

Ray Robinson Retains Title By Decision

(By The Associated Press)
 OHIO, June 28—Leg-wearer Ray (Sugar) Robinson, world's heavyweight champion, successfully defended his title tonight by defeating Bernard Docusen, New Orleans challenger, in a blistering 15 round battle in Comiskey Park, home of Chicago's White Sox.

The decision of the two judges and referee Walter Brightmore was unanimous.

The 21-year-old challenger, never before floored in 60 bouts, gamely survived a nine-count in the 11th round to bring cheers from a slim crowd estimated at 8,500.

Robinson weighed 146½, Docusen 145½.

Intermittent showers all afternoon and low hanging clouds laden with rain tonight kept down the attendance. The gross receipts were estimated at \$45,000 of which Robinson received 25 per cent and Docusen 20.

The fight was started a half hour earlier than planned in an attempt to beat the threatened downpour. The rain, however, held off.

Canada Names Davis Cup Team

MONTREAL, June 28—(CP)—Henri Rochon, Canada's top-ranking tennis star, with two other Montrealers, Brendan and Jimmie Macken, and Walt Stohberg of Vancouver today were named Canada's choice to meet Mexico here in the July 8-10 Davis Cup tie.

F.S.B. Heward, chairman of the Canadian Davis Cup team selection committee, said the four would return tomorrow to get ready for the big contest against Captain Ignacio Borbolla's squad.

The quartet, together with Jim Skelton of Vancouver, have been practicing in Baltimore to get used to playing on grass because Canada's grass courts are not yet ready and players would be handicapped in switching from clay.

There was no immediate indication what assignments were in store for each of the four but Rochon, 24-year-old southpaw, and Brendan Macken, 25-year-old graduate of William and Mary College at Williamsburg, Va., seem good bets for the singles.

It was the third Davis Cup berth for both Macken and Rochon. They played singles on Canada's Davis Cup squad against Mexico in 1946 and against the Australians last year.

Rochon advanced to the third round in the United States indoor tennis tournament at New York last March before being whipped by Billy Talbot. Last summer he won both the Ontario and Quebec provincial titles and was the only Canadian to win a set in the Davis Cup tie against Australia, beating Dinny Pails after the Aussies had already clinched the round.

Macken, whose terrific service is considered the strong point of his game, is regarded as the hardest hitter in Canadian tennis.

Brother Jim is 22 and tried twice before for the Davis Cup team without success. He was rated sixth by the C.L.T.A. and speculation is that with Brendan he will get the doubles berth.

Stohberg, 25, is a powerhouse hitter and holds the Vancouver City crown.

Trailing by one game the Rovers this evening will have an opportunity to crowd the Anchors into first position in the City Baseball League. Dubbed "the old men of the league" they are not to be lightly regarded. The Anchors have every respect for the Rovers and with the league lead all but in doubt a good game should be in the offing for baseball fans.

Irv MacKinnon's Millionaires will be on the sidelines tonight, but they will be intensely interested in the outcome and will be backing the Rovers to come through. There is a determined effort to "stop those Anchors" and if they can be held the Millionaires, who have been showing vast improvement after each performance, will be chaffing at the bit for an opportunity to emerge from the cellar position.

This week will see two days and a night of horse-racing. There will be afternoon meets at Summerside and Riverside on Dominion Day, and on Saturday "under lights" over Canada's Finest Race Track at the Exhibition Grounds. Commencing next week and continuing until the end of the season there will be Wednesday afternoon racing over many of the country tracks.

S'side Red Sox Lose To R.C.A.F. 7 To 3

The Summerside Red Sox made six errors, some of them costly, behind Powell at the Summerville baseball diamond last night and went down to defeat before the R.C.A.F. by the score of 7 to 3. Mickus and Powell allowed 7 hits each, but the blow-up of Windy Steele's infield forces was the difference that meant the ball game.

Dr. Vince Grant, who after getting off to a poor start has developed into one of the most dangerous hitters in the league, got the only extra base blow of the game. Moose Carson made a fine leaping catch to Rob Bob Landry of a hit in the second inning and the Air Force ball tossers made only two errors all evening.

Australia Assured Of Cricket Victory

LONDON, June 28—(Reuters)—Australia's powerful cricket team tonight appeared assured of victory in the second test match against England, barring bad weather.

At close of play the English eleven was 490 runs behind with three wickets down in the second innings. Tomorrow is the last day of the five-day match at Lords.

