## Sprint Record-Breakers

**George SIMPSON**

RECENTLY THE OHIO STATE SPRINTING STAR TIED TWO WORLD RECORDS IN ONE AFTERNOON. HE WON THE 100-YARD DASH IN 9.5 SECONDS AND THEN TURNED IN A MARK OF 20.6 SECONDS FOR THE 220-YARD EVENT. WHAT SPEED! WHAT SPEED!!

**Claude BRACEY**

THE TEXAS FLASH HAS BEEN CLOCKED FOR THE CENTURY IN 9 2-5 WITH A LITTLE ZEPHYR CHASIN' ALONG BACK OF HIM.

By QUIN HALL

Seldom, if ever, in the history of the track have there been so many fast sprinters sticking their spikes into the cinder paths of the country as during the collegiate season this Spring.

Fifth-second watches, which were once sufficient to clock the fastest sprinters, have been shaved down to tenths of seconds. It begins to look as if another cut may have to be made in the time pieces to accommodate the increased speed which is being registered by human flashes of the present time. When it comes to these shorts sprints there is almost as much difference between fifths and tenths seconds as there is between the liquor that comes off the boats and the stuff which is still being retailed in certain sections of the country — and that's considerable difference.

For a long time Charlie Paddock was deservedly called "The Fastest Human." The blond speedster proved it on many occasions and under all circumstances. Three years ago the California flash established a new record of 9.5. However, that time has not yet been accepted due to the attitude of the A. A. U.

Today Paddock is no longer king of the cinder paths and there are at least three sprinters who have treated Paddock's old mark like the proverbial stepchild. These three—George Simpson, of Ohio State; Claude Bracey, the Texas flyer, and Percy Williams, the Canadian speed boy—have been fighting it out all Spring, and the end is not yet in sight. Paddock's old record has been knocked into a cocked hat, and, while slight favoring winds and other atmospheric conditions over which the sprinters have no control may keep their records from being recognized by the high and mighty A. A. U., it is a certainty that, sooner or later, some lad — and it may be one of the trio mentioned — is going to turn in a mark of 9 flat under conditions which will be satisfactory to even the A. A. U. officials.

And think what's going to happen if these three filers retain their speed until the next Olympic games! Copyright, 1929, King Features Syndicate, Inc.

### THE MARKETS

**OTTAWA, Ont., June 11.**—Eggs—The preliminary report of storage holdings in Canada on June 1, just issued by the Dominion Bureau of Statistics, shows that holdings of storage eggs on the first of the month were 11,640,798 dozens as compared to 11,268,694 dozens on June 1, 1928.

**TORONTO.**—The local egg market continues unchanged, but the general tone still is easy. Dealers are quoting country shippers for ungraded eggs extras 28-29; firsts 26-27; seconds 22-23.

**MONTREAL.**—This egg market continues quiet and dull with some accumulations of stock. Carlot buyers are still holding off at prevailing prices.

MONTREAL, Que., June 11.—No

price changes were reported on the Montreal grain and flour market today. Butter prices were firmer again today. Eastern Townships number 1 pasteurized was selling from 36 to 36 1/2 cents per pound wholesale. Receipts were 310 boxes. Prices of Pasteurized butter to the retail trade were 37 cents per pound for solids and 38 for prints. Cheese receipts today were the largest this season, totalling 10,412 boxes. Prices were again a little higher today. Western number one white and colored 19 1/2 cents to 19 3/4 cents per pound, while eastern number 1 white and colored was 19 to 19 1/2 cents per pound. Receipts of eggs were 4,011 cases. Prices were unchanged. Canadian potatoes were unchanged at the reduction noted on Saturday. New potatoes from the United States were selling all the way from \$4 to \$6.50 per barrel of 165 pounds net.

Foundations of a thirteen-century monastery have just been uncovered in Revenstonedale Churchyard, near Kirky Stephen, England.

Filipina business men have offered to pay the city of Manila \$25,000 a year for the privilege of operating three cockpits within the municipal limits.

## Meeting Of The City Ball League

**Schedule Of Game To Be Drawn Up Friday Next—Ball Game This Evening In Aid Of Firemen And Legion Band.**

A very enthusiastic meeting of the City Baseball League was held last evening at the Revere Hotel. The following officers for the ensuing year were elected: President—S. F. Doyle. Vice Pres.—E. Nicholson. Secy. Treas.—James Power. Representatives — Stars, Daniel Coughlan; Anchors, George Francis; Rovers, Jack McCachern. A meeting will be held Friday night to draw up a schedule of games for the season.

The opening ball game of the season will be played between the Rovers and a picked team from the Anchors and Stars. This game should be a bang-up affair as some of the best ball material in the city will show their wares.

Another feature of tonight's tussle will be the presence of the Legion Band which will decore lively music at intervals during the game. No admission will be charged this evening—just a hat collection—and it is hoped the proverbial chapeau will be well filled, as the proceeds are to go to the Firemen and Legion Band Tournament Fund.

## Dr. Zella Clark Lectures On India

A large number enjoyed a very interesting and descriptive lecture given in the Baptist School room last evening by Dr. Zella Clark, who has recently returned from India where she has been engaged in missionary work for the past year. The lecture was given under the auspices of the Philanthropic Society of the Baptist Church.

Dr. Clark entertained her audience with an excellent description of her trip across the Indian Ocean and her varied experiences in Bombay. She also spoke of the customs of the natives and their modes of living. From Bombay she proceeded overland to Sompeta, where tornadoes are quite prevalent throughout the year. She referred to the Mission House and medical laboratory where she works before visiting the various nearby towns. Considerable information was given by the speaker with regard to the caste system in India. She also told of the regular routine missionary work explaining minutely the many hardships, and on the other hand the many pleasing features of the work.

During the evening a short programme was given, Miss Roberta Spencer favouring the audience with an excellent piano solo and a vocal solo by Mrs. Roy Cudmore. Both young ladies were heartily received.

Rev. Dr. A. C. Lindsay, presiding, made a brief but very complimentary speech, thanking Dr. Clarke on behalf of the meeting for the splendid lecture.
