FOXES.—A. E. MacLean, Lot. 16, recently paid Albert another of his fortnightly visits and again he took away some of the best black foxes to be had in the town. Probably no one man in the business has taken more of the best stock from the Albert ranches and the money Mr. MacLean has paid out to the lucky owners is enormous. He has the best wishes for every success.

WAS WEAK AND RUN DOWN. NOT ABLE TO DO HER WORK.

Many women get run down, and are unable to look after their household duties, owing to their nervous system becoming unstrung. Day in and day out they have to go through the same routine of work, sweeping, dusting, cooking, etc. No wonder their work gets on the nerves and they become run down.

When a woman gets into this state there is only one thing for her to do, and that is to get something that will build up her system.

For this purpose there is not an equal to Milburn's Heart and Nerve Pills. Their restorative action is felt on every organ and tissue of the body, and in a short time the weakness will give place to strength and vitality, and make life worth living.

Mrs. Henry McIntosh, Oliver, N.S., writes: "I would recommend Milburn's Heart and Nerve Pills to anyone who is weak and run down. I was not able to do my work, nor rest at night for four years. After taking seven boxes, I am entirely cured, and can recommend them to anyone suffering from heart or nerve trouble."

Milburn's Heart and Nerve Pills are 50 cents per box; 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

TAKEN THOUSAND ZUTOO TABLETS Cured 500 Headaches.
Mrs. (Dr.) Shurtliff, of Coaticook, says: "Zutoo Tablets must have cured 500 of my headaches, for I have taken 1000 tablets. After trying every remedy within reach, I discarded them all four years ago for Zutoo, which I have taken ever since. I find the tablets a harmless and efficient cure for all kinds of headache."

MINTO ARRIVES.—The Minto arrived in Summerside on Saturday at 3.30. She had forty passengers going and thirty-five returning. Her outward cargo consisted of 1 car freight and her inward cargo 14 cars freight. She had 78 bags mail turning.

SLIDE BLOWN DOWN.—The heavy wind did some damage in Summerside Saturday morning. The new toboggan slide which was recently erected on the LeGurgey shippard by J. J. Gaudet was blown over by the gale and a slight injury was sustained by a young man, James Clements, who had the misfortune to have his wrist broken in connection with the fall of the slide.

HAPPY EVENT.—Congratulations, says the Oakland Maple Leaf, are hereby extended to John A. and Mrs. Smith, whose home in Burlington, Cal., was visited by that grand old bird, "the Stork," on December 1st, leaving a nine-pound boy. John is a native of Summerside, P. E. I., and his estimable wife comes from Grand River, West, in that province.

SAD DEATH.—Much sympathy will be extended to Leigh and Mrs. Lowther, North Carleton, in the death of their little daughter, a few days old, who was suffering from whooping cough, appeared in her usual health on Christmas Day, but convulsions developed and she passed away on Dec. 28th. Much sympathy is extended to the parents and friends.

PRESENTATION.—The closing exercises of Kensington High School were held on Tuesday December 24th. Quite a number of ratepayers were present to take part in one of the most thorough examinations held in that school for many years. The manner in which the pupils answered the many and difficult questions showed the result of careful and thorough training. The pupils in order to show that they have not failed to appreciate the helping hand of their teachers presented the principal with a nicely worded address, suit-case and dressing case. A number of the parents expressed themselves as highly satisfied with the result of the examination and congratulated the teachers on the high quality of the work done in all departments. Then the pupils were treated with a plentiful supply of candy, etc., and all departed wishing each other the best compliments of the season.

Miss Mattie McDonald, stenographer with Davis & Fraser, Charlottetown, under treatment at the City Hospital is reported to be doing well.

LADY SYBIL ARRIVES.—The S. S. Lady Sybil with decks well washed with combers poked her nose into Souris this morning, says a Souris correspondent, in the face of a blizzard, direct from the Magdalen Islands after having landed mails, passengers and freights at all points for the last trip of the season. Capt. Ferguson on the bridge looked the ship in good shape at Matthew and McLean's wharf and the steamer is now loading a full cargo for Halifax, and will probably leave Monday night.

ENORMOUS TIDE.—Saturday the different wharves in Charlottetown had a decidedly forlorn appearance. During the previous night there was one of the highest tides seen for some years which left them strewn with ice-cakes, etc. The tide came up on L. M. Poole & Co's wharf as far as the office door where several ice-cakes remained until Saturday. The harbor during the morning was filled in places with floating ice cakes through which the good ship William Aitken plowed her way and kept up a service between Charlottetown and Rocky Point the regular boat being off for repairs. The day tide is estimated to have been at least a foot higher than usual at Charlottetown for many years and the night tide to have been two feet higher. Goods in some of the warehouses on the wharves were damaged slightly by the spray working up between the planks.

THE WINTER STEAMERS.—The D. G. S. Earl Grey did not leave Charlottetown Saturday owing to an accident. While docking the evening before the steamer had the misfortune of getting a wire hawser entangled in her propeller. The D. G. S. Minto was ordered from Summerside to make the trip to Pictou yesterday. She left Summerside at 6.30 p. m. Saturday, having made the Summerside-Tormentine trip, and arrived in Charlottetown at 11.50 p. m. Yesterday she proceeded to Pictou where she took on mail, passengers and two divers who were secured to make the trip to the Grey and reached this port about 5 p. m. She will leave this morning about 7 o'clock for Tormentine, returning to Summerside in the evening and will continue on that route. The Grey will leave for Pictou as soon as repairs are affected. It is expected she will be ready for the trip sometime this forenoon.

Their many friends wish them a long and happy life together.

FOX BUSINESS.—The fox business is developing in more ways than one. On Saturday a man, name unknown, was arrested at Summerside as he was about to embark on board the Minto, charged with having sold and accepted a deposit of \$500 for a fox which he did not possess. It appears the gentleman was in Charlottetown some days ago and succeeded in interesting a citizen in a pair of foxes "recently captured" on the shores of Hudson's Bay. The foxes, he claimed, were in Summerside. The citizen bought one of the foxes, "unsight, unseen" and clinched the bargain with a \$500 deposit. The "fox owner" went to Summerside, ostensibly to get the fox but for some reason unknown, went on board the Minto and was about to leave for Tormentine. At this stage he was arrested and there the story ends for the present.

GARDIGAN.—Alec McGillivray is spending a few weeks at his home in Gardigan. Mrs. John D. McDonald and her daughter, Mary Lillian, spent the latter part of last week in Charlottetown. A happy event took place in East Boston recently when Hannah J. Sheppard of Gardigan was united in the bonds of matrimony to Hilmer E. Dodge of Boston, Mass. The bride was handsomely attired and carried a bouquet of roses. The bridesmaid was Miss Mary M. Sheppard, sister of the bride, while the groom was ably supported by J. T. Roache of East Boston. Their friends wish the happy couple success through life. Mr. Dodge is a prominent citizen of the United States and his bride is a popular young lady of P. E. I.—James Casey was a recent visitor to St. Teresa's. Michael Bowlin is dangerously ill and his son P. D. is expected home.
