Fast Race Wasted

Sir—Exhibition Week is getting near at hand and, with only three days horse racing it does not look like a very promising horse meet.

The majority of people like to see at least one race with real fast performers, but there are no classes for free-for-allers this year.

What about getting up a purse of \$1000, to induce the fastest of the Maine and New Brunswick circuit to come here and show their speed? Such horses as Roy Grant, John R. Brant, Jackson Grant, Calgary Earl and others, would bring a tremendous crowd of people from Nova Scotia, New Brunswick and Maine, who otherwise would not come.

I am sure the merchants would help out in this matter and other citizens who would like to see these horses perform.

Thanking you Sir for your valuable space I am Sir, etc. HORSEMAN