Capt. Don Bradman declared the Australian second innings ended today at 460 for seven wickets. England then went to bat 595 runs behind and had tallied 106 for three wickets by the close of play. The Aussies scored 350 in their first innings to which England replied with 215.

If rain halts play tomorrow and time ends before the English side is dismissed, the match would be drawn.

This morning Australia, playing between showers, added 117 runs in 93 minutes for the loss of three wickets before declaring. Keith Miller showed a return to form with 74 in little more than two hours, including one six and five fours.

Sid Barnes had the only century of the innings, scoring 141 before he was caught by Cyril Washbrook off one of Norman Yardley's deliveries. Bradman had the second highest score, 89.

Australia won the first of the current series of five test matches.

Williams Ahead In League Race

CHICAGO, June 28—(CP)—Only the immortal Ty Cobb and George Sisler ever finished an American League batting race higher than the scorching 415 with which Boston's Ted Williams now is setting the pace.

Continuing his amazing climb at a time Williams last week surged four percentage points with nine hits in 20 trips to the plate.

That put him 52 points ahead of runner-up Lou Boudreau, Cleveland's manager-shortstop, who had 363.

Cobb, in 1911, and Sisler, in 1922, posted the highest batting percentage in the American League, .420.

In 217 trips, Williams has belted 90 hits. Second-spot Boudreau has 82 hits in 226 official tries.

In third place with 331 was Johnny Lindell of New York. Another Yankee, Bob Brown was fourth with 329 a point ahead of Al Zarilla of St. Louis, 328.

The roaring Williams also leads in four specialized departments. He is tops in runs-batted-in with 63, a week's increase of 10. He leads in hits with 90, in runs-scored with 59 and two-baggers with 19.

Top slugger of the week was New York's Joe DiMaggio, who wrested the home-run leadership from Cleveland's Ken Keltner with 18.

Top-American League pitcher was New York's Vic Raschi with 8-1 for a .900 percentage.

ly lost a game.

Mack says in explanation: "After Potter lost that game for us, I said to him, 'Were you doing your best out there?'" Mack leaves that question unanswered. Potter's answer is: "I told him I was doing the best I could."

Mack goes on to say he paid \$20,000 for Potter, which he cautions is a mistake, and that he doesn't care how good a player ever was has been or could be. All he cares about is how much good he is now.

Sport Echoes From Prince County

The Charlottetown Abegweits have won the first round in their annual set-to with the Summerside All-Stars, or have they changed the name yet? Our boys went into an early lead, but were unable to hold it due chiefly to some timely juggling in the field. Never mind, folks, it was only the first round, and if Joe Louis can get up off the floor to score a knockout at his age, why can't the Summerside All-Stars (maybe that name was a slight exaggeration) do something similar?

Ray "Giblets" Arsenault pitched most of the game for Summerside, and did a pretty fair job. Ray has made a real comeback this summer, pitching better ball than he has for some years. Last year he pitched a little but was comparatively ineffective.

Three times now we have taken on our rivals from the Capital City and have been on the wrong end of the count every time. Our Junior Kinsmen had previously gone down to defeat twice at the hands of the Charlottetown Recce Juniors.

There is no denying that the Summerside Intermediates have lost a lot of baseball ability, particularly on the attack, with "Boo" Morrison and Jimmie Grady not playing this year. A team can't lose two clouters of that calibre without sagging quite a bit in the batter's box. Grady has been ill, keeping him out of the game, and we hope in time he will be able to get back into the line-up with that explosive willow of his. Opposing right fielders haven't been getting enough exercise since Jimmy laid down his biudgeon.

Rain has been playing havoc with our local league lately. We have finished the first section, but there is one rained-out game to be played, and one protested game to be replayed, both contests having the R. C. A. F. and Legionnaires as adversaries. This week sees the beginning of the second section.

Word has been received that the American team from Harmon Field, Newfoundland, will be playing our All-Stars here in Summerside on the evening of July 15 (Thursday). There will no doubt be a record-shattering crowd out to see this game, as the Yankees are definitely one of the best teams in action. Many of the large crowd likely to be in attendance at this horse races here will probably remain in town for the baseball game.

Here are the leaders to date in stolen bases in the Summerside Baseball League: H. Gallant—3; F. Foy and G. MacKay—4; W. Brawley, F. Oatway and Elaine Phillips—2.

Here are the teams' batting averages to date. 1—R. C. A. F., .230; 2—Kinsmen, .225; 3—Red Sox, .211; 4—Legion, .171. The range of batting averages in the National League in 1946 was 265 for the leading St. Louis Cardinals team to 239 for the Cincinnati Reds, the poorest batters in the circuit. Seems to indicate that we're a bit weak with the war club in these parts.

