Agonizing Eczema

Body Covered From Head to Feet.

5 Months in Bed—Burning, Itching—Blind at Times.

Another Great Cure by

Hood's Sarsaparilla

A medicine that will cure the worst cases of scrofula, eczema, psoriasis and other blood diseases, is sure to be successful with all similar troubles.

Mrs. Wynne's wonderful cure should convince you that Hood's Sarsaparilla is the medicine for you to take.

"I had a very bad attack of eczema, that terrible skin disease. No one can imagine the agony I endured.

"For five long months I lay in bed, tossing this way and that for bodily comfort.

"I had two doctors and was on a bread and milk diet for more than five months. No meat, potatoes, cereal or fish. I was white as a ghost from bread and milk.

"I did not have the eczema in one place only, but from the top of my head to the soles of my feet. My hair all fell out, and I was blind at times.

"I had 32 boils and 4 carbuncles at one time, was a mass of scabs and pus.

Oh, the Burning and Itching

and the treatment with all kinds of salves and oils! I did not have water on my face or any part of me for over five months. Instead, I was washed from head to foot in sweet oil, with a little carbolic acid. My house was like a drug store. Then I had a specialist, who said that in all his experience he **Never Saw Such a Sight** as I was. He wanted to take me to a clinic in New York, but I said no.

"About that time a friend suggested that I try Hood's Sarsaparilla. My husband got me a bottle, and from the first I began to improve, but it took a number of bottles to relieve me of that terrible affliction.

"Now I am quite well, and feel **I Owe My Life to Hood's Sarsaparilla.** My testimony can be fully verified by the leading doctors of this city." MRS. FRED WYNNE, 817 So. 2nd St., Plainfield, N. J.

Keeps All in Health.

"For years we have used Hood's Sarsaparilla as a valuable spring medicine. We would not be without it in the house. It has worked wonders in our family, keeping us all in perfect health." LULU SCHNEUKER, 53 Perry St., Woodstock, Ont.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Islandhas 103,000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and province

St. John has a population of 40,000 an the Province of New Brunswick 320,00 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000,or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, if compare with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patron alike. They have a right to know how completely their favorite Journal s endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province

CORRESPONDENTS should remember that to ensure early appearance of correspondence all matter sent in should be cut down as much as possib.. Every attention is paid to correspondence but it is impossible to get anything in as written, especially when as of late many communications are being received each day.

Established 1879

Whooping Cough, Croup, Bronchitis Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

THE MEDICINAL VALUE OF FRESH FRUIT JUICES

One of the Greatest Wonders of the Age.

Hundreds Have Been Made Well by Taking Advantage of an Ottawa Physician's Discovery.

Everyone knows how beneficial fruit is, when eaten regularly. Fruit is nature's laxative—the finest kidney regulator—and the ideal skin tonic. Unfortunately, the medicinal principle of fruit occurs only in minute quantities. In order to consume enough fruit to relieve Biliousness, one would also consume a large amount of woody fibre or pulp, which would upset the stomach and impair digestion.

An Ottawa physician discovered a way to get around these difficulties. He pressed the juice from apples, oranges, figs and prunes—and then forced one more atom of the bitter principle from the discarded orange peels, into the concentrated juices. This formed a new compound, having all the curative effects of fresh fruit—and in a highly intensified degree. Then valuable tonics and internal antiseptics were added and the whole pressed into tablets.

These are "Fruit-a-tives," the wonderful Liver Tablets you hear so much about. "Fruit-a-tives" cure the most obstinate cases of non-action of the bowels, biliousness, headaches, sleeplessness, nervousness, kidney trouble, rheumatism, sciatica and neuralgia. They are the greatest blood purifying medicine in the world, while their action on the skin, in clearing and beautifying the complexion, is nothing short of marvelous. Ask your druggist for "Fruit-a-tives" and see that you get them. 50c a box, 6 for $2.50. By mail, postpaid, from Fruit-a-tives Limited, Ottawa. 113
