FRIDAY

OF LOCAL INTEREST.— The many friends of Captain (Rev.) G. A. Lawson are very glad to see him out again after his recent accident of some weeks ago.— Moncton Times.

OUTWARD PASSENGERS.-Among the outward passengers by the Car Ferry Steamer yesterday were; Mr. E. H. McEachern, City; Miss Mawley, Summerside; Mr. Charles Levingstone and Lieut G. H. Stanway, City, to Halifax on military business.

WANT MORATORIUM.— An immense petition appealing for a moratorium with respect to all debts was presented to the British Columbia Legislature the other day by A. H. B. McGowan, of Vancouver, a former resident of Charlottetown.

C. M. B. A.— It will interest many people in the province to hear that the action of the trustees of the Catholic Mutual Benefit Association, in raising the association's rates in order to place it in a solvent condition, was sustained the other day by Mr. Justice Middleton, in a judgment issued at Osgoode Hall, Toronto. But the judgment finds that the trustees had no power to issue paid-up policies to members who declined to continue their payments. In an analysis of the situation, His Lordship said that the association like many others of a similar nature, had started out to do insurance business at inadequate rates,with the result that it had been placed in an insolvent condition.

ISLAND LADY HONORED.— A friend of Mrs. Edward Anderson, daughter of the late Mr. John A. McNevin, Bonshaw, called at her house Wednesday evening and asked her to accompany her for a ride to Graniteville says the Barrie Ont., Times. On the way they were delayed at the Episcopal Church where a large number of friends were waiting to tender Mrs. Anderson a surprise. A program consisting of vocal solos by Gladys Raycraft and William Murray, accompanied by Mrs. Robert Coxon, and violin selections by Charles Davison, was given. After the program Rev. W. J. M. Beattie, on behalf of Mrs. Anderson's friends, presented her with a beautiful dinner set and a silver tea service, for which she responded very feelingly. Refreshments were then served and all returned to their homes at a late hour, wishing Mrs. Anderson many happy returns of the day.

PLEASANT AFFAIR.—On Saturday evening, April 1st, a number of the people of Pownal gathered at the "Florida Hotel" to celebrate the birthday of Mr Richard Carver, one of the most respected citizens of that place. During the course of the evening supper was served in Mrs Brown's usual good style. The drinking of toasts then began. The first, "To the King," was suggested by Wattie Smith. Mr William Brown, jun., of Pownal, the popular ladies man, then suggested a toast to the ladies, to which all present heartily responded. After the evening had been very sociably spent, Mr Albert Jenkins on behalf of those present presented Mr. Carver with a cane, as a small token of the respect with which he is held by all. At a late hour all retired to their homes wishing Mr. Carver many more such happy birthdays.

USE "TIZ" FOR SORE, TIRED, ACHING FEET

NO MORE PUFFED-UP, BURNING SWEATY, CALLOUSED FEET OR CORNS.

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz" It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "Tiz" at any drug store or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

National Preparedness does not come from guns and dreadnoughts alone, but from men who are fit for the day's work. The making of men is a question of food and rational exercise. You can't build stalwart men out of an unbalanced "ration." Shredded Wheat Biscuit contains all the material needed for building the perfect human body. It is the whole wheat grain made digestible by steam-cooking, shredding and baking. One or more Shredded Wheat Biscuits for breakfast with milk or cream makes a man fit for work or play. It is ready-cooked and ready-to-serve.

POLICE COURT. — At the Police Court yesterday the Prohibition case against Josephine Mullins came up for trial and was adjourned. The officers raided the premises of Michael Murphy, Richmond Street, in the afternoon, and seized 24 bottles and 11 flasks of whisky and two bottles of beer.

CADET INSPECTION.— Yesterday the cadets of P.W. College and the city schools were inspected by the official cadet inspector, Captain Black. Capt. Black succeeds Lieut.-Col. Bordon as inspector and this is the first inspection of the Island cadet corps. He will continue his work with the other cadet corps in the Island to-day.

THE ICE BOATS.—The trip by the ice boats in the crossing on Wednesday was perhaps one of the most trying in the history of the service. The blinding rain storm literally drenched the men to the skin. Yesterday the trip was a much pleasanter one, the weather being ideal. The incoming boats brought 62 bags mail which had been delivered at Sackville in the morning and carried thence by special to Tormentine. This mail was delivered at all points in Prince Edward Island twenty-four hours earlier than had it come either by Charlottetown or Georgetown. The Post Office and Marine Departments are to be commended on their keeping this route in commission until all danger of delay on the other routes is over. The crews of these boats as well as their captains will brave any kind of weather or any condition of ice to "deliver the goods."

OF LOCAL INTEREST.— The following is from the Calgary Herald of March 27th., Lt.-Col. McDonald referred to, is a brother-in-law of Dr. G.F. Dewar, and Major Haszard is a son of Mr. Justice Haszard of Charlottetown. In Shorncliffe are Lieut.-Col. George McDonald commanding the reserve regiment of Royal Canadian Dragoons with Major Gaetz, of Red Deer and Captain Miller, of Calgary respectively second in command and adjutant, Major C. F. THE STANLEY.—The Stanley remained in Georgetown all day Wednesday and left yesterday morning at 5 o'clock for Pictou. She left on return on arrival of the noon train, arriving in Georgetown about 6 p.m. A special train from Charlottetown brought passengers and mail to the city, arriving about 9.30 p.m.

Many friends in this city will regret to learn of the sudden death of Miss Kate McCormack, which occurred yesterday at the residence of Mr. Patrick Murnaghan, Dorchester Street. Miss McCormack complained of a cold, but nothing serious was anticipated, and her death came as a great shock. Her only surviving relative is a brother, Mr. James McCormack of Dorchester, Mass., who is expected to arrive in the city today.

