EASTERN STARS MET DEFEAT LAST NIGHT

West End Anchors out Play Opponents in One of the Best Games This Season.

The best game of baseball this season and probably one of the best games ever played in this city took place on P. W. C. grounds last evening between the Eastern Stars and West End Anchors. The Anchors having been defeated by the Stars on three previous occasions had their team strengthened last evening by F. Prowse and J. McQuiggan. It looked like a shut out for the Stars in the first two innings, the score being 5 to 0 in favor of Anchors but the Stars were determined to show the 600 fans that they could play ball and for the rest of the game they had the best of the play. A feature of the game was a home run by F. McCabe, captain of the Stars, but there were no men on bases.

The players wish to thank the spectators for their generous donations to the collection, which will be used to buy new baseballs.

The next game between those teams will be played Monday evening. Wm. Halpenny acted as umpire very satisfactorily and James Herrill was a competent base judge. The Stars played the same line up as in other games:

GEO. WALKER ENTERED IN 105 MILE OLYMPIC BIKE FINAL

Leaves Today For Montreal Where Big Bike Classic Will Be Held Sunday—Walker Has a Good Chance

Citizens of Charlottetown and Islanders in general will no doubt be pleased to learn that George Walker, Maritime long-distance bike champion will leave this noon for Montreal where he is entered in the 105 mile Olympic Sylvester Cycle race to be held there on Sunday morning. The first and second of this classic trial will undoubtedly represent Canada in Paris in the big 105 mile bike marathon.

Walker who has been training faithfully in the event of his being selected to compete in this race reports himself in perfect physical condition and citizens of Charlottetown may rest assured that George will uphold the athletic traditions of the Garden of the Gulf. At the same time it is to be regretted that Walker was unable to leave some days ago, as it is now he will be compelled to start in this heart-breaking grind only a few hours after arriving.

Through efforts of Messrs Ray Pendleton, Secretary of the Y. M. C. A., S. F. Doyle, A. W. Covey and Mr. Harry Richard, Maritime representative of the Canadian Association it has been possible to complete arrangements for Walker's participation in the Olympic trials. The Guardian extends to Walker its best wishes for every success —"Good Luck, George, and may any other rider who crosses the finish line be in second place."

The New Annan Races This Year

Mr. James Pendergast, well known Island sport promoter breezed into the Sports Department yesterday afternoon for a hearty handshake and a friendly chat. "Genial Jim" is very enthusiastic over the coming race meeting which he is staging on August 20th. He reports that the track there is in great shape and horses are working out daily. This year there will be three classes namely, free-for-all trot and pace; 220 trot and 2.24 pace; 2.26 trot and 2.30 pace.

In connection with the races Mr. Pendergast will put on a boxing match between the winners of the McCloskey-Saunders bout and a classy mitt-wielder from the mainland. Other attractions for which New Annan is famous will supply a great day's sport for all.

All-Stars And Abegweits Tonight

With all the confidence of a tornado in action ,the beating of storm waves on a barren shore together with a few other phrases signifying the personification of surety the Summerside All-Stars will strut on the local diamond tonight at 6:30 to swap clouts and "hot ones" with the Abegweits whom they trounced Wednesday night last in the western capital. The Abegweits are still smarting over their loss and intend to give the visitors an interesting reception.

Lou Campbell, in all likelihood will start on the slab for the locals while "Biff" Howatt the Summerside southpaw ace will again do the honors for the visitors. As one of the best games of the year is promised no doubt another record crowd of fans will attend.

EDITOR A GENIUS

The genius of a certain Arkansas editor showed itself recently when he printed the following news item in the columns of his paper:

"Miss Beulah Blank, a Batsville belle, of twenty summers, is visiting her twin brother, aged thirty-two."

NEW BRUNSWICK RIFLEMEN WIN INTER-MARITIME MEET

Exceptional Shooting Yesterday On Kensington Range—Nova Scotia Second—Pte. D. Dowden, 19-Year-old Youth of N. S. Team Made Highest Individual Total—Teams Banquetted At Cafe Paul After Meet

The Thirty Second Inter-Maritime Rifle team match between teams of eight riflemen from the three Maritime Provinces was shot at Kensington Range, Charlottetown yesterday.

The weather was beautiful and warm but there was a rather tricky wind and mirage which proved baffling to some of the riflemen and accounted for some of the low scores.

New Brunswick took a good lead at 200 yards, P. E. I. being second at that range. This lead was maintained throughout and the New Brunswickers won with a comfortable margin and with a really brilliant score of 741 which is the largest score made since the short rifle has been used. In previous shoots the scores were 711 and 715. The record score for the trophy is 762 made by P. E. I. in 1908.

The visitors were very pleased with the arrangements made for their comfort here and expressed themselves as delighted with the trip. Mention must be made of the exceptional score of Private Dowden of the Nova Scotia team aged of nineteen whose score of 99 was the highest made yesterday.

In the evening a very enjoyable banquet was held at the Cafe Paul where about sixty guests and riflemen sat down to a very excellent banquet. His Honor the Lieutenant Governor was present and Col. H. M. Davison capably filled the position of chairman.

The musical program was exceptionally good being furnished by some members of the Orpheus Eight with Prof. Watkis as accompanist.

Mr. Charles Earle rendered two solos which were very heartily applauded.

Following is the toast list:

The King

Province of P. E. I., responded to by the Lieut. Governor.
