A PLEASING event took place Tuesday evening at Res Point when Miss Annie M. Lowther, daughter of Mr. Wm. Lowther, of that place, was united in marriage to Mr. John M. Hockin of Montrose. The nuptial knot was tied by Rev. J. G. McIvor. The happy couple left by morning train from Charlottetown for their future home in Montrose. The GUARDIAN wishes Mr. and Mrs. Hockin a full measure of health and happiness.

A PICNIC was held yesterday afternoon at Crapaud in honor of the 51st anniversary of the marriage of Mr. and Mrs. Henry Wadman of Victoria. It was attended by a large number of the relatives of this worthy couple who assembled on the beautiful grounds of Mr. Neil Lowther. Among those present were their son, Rev. J. W. Wadman, missionary from Japan, Mrs. Wadman and five daughters, all of whom intend leaving in a short time to spend the winter in Boston. The gathering was much enjoyed and THE GUARDIAN joins with their many other friends in wishing Mr. and Mrs. Wadman "Many happy returns."

THE cricket match at Victoria Park yesterday between the New Glasgow and Phoenix clubs, resulted in a victory for the former. In the first innings the home team went to the bat and put together 41 runs. Then the New Glasgow team followed and did some fine batting, making in all 65 runs. Luncheon was then partaken of, after which play was resumed, the home team going to bat and doing better work than in the first innings. Hutchison made a fine stand for 21 runs and the whole team retiring for 59 making 35 runs for the visiting team to tie. This they did by sending three men to bat thus giving them 8 wickets to spare. The bowling of Lennen for the visitors was exceptionally good as well as the fielding of the team. It would do our home team no injury if they would follow the example of the visiting fielders. Lorne Robertson and the McQuillan Bros. of the home team did exceptionally good work throughout the game.

THE Liberals of the First District of Queen's County met in convention at Bradalbane yesterday afternoon to choose their candidate for the coming election. The meeting was very large and peacefully inclined and the business for which they met was soon concluded. Dr. Henry W. Robertson of Crapaud was by the unanimous consent of the delegates chosen to represent the party. He accepted the honor in a few remarks and was followed by the Hon Peter Sinclair and others who expressed their hearty approval of the choice the people had made and foretold an easy victory for the doctor. All of the speakers were much pleased that the Hon. D. Farquharson had been elected Premier of the Province and while admitting that his path would not be one of roses felt confident that the interests of the country were safe in his hands. At the same time they regretted that by the elevation of the Hon. Mr. Warburton to the Bench, the First District loses a very popular representative and the whole Province a very able leader. The meeting then adjourned till the evening when the Hon. D. Farquharson and the Attorney-General met the electors.

We positively guarantee and are here to back it—that our Baking Powder is made from the purest drugs and has no superior in leavening power.

We have sold thousands of pounds of it and still its sale increases.
