WELL KNOWN TO STUDENTS.—After fourteen years of faithful and efficient service at Mount Allison, Mr. J. W. Crowell, professor of civil engineering, has resigned his position on account of ill health. It is with much regret that his resignation has been accepted by the board of governors. He has done exceptionally good work at the college and has also been a very successful citizen of Sackville.

A FAMILY REUNION.—A very happy party gathered at D. H. Lantz's home, Mildred Station, N. S., on Friday, October 31st, to celebrate the eighty-eighth birthday of Mrs. Lantz's mother, Mrs. D. R. Smith. There were present: two daughters, Mrs. Whidden, of Alberta, and Mrs. Lantz; Captain and Mrs. Farquhar (a sister), of Halifax; two grand-daughters, Mrs. Barlow, of Charlottetown, and Miss Whidden, who rendered noble service as a nurse in France; three nieces and a grandson. Mrs. Smith is wonderfully active for her years, is president of the Ladies' Aid and takes a great interest in all that concerns the welfare of the church. Mrs. Smith who visited with Mrs. Barlow in Charlottetown a few years ago is pleasantly remembered here.

A THANKSGIVING OFFERING.—The Presbyterian Witness says: The Forward Movement is making its appeal to the church and results are beginning to show even on the thanksgiving side. One of our active clergy in New Brunswick has received a subscription of \$500.00. The letter enclosing the cheque concludes: "The time seems opportune for a great effort by the churches of Canada. With the sincere hope that both locally and in the entire field great success may result from this whole effort." The minister is thinking of others and says "I am going to see that every man, woman and child takes a place in the niche provided for them in that list of contributors in the August Record." It was the reading of this list which led to the gift referred to. In P. E. I. a clergyman begins the list of those who propose expressing their gratitude to God—for Victory and peace by a special subscription of \$500.00 from his savings. Nova Scotia's turn is next.

MISSIONARY MEETINGS.—Thank-offering meetings were held at Murray Harbor North and Peters' Road in connection with the Woman's Missionary Auxiliaries on Wednesday and Thursday evenings of last week. Eloquent and practical addresses were delivered and suitable songs rendered by the Rev. Mr. Murchison of Malpeque. The children of a newly organized Mission Band have material assistance in the programme with recitations and choruses. Good audiences gave substantial offerings and received valuable inspiration along lines of Missionary thought.

ISLANDER ENTERTAINED.—The following item from the Quincey Evening Telegram of Nov. 17th will be of interest to Mr. McLean's home friends. On Saturday evening at the residence of Mr. and Mrs. Deacon, 15 Foster Street, a large gathering of friends numbering about sixty mostly natives of Prince Edward Island gave a farewell party to Mr. Hugh McLean who left today for his home in Belfast, P. E. I. Mr. McLean has been renewing acquaintances among a host of friends in this city and also paid a visit to his niece in Montreal and nephew in Ottawa.
