Would Spring Out A Lazy Liver Of Her Bed. She Was So Nervous.

Diseases of the nervous system are very common. All the organs of the body may be sound while the nerve centres may be affected. Many women become run down and worn out by household cares and duties never ending, and sooner or later find themselves with shattered nerves and weak hearts.

On the first sign of any weakness of the heart or nerves, flagging energy or physical breakdown, do not wait until your case becomes hopeless. Get a remedy which will at once quiet the nerves, strengthen the heart, and build up the whole system. Avail yourself of a perfect cure by using Milburn's Heart and Nerve Pills.

Mrs. E. Beers, Upper Main River, N.B., writes: "I have used Milburn's Heart and Nerve Pills for over three months. I was so nervous I would imagine everything, and would spring out of my bed at night."

(Canadian Press) WASHINGTON, Dec. 19.—J. P. Morgan to-day told the money trust investigating committee of the House that all the money in Christendom and all the banks in Christendom could not form a monopoly to control money. Morgan disclaimed any knowledge that he wielded a vast power in modern finance and declared emphatically that he sought no such power. He was on the stand nearly five hours.

HOW I ENLARGED MY BUST SIX INCHES IN THIRTY DAYS

After I had tried Pills, Massages, Wooden Cups, and Various Advertised Preparations without the slightest results.

A Simple, Easy Method which any Lady can use at home and quickly obtain a large and beautiful Bust.

BY MARGARETTE MERLAIN.

Well do I know the horrors and intense humiliation of being flat-chested; of having the face of a woman set on the form of a man; and I cannot find words to tell you how good I felt, and what a terrible load was lifted off my mind when I first saw my bust had really grown six inches in size. I felt just like a new being, for with no bust I realized I was really neither a man nor a woman, but just a sort of creature half way between.

With what pity must every man look at every woman who presents like my own. I had been imposed upon by charlatans and frauds, who sold me all sorts of pills and appliances for enlarging my bust, but which did me no good whatever. I therefore determined my unfortunate sisters should no longer be robbed by those "fakers" and frauds, and I wish to warn all women against them.

The discovery of the simple process with which I enlarged my bust six inches in thirty days was due solely to a lucky accident, which I believe was brought about by Divine Providence.

Keep This Picture and see your Own Bust Undergoing the Same Transformation.

to him a flat chest—a chest like his; dense, and as Providence was so good to give me the means to obtain a beautiful bust, I feel I should give my secret to all my sisters who need it. Merely enclose two, 2 cents, stamps for mailing, and I will send you particulars by return mail.

I will positively guarantee that even the very women who passed me carelessly by when I was so horribly flat-chested should profit by my accidental discovery, and have a bust which can only be inspired with a real and true woman, a woman with a beautiful well-rounded bust? Most certainly not.

The very men who shunned me, and even the very women who passed me carelessly by when I was so horribly flat-chested should profit by my accidental discovery, and have a bust which can only be inspired with a real and true woman, a woman with a beautiful well-rounded bust? Most certainly not.

Just the Gift He Wanted!

Most Christmas boxes which men receive are valued rather for the giver than for themselves. Not so when the gift is a Gillette Safety Razor.

That is something which adds to the sum total of a man's comfort and happiness. Every day he enjoys its time-saving efficiency, and learns to value the giver more highly because of the gift.

Can you think of any other article which is at once so handsome and so useful? Then make his gift this year a Gillette Safety Razor. Even if he has a Standard Set, he would appreciate a Combination Set or a Pocket Edition for travelling.

Standard Sets cost \$5.00—Pocket Editions \$5.00 to \$6.00—Combination Sets \$6.50 up. See them at your Jeweler's, Druggist's or Hardware Dealer's.
