

Pale? Thin? How is it with the children these days? Have they plenty of grit, courage, strength? Or are they thin, pale, delicate? This reminds you of Ayer's Sarsaparilla. It does great things for children. It gives them a good appetite, improves their digestion, builds up their general health. Ask your doctor if he endorses this.

W. W. Weillner desires to thank all who have assisted in making his Christmas trade the success it has been and would wish them the Compliments of the Season.

YESTERDAY Premier Peters, Hon. J. H. Cumplsey, C. P. W.; Hon. George E. The home of Mr and Mrs Henry Weeks, Fredericton, was the scene of a very pretty wedding on the 25th inst. when their daughter Miss Edna was united in marriage to Everett Haslam of Springfield. The ceremony was performed by Rev. H. Pierce, B. A., in the presence of the immediate friends and relatives of the contracting parties. The bride looked lovely in a gown of white silk with bridal veil and white roses. She was attended by her sister Miss Myrtle who wore a pretty gown of cream cashmere trimmed with lace, and little Marguerite Elliot niece of the bride, made a sweet little flower girl. Reginald Dixon, from Hampton, acted as groomsmen. The bride received many valuable presents, the groom's gift being a beautiful fur-lined coat, and to the bridesmaid and little flower girl a manicure set and garnet ring. The happy couple will reside in Springfield.

Those who enjoy exciting sport surely go their fill last night at the basket ball games in the Y. M. C. A. Gymnasium. Both games played were very fast. The first was between W. S. Kent Street School team and the second Clerks' team. The school team played a very clean game and won out by a score of 25 to 14. Jack Wickham played brilliantly as forward scoring nine field goals for the school. Balderston and Stanley played a strong guard game. The West Kent team though composed of young players show a good knowledge of the game and stand a fine chance for the trophy. In the second game Prowse Bros. team was defeated by the clerks in an exceptionally fast game by a score of 10-16—at one time during the second half the score was tie, but the clerks pulled up and won out. At times the game was a little rough but the best of good feeling was shown. Next Thursday the C. B. C. will play the Business Men and the Clerks will play the Al'egwells.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO, Toledo, O Sold by Druggists, 76c. Take Hall's Family Pills for constipation.

IF YOU WERE BUYING

an automobile you would want the latest improved style, or as near as you could get to it for the money you had to spend.

When offered a cheaply got up car, you would say: "I am afraid it will be too noisy and it won't ride comfortably."

You would want smoothness and noiselessness in an auto. Why don't you seek it also in your carriage? To improve it you have only to put on Dunlop Solid Rubber Tires. They will make riding more comfortable—add to the good appearance of your equipage—will stand any amount of wear on ordinary roads—will cost nothing in the end, because they pay for their cost in the wear and tear they save your rig.

You can't put Dunlop pneumatic tires on a carriage, but you can put on Dunlop Solid Rubber Tires, and they are the next best thing.

Everything in Dunlop rubber is made to preserve the credit of the name and of this trade mark.
