasting or severe reduction of diet results in a slowing down of the heart rate by almost one-half, a decrease in the blood pressure in the arteries, and a lowering of the rate at which all the body processes work." This of course may be a help for a short period—a rest for the heart and blood vessels—but "a prolonged reduction of the diet, on the other hand, causes unfavorable changes in the heart."

Drs. Weiss and Wilkins state that it is not the lack of the amount of food but of value vitamins, particularly vitamin B, that causes the changes in the heart, blood vessels, and body processes.

Thus while the amount of food may need to be reduced in heart and blood vessel disturbances, foods rich in vitamin B—raw cabbage, tomatoes, lettuce, fresh peas, lemons, oranges, grapefruit, spinach, asparagus, celery, carrots — should be eaten daily in medium to generous amounts.

Matthews-Carruthers Wedding

A very pretty wedding took place Wednesday, Dec. 1st at 4 o'clock, at the home of the bride's sister, Mrs. Edward MacFadyen, Augustine Cove, when Bertha Sophia, youngest daughter of Mr. and Mrs. Wm. Carruthers, Borden, became the bride of Herbert Sinclair, only son of Mr. and Mrs. Jesse Matthews of Alberton.

The ceremony was performed by the Rev. Mr. Charman of Alberton the double ring service being used The young couple were unattended.

The bride was tastefully dressed in an afternoon gown of blue chiffon velvet with matching accessories.

Immediately after the ceremony a sumptuous supper was served for the immediate relatives and friends of the contracting parties.

Later in the evening the happy young couple left on a honeymoon trip. On their return they will reside in Alberton where the bride for the past few years has been a successful school teacher, and where the groom is a prosperous farmer and fox rancher. Their many friends join in wishing them many years of happiness.

Special Session Prorogues Today

TORONTO, Dec. 2—(CP)—Prorogation of the special session of the Ontario Legislature tomorrow was assured today when three Government measures, only bills before the House, received second reading and passed through committee stage in less than two hours. Thus Ontario's 20th legislature will set a record for short sessions.

The Government made a drastic change in one of the three bills by which it hopes to speed up collection of succession duties from estates to which clearances have been given.

The act to amend the Judicature Act was amended by Attorney-General Conant to make the immunity to legal process apply only to succession duty proceedings.

THE SURGEON'S OPERATING LIGHT BLAZES A MESSAGE TO CAR OWNERS

THE surgeon's accurate eye must not be dimmed by darkness. Power wires may be snapped by storms, fires, floods and other accidents beyond the control of the ever vigilant utility companies . . . but against such occurrences many hospitals protect themselves with Exide emergency lighting battery systems that instantly and automatically supply light in case of power failure. Hospitals know from long experience that they can safely entrust this vital service to Exide Batteries. Is there any other battery which so thoroughly merits your confidence? With these facts to guide you, there is no need to rely on guesswork when buying a new battery for your car. But before you buy any battery, find out whether a new one is really needed.

For good batteries as well as worn-out batteries run down. There is an Exide Battery designed to suit every car. The newest Exide is the Hycap—a battery of high capacity as its name suggests. It is specially designed to easily take care of the demands of your defroster, radio, heater, etc., and still have ample power for starting your car in any kind of weather. Look for the Exide Dealer Sign—symbol of honest service. 71K

REV. J. F. TUPPER DIES IN TORONTO

Was Formerly in Georgetown and Cherry Valley

TORONTO, Dec 2—Rev. Joseph F. Tupper, 54, Toronto, former rector of St. Monica's Church here, suffered a heart seizure and died while on his way to preach in the church. Mr. Tupper was rector of St. Monica's for nine years, retiring because of illhealth in 1936.

Capt. Tupper was given assistance by two young motorists, who drove him to his own family doctor, who was out. He was then driven to another doctor, but was stricken with another seizure and died in the car.

He was widely known among exservicemen, and a popular speaker at meetings and banquets held by various branches of the Canadian Legion.

Born at Port Medway, N. S., Captain Tupper belonged to a family whose name has long been distinguished in the history of the Maritime Provinces. He was a graduate of King's College, Windsor, N. S., and minister to several parishes in that province. During the Great War, Captain Tupper recruited the 193rd Battalion which went overseas. As a chaplain with the Royal Canadian Regiment, he saw service in France.

Following the armistice, Captain Tupper was attached for two years to the Royal Canadian Air Force at Camp Borden as "Flying Padre."

Surviving are his widow, well known as "Kathryn Munro," a Canadian poetess, one son, Victor M. at Queen's University and one daughter, Dorothy Jean, at home. Two brothers, James A. and William Tupper, and two sisters, Mrs. Emma Bowser and Mrs. Elvin McKay, all of Nova Scotia, also survive.

(Rev. Mr. Tupper was formerly in charge of Anglican congregations at Georgetown and Cherry Valley, P. E. I.)
