The Tuberculosis Convention

What the Governor-General Said and Didn't Say

The White Plague and its Causes can be Cured by

At the Convention for studying and checking the awful ravages of Lung Troubles in Canada, held at the Royal Alexandra Theatre, Toronto, this week, Earl Grey, Governor-General of Canada, who presided, says people do not get enough fresh air. This is undoubtedly true. Much disease is caused by bad ventilation. His Excellency forgot to say, however, that tens of thousands of people whose work is largely in the open air have throat and lung troubles, brought on by Colds, Coughs, Chills, La Grippe, Pneumonia, run-down systems and exposure. His Excellency also omitted to say that

the Greatest Cure the world has ever discovered for these diseases is

PSYCHINE

Pronounced Si.KEEN

which has become world-renowned for its marvellous cures of Throat, Lung and Stomach Troubles, when all other hope has fled and physicians pronounce the cases incurable. Read the evidence of one of thousands of similar witnesses :—

DR. T. A. SLOCUM, LIMITED,—

Gentlemen :—Following an attack of typhoid fever in Toronto General Hospital, three of Toronto's best known physicians pronounced my lungs incurably and hopelessly diseased with tuberculosis. They insisted on my going to the Weston Sanitarium for Advanced Cases of Consumption, and assured me that a few weeks or months at most would be my allotted span. While there I felt each day brought me one step lower into the grave. A friend visited me and told me of his wonderful recovery from lung trouble, thaough Psychine, and insisted on my trying it. I did, and felt so much better in a few days that I got up, said "Good-Bye" to the doctor in charge, and walked out of the institution. I continued using Psychine for some months. I gained in flesh and strength, until today I am back at my reguar business in connection with the C. P. R. Telegraph Service. My life I undoubtedly owe to Psychine.

I voluntarily make this statement from a sense of my obligation to you and o my duty to similarly afflicted humanity. As you do not know me and probably never before heard of me, I refer you to any of the C. P. R. Telegraph Officials, for the correctness of the above statement.

Yours in lasting obligation,

R. DAVENPORT

Toronto, Sept, 12th, 1907.

PSYCHINE truly cures La Grippe, Coughs, Colds, Chills, Night Sweats, Pneumonia, Bronchitics, Wasting Diseases, and all run-down conditions, which are almost invariably the forerunners of Tuberculosis, and even incipient Consumption often, when doctors and all other remedies fail. Absolute proof of this fact gladly furnished. Ask your druggist for 50c, or $1,00 bottles, or write to

IMPURE BLOOD

Clogs the Kidneys
Slows the Heart
Fags the Brain.

Weakens Every Part of the Body. Causes Organic Diseases.

Just as strength is the natural outcome of pure blood, so is debility and sickness the result of impure blood.

To know how quickly how surely Ferrozone cures, to see how it rebuilds and restores, you have only to read the following letters—read them carefully—see if the symptoms resemble yours.

Miss Evelyn M. Gaetz of Kingston, writes: "I have had an attack of blood disorder which broke out in horrid looking pimples. They were ugly red disfiguring blotches that ruined the appearance of my facr. I tried all sorts of medicine, but the pimples did'nt leave. I was recommended Ferrozone and gave it a trial. I noticed an improvement after the second box, and kept up the treatment which finally cleared my skin. As the result of Ferrozone I have a clear healthy complexion and an recommend it to all other young women similarly affected."

Another young lady well known in society circles of Springfield, who derived exceptional benefit from Ferrozone, says: "I felt it my duty to make known the value of Ferrozone. My trouble was poor weak blood, and as a consequence my lips were pallid, and my cheeks had no color. I was'nt at all strong, and equired a bracing tonic. Ferrozone oon brought color to my cheeks, mproved my appetite and made me stronger than I had been in years. I favor Ferrozone because it is so simple to take and works so quickly.

No blood remedy exists that has the power to cure, to heal, to restore like Ferrozone; try it, 50c per box at any drugstore.

EAT ORANGES

IF YOU WANT TO KEEP WELL

Careful tests have proved beyond question that orange juice has clearly defined medicinal virtues. Those who suffer with Indigestion—are compelled "to diet"—find that after eating oranges regularly for breakfast there is no distress, no palpitation.

Where there was a tendency towards constipation, the eating of oranges regulated the bowels.

In skin troubles, those who began the morning meal with an orange were noticeably improved.

There is, however, a quicker way to get better results. This is to take one or two "Fruit-a-tives" tablets at bedtime in addition to the juice of an orange before breakfast the next morning. "Fruit-a-tives" are the juices of oranges, apples, figs and prunes, in which the medicinal action is many times intensified by the special way of combining them. Valuable tonics are then added.

Take the juice of an orange before breakfast—take "Fruit-a-tives" at night—and you will quickly be rid of Indigestion, Stomach Troubles, Constipation and Biliousness. "Fruit-a-tives" are sold by all dealers at 50c a box—6 for $2.50. Sent on receipt of price by "Fruit-a-tives," Limited, Ottawa.