At the home of her son-in-law, Mr. David Holmes, Baltic, Lot 18, after a short illness, there passed away, on the morning of March 25th, 1916, Jane Cousins, wife of the late Andrew Bryenton, aged 76 years. She was a daughter of the late James Cousins, of Burlington, and was the last member of the family. She leaves to mourn one daughter, Mrs. David Holmes, besides a wide circle of relatives and friends. The funeral which was held on Monday, March 27th, was largely attended. Rev. John Murchison officiated at the house and grave. Interment took place in the Malpeque Cemetery.

The death occurred at Port Hill on Saturday last of Miss Sophia McIntosh, daughter of Mrs. John McIntosh. Miss McIntosh had been ill for about two weeks only and her death which was unexpected was a severe shock to the family and especially to her aged mother. The funeral which took place on Monday afternoon to Presbyterian Church was considering the bad condition of the roads largely attended. The services at the house, church and grave were conducted by her pastor Rev. Roland Davidson, assisted by Rev. John J. Bamford of St. James Episcopal Church. The pallbearers were Wilfred A. Maynard, John L. Maynard, Harrison Maynard and Arthur Doble. Miss McIntosh leaves to mourn an aged mother, two sisters, Mrs. Bailey of South Duxbury, Mass and Mrs. Mckerson of Atlantic, Mass., also one brother, Mr. James McIntosh at home. To the bereaved we extend our deepest sympathy.—P.

LETTERS FROM ENGLAND.—Mrs. G. H. Myers of Southport has received several letters from her husband written to herself and children. Gunner Myers who is now in England in writing to his daughter Carrie says that he is fairly well and that the weather is not too bad, something like April at home, but with lots of green grass budding trees and birds singing. A Canadian Battery arrived where he is on March 22nd, the 107th Siege Battery from Montreal, a few of whom he knows. Gr. Myers intends shortly to go sightseeing in England and reports that Gerry Gallant, John McCarron, Bert Stewart, Cecil Stewart and Milton Stewart, neighbor boys at home and W. Lane from Bunbury , are near him and quite well. In writing to Mrs. Myers he says that work is going on as usual and that news of interest is scarce as he has not bee able to get away, except to a town once or twice. The letters to the other members of the family Gertie, Russie, Minnie, Haroldie, were full of loving messages and good cheer. (Pat. please copy.)

The very sad death took place Wednesday night at the Prince Edward Island Hospital, of Pte. Jas. Taylor, of D Company of the 105th, at the age of twenty-four. Since his enlistment in January, Pte. Taylor has been in good health, until a week ago, when he complained of the cold. On Saturday he was stricken with pleurisy and pneumonia, and was taken to the hospital on Monday. Despite the best of attention there he succumbed. Pte. Taylor was born in Newfoundland, but since the death of his parents, in his infancy, he has lived with his aunt, Mrs Willis Taylor, 61 Richmond St. There are left to mourn two sisters, Clara and Hattie, and one brother, Arthur, all in Newfoundland, besides Mrs Taylor and family, who looked upon him as a son and brother. The sympathy of the city will go out to the bereaved in this sudden affliction. The members of Pte. Taylor's company have already expressed their grief at the loss of one of their comrades, by sending a suitable floral offering. The funeral takes place today from 61 Richmond Street. The service will begin at 2.15, conducted by Rev. Mr Fulton.

A deep gloom was cast over the community of Hartsville on Feb. 29th, 1916, when one of its most respected citizens in the person of Rodk.MacKay who while on his way to his work was suddenly stricken with concussion of the brain, from which he died a few hours later.

He was a man who always worked hard and strove to do good for his neighbor and friends alike, he was widely known throughout the province, and those who came in contact with him always held him in esteem kind obliging and forgiving in disposition and a friend to all.

In the famly circle he was kind and of a cheerful disposition never known to grumble or complain.

He leaves to mourn a aged mother, wife and two small children, besides two brothers and two sisters, namely: —Dan of Goldstream, Neil Seaman; Mrs. J. J. MacLeod, Bonshaw; Mrs. J. Wadalle, Crapaud, besides a large circle of friends and relatives. The funeral was held Wednesday, March 1st, and was very largely attended. The remains were laid to rest in Harts ville Cemetery, the services were conducted at the house and grave by his pastor the Rev. John MacColl.

Rest on dear Father, thy labor is o'er,
Thy willing hands will toil no more.
A faithful husband, true and kind,
No friend on earth like thee we'll find.

Sudden change at God's command he fell,
He had no chance to bil his friends farewell,
Affliction came without a warning given,
And bade him haste to meet his God in heaven.

A shadow rests upon our home,
We'll miss his well known face,
Where'er we turn, where'er we look,
we see a vacant place,

A Blended Flour —like— BEAVER FLOUR

Is The Only One That Is Equally Good For Bread and Pastry

EVERY good Canadian housewife remembers the kind of Bread she got with western wheat flour—the tough, coarse loaf, uninviting, rather tasteless and full of holes.

She knows that such flour cannot make good pastry, no matter how much water she uses in the dough.

"Beaver" Flour is a blended flour—made of the famous Ontario pastry wheat, with the proper proportions of Manitoba wheat added to increase the strength.

"Beaver" Flour makes a good size loaf of bread—sweet, tasty, appetizing—as white and light as snow—with crisp, brown crusts—a truly delicious, nourishing food, that everyone enjoys for every meal.

It makes the kind of Pies and Cakes that you are proud to serve and everyone is glad to eat. Tell your grocer you want to try "Beaver" Flour—the original blended flour. 160
