Officers for the new year were elected in the various districts as follows: St. Peter's, President, Mr. E. W. Webster, Marie; Secretary-Treasurer, Mr. Frank P. G. Savage, Harbour; George Town, President, Mr. S. M. Mallin, Heatherdale; Secy-Treas., Mrs. G. E. Poole, Lower Montague; South Kings, Pres. Mr. Edgar Giddings, Murray River; Sec-Treas., Mr. M. A. At the Georgetown district Convention held at Montague, twelve out of thirteen schools were represented by delegates and a wonderful interest manifested.

In the South Kings district very interesting and successful work has been done in the holding of rallies in various parts of the district. In Mr. M. A. MacNeill this year, has one of the most efficient Secretary-Treasurers in the business.

On Thursday, November 15th, a reorganization was effected of the work in Queen's Co., P. E. I.—Mr. Machum being present as the representative of the M. R. E. C.

Mr. J. A. Moore was in the chair, and Mr. J. H. Williams acted as Secretary of the meeting. The reports were received, the following officers were elected: President, Mr. G. F. Hutchings; Vice-President, Mr. J. H. Williams; Secy-Treas., Mr. John M. Gillis. Additional members of the executive were appointed as follows: Rev. R. C. Eaton, Rev. Geo. T. Hey, Rev. R. H. Miller's Worm Powders will clear the stomach and bowels of worms, so that the child will no more be troubled by their ravages. The powders are sweet to the taste and no child will object to taking them. They are non-injurious in their composition, and while in some cases they may cause vomiting that must not be taken as a sign that they are nauseating, but as an indication of their effective work.

### Famous Old Recipe for Cough Syrup

—Easily and cheaply made at home, but it beats them all for quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations by using this well-known old recipe for making cough syrup at home. It is simple and cheap but it has no equal for prompt results. It acts quickly, relieves every cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less. Get 2½ ounces of Pinex from any drug store, pour it into a 16-oz. bottle and add plain granulated sugar syrup to make 16 ounces. If you prefer, use clarified molasses, honey or corn syrup instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time. It's truly astonishing how quickly it acts, penetrating through every passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying, throat-tickling and dreaded cough disappears entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma. Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes. Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

### Quality Plus

When you buy King Cole Tea you expect quality. But you also look for something more—for a certain taste that is pleasant to you, and that will be repeated in every cup you make. The quality is produced in Nature's Garden; but the taste is the outcome of expert blending which gives King Cole its characteristic rich flavor—the flavor you like. Is it not worth much to have your cup of tea always—as you like it?

"You'll Like the Flavor."