Day horse racing will be ushered in for the year 1948 at the Summerside race track on Dominion Day, as has been the custom for a good many years. Besides the thrill of the horse racing there is the pleasure of meeting many old friends again on this gala day. Mr. Harold Gaudet, the proprietor of the local track, is fast getting everything in readiness to accommodate a bumper crowd for this annual event, and, remember, folks, remain in Summerside for the baseball game between the Harmon Field Americans and our Summerside team. If you haven't seen the boys of the United States in action, you can't afford to miss this opportunity of seeing the game played the way they play it south of the border.

Girls Softball

In an exhibition game of softball played yesterday afternoon on the Prince Street diamond, P. S. S. girls defeated Brighton Terrace girls by a score of 29-12. Brighton Terrace girls took the lead in the first four innings but the Prince Street girls, showing familiarity with their home diamond, forged to the front in the latter stages as they turned in a sparkling performance in the field and came through with timely hits in their turns at the plate. The Brighton girls, although guilty of numerous errors were the victims of some ill luck in the field.

The lineups:—

Prince Street Sluggers: E. Bradley, c; J. Dillon, p; M. Hurst, 1b; K. Skinner, 2b; B. McManus, 3b; J. Diamond, ss; N. MacNevin, lf; J. MacKinnon, cf; P. Campbell, rf. Brighton Terrace: K. Hutchison, c; MacRay, p; B. Rupert, 1b; L. Lewis, 2b; J. Giddings, 3b; A. Horne, ss; H. Holman, lf; C. Creelman, cf; J. MacGuire, rf. Umpire: Roy Vessey.

Recce Increases Lead In Junior League By Defeating Kinsmen 8-2

Charlie Ryan's Recce Juniors increased their lead in the junior circuit with a walloping 8-2 victory over Kinsmen at Memorial Field last evening.

Backed with stellar pitching by young Phil Murphy, who gained his second triumph of the season, and two-error defensive play, the Recce's two power hitters, first baseman Ed Lund and third baseman Glen Matheson, controlled the scoring and most of the hitting for the winners. Lund hit two of Crockett's offerings for home runs, one each in left and right fields. Matheson hit a single, a double and a triple in four trips to the plate.

Ryan introduced a new shortstop in the person of Johnny Hiltz, who gave a sparkling display both at the plate and in the field.

Crockett, on the mound for the losers, pitched a good brand of ball but his teammates could not get to the offerings of the young Recce hurler.

Joe Coyle led the losers' offensive power as he hit two singles in three times at bat. Sid Gordon of New York Giants is fifth with 328. Slugging Stan also leads in runs scored, 55; his, 98 and triples, nine. He is third to Hank Sauer of Cincinnati and Ralph Kiner of Pittsburgh with 17 homers. Sauer leads the league in that department with 22.

Ray Post, sturdy Giants' right-hander, shows the best won and lost percentage. He has won six and lost one for an .857 percentage.

Musial In Batting Lead

NEW YORK, June 28—(AP)—It's been 18 years since a National Leaguer batted 400 or better, but St. Louis' Stan Musial is making a game try this season with his league-leading .405.

The slugging Cardinal right fielder continued his amazing job against enemy pitchers this last week to add eight points to his mark which put him 55 points ahead of Boston's Tommy Holmes, his nearest rival.

Through games of Sunday, June 27, Musial has walloped 98 hits in 242 times at bat.

Holmes, who led during the first month of the season, is second with 350, five points better than Chicago's Andy Pafko with 345, Richie Ashburn, Philadelphia's spectacular rookie outfielder, is fourth with 344. Sid Gordon of New York Giants is fifth with 328.

Slugging Stan also leads in runs scored, 55; his, 98 and triples, nine. He is third to Hank Sauer of Cincinnati and Ralph Kiner of Pittsburgh with 17 homers. Sauer leads the league in that department with 22.

Ray Post, sturdy Giants' right-hander, shows the best won and lost percentage. He has won six and lost one for an .857 percentage.

GOLF TOURNAMENT

MURFIELD, Scotland, June 28—(AP)—A. S. Tibbles, a virtually unknown professional from a suburban London course, today set the pace in the British open golf tournament with a qualifying round of 67.

Touring the Guillane links shortly before sunset, the last of an assorted crew of 275 contestants, Tibbles seized the course record from Jimmy Thomson, long-driving American, and Roberto de Vriening, Argentine pro.
